London Borough of Lambeth

ROAD TRAFFIC REGULATION ACT 1984

PROPOSED CHANGES TO PARKING ARRANGEMENTS IN CORNWALL ROAD AND DOON STREET

1. Notice is hereby given that Lambeth Council, propose to make the Lambeth (Waterloo) (Parking Places) (Revocation No) Order 2002 and the Lambeth (Waiting and Loading Restriction) (Special Parking Area) (Amendment No) Order 2002, under sections 6, 45 and 124 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984.

2. The general nature and effect of the Orders would be:

(a) to revoke the on-street metered parking places and the motor cycle parking area situated on the north-east side of Cornwall Road, between Upper Ground and Stamford Street;

(b) to vary the existing prohibitions on waiting by vehicles in the parts of Cornwall Road and Doon Street specified in the Schedule to this notice, so that waiting by vehicles would be prohibited at any time. (Exemptions would apply for vehicles waiting for loading or unloading purposes, subject to certain conditions and time limits.)

3. The above changes are necessary because the proposed stopping-up of part of Cornwall Road would reduce the width of the carriageway so that it would no longer be wide enough to accommodate parking. The above Orders are therefore necessary to remove the parking places and impose waiting restrictions at any time, thereby preventing obstructive parking and improving traffic flow and sight lines.

4. If you have any enquiries about this matter, please telephone Transport and Highways on 020-7926 2208.

5. Documents giving more detailed particulars of the proposed Orders are available for inspection during normal office hours on Mondays to Fridays until the last day of a period of 6 weeks beginning with the date on which the Orders are made, or as the case may be, the council decides not to make the Orders, at the offices of Transport and Highways, 3rd Floor, Blue Star House, 234-244 Stockwell Road, Brixton, London SW9 9SP.

6. All objections and other representations relating to the proposed Orders must be made in writing and all objections must specify the grounds on which they are made and should be sent to Hazel Game, Transport and Highways, London Borough of Lambeth, 3rd Floor, Blue Star House, 234-244 Stockwell Road, Brixton, London SW9 9SP, by 30 August 2002. Please note that any objection or other representation may be communicated to, or be seen by, other persons who may have an interest in this matter.

1. The Cherwell District Council has, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, designated the area as described in the Schedule below as the RAF Bicester Conservation Area. A plan of the said area may be inspected at the Cherwell District Council Offices, Bodicote House, Bodicote, Banbury, Oxfordshire or at the Area Office, 38 Market Square, Bicester during normal office hours.

2. The effects of the designation are:

(a) All planning applications for development which would affect the character of the area must be advertised and the site notices must be posted so that the maximum opportunity for comment is given to the public before a decision is reached.

(b) Cherwell District Council, as the local planning authority, will exercise particular care to ensure that change, when it occurs, will preserve or enhance the appearance and character of the area.

(c) No building in a conservation area may be demolished without conservation area consent having first been obtained from the local planning authority. (For alteration, demolition or extension of listed buildings in a conservation area, listed building consent must be applied for, and this takes precedence over conservation area consent). Exceptions to this rule are those laid down in Section 75 of the Planning (Listed Buildings and Conservation Areas) Act 1990, paragraph 4.25 of PPG 15, and paragraph 28 of Circular 14/97. This guidance is amplified by paragraph 4.28 of PPG15 (as revised by Appendix E of Circular 14/97). These exceptions mainly affect small buildings within the curtilage of a dwellinghouse; gates, walls, fences or other enclosures below a certain height; temporary buildings; certain agricultural and industrial buildings; and buildings required to be demolished under the provisions of the Town and Country Planning Act 1990, the Housing Act 1985 or the Pastoral Measure 1983. Planning permission is required for some alterations to dwellings due to their locations within a conservation area. This control is exercised over all dormer windows and external cladding.

(d) It is an offence to cut down, top, lop, uproot or wilfully damage or destroy any tree (not already the subject of a tree preservation order) in a conservation area without giving 6 weeks' notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, to trees which do not exceed 75 millimetres (3 inches approx.) in diameter, or to certain other trees, details of which can be obtained from the address above.

(e) Cherwell District Council, as the local planning authority, will require planning applications in the Conservation Area to be accompanied by sufficient details to enable the impact of the proposed development on the character of the Conservation Area to be assessed. This may include details of scale, massing, design and materials of buildings and their relationship to existing buildings.

G J Handley, Chief Executive
Bodicote House, Bodicote, Banbury, Oxfordshire OX15 4AA

Take notice that United Utilities Water PLC, of Dawson House, Great Sankey, Warrington WA5 3LW, is applying to the Environment Agency to vary licence serial numbers 26/71/321/024, 26/71/321/040 and 26/71/321/023, to abstract water from Corn Close borehole No 1, Corn Close borehole No 2 and Laneshaw reservoir, at National Grid Ref SD 9370 4080, SD 9432 4118 and SD 9450 4160 respectively. The variations being applied for are:

(a) To change the purpose of use for water abstracted from Corn Close borehole No 1 (licence 26/71/321/024) and Corn Close borehole No 2 (licence 26/71/321/040) from statutory water undertaking to water transfer. This will allow the transfer of water from the boreholes into Laneshaw reservoir rather than taking the water directly into supply.

(b) To increase the abstraction limits of Laneshaw reservoir (licence 26/71/321/023) to volumes not exceeding 0.3 Ml/hour, 7.0 Ml/day and 2555 Ml/year (original licensed abstraction volumes are 0.223 Ml/hour, 4.637 Ml/day and 1500 Ml/year).

The net effect of these licence variations will be a reduction in the total amount of water put into supply.

A copy of the application and any map, plan and other documents submitted with it may be inspected, free of charge, during normal opening hours at Colne Post Office, Colne, between 10 August and 10 September 2002.

Any person who wishes to make representations about the application should do so in writing to the Environment Agency, North West Region Central Area, PO Box 519, South Preston PR5 8GD, before the end of the said period.
