Transport for London

GREATER LONDON AUTHORITY ACT 1999

Transport for London hereby gives notice that it has made an Order under Schedule 23 to the above Act entitled The Greater London (Central Zone) Congestion Charging (Variation) Order 2002.

On 26 February 2002, the Mayor of London confirmed The Greater London (Central Zone) Congestion Charging Order 2001, under which congestion charging for central London is to start on 17 February 2003. Transport for London has made the above Variation Order to make variations to The Greater London (Central Zone) Congestion Charging Order 2001. The reasons for making the Variation Order are to help to prevent fraud, to provide improved procedures for residents' discounts, to encourage early registration by having reduced registration costs for blue badge holders, residents and owners of alternative fuel vehicles, updating the definitions of alternative fuel vehicles, and to make a minor change to the congestion charging zone boundary to reflect a new traffic management scheme.

The Greater London (Central Zone) Congestion Charging (Variation) Order 2002 provides for minor changes in relation to:

proof of identity when seeking refunds, improved procedures for dealing with new residents, and residents using short term courtesy/hire vehicles while their usual vehicle is unavailable, reduced charges for residents changing details of the vehicle for which they receive a discount, waiving the £10 payment for blue badge holders, residents and alternative fuel vehicle owners who register by 24 December 2002, to encourage early registration, updating of the terminology relating to the 100% discount for certain alternative fuel vehicles, and a minor variation to the boundary of the central zone, ie the zone where charges will apply, as a result of a new traffic management scheme affecting the operational working of the boundary route. The area enclosed by Great Eastern Street, Curtain Road and Holywell Lane, London EC2, is removed from the central zone. Vehicles used or kept on Holywell Lane and the section of Curtain Road between Great Eastern Street and Holywell Lane/Scrutton Street intersection will not be subject to the congestion charge. No residents will lose their right to a 90% discount.

Copies of the Variation Order, relevant maps and a Schedule of the variations with the reasons for these, together with other supporting documents, may be inspected at all reasonable hours at the offices of Transport for London, Faith Lawson House, 15 Dacre Street, London

SW1H 0DJ. Further details may be obtained by telephoning 020 7941 4812. Information is also available on our website at www.tfl.gov.uk/streets/.

Any person may make representations on, or object to, the proposed variations. All representations and objections must be received by 30 August 2002, and should be made in writing and sent to: Transport for London (Congestion Charging Variation Order Consultation), Freepost LON17507, London SW1H 0YZ, or by email to ccs@tfl.gov.uk (please type 'Variation Order' in the subject line). Representations and objections should be confined to the proposed variations only, and not extend to other aspects of congestion charging. All objections must specify the grounds on which they are made. In preparing a representation or objection it should be borne in mind that some or all of it may be imparted to other persons who may be affected by it. The Mayor will consider all representations and objections related to the proposed variations received within the time limit specified above before deciding whether or not to confirm the Variation Order with or without modifications.
