THE KENSINGTON AND CHELSEA (PARKING PLACES) (RESIDENTS' PARKING) (AMENDMENT NO 47) ORDER 2002 CHANGES TO THE RESIDENTS' PARKING SCHEME— EVIDENCE TO BE PRODUCED

Notice is hereby given that, on 16 August 2002, the Council of the Royal Borough of Kensington and Chelsea made the above Order, the general effect of which will be to require applicants for a residents' parking permit to produce a valid original Driving Licence in the applicants name, and additionally, where the application is for a privately owned vehicle, to produce a valid original Vehicle Registration Document

showing the address in The Royal Borough at which the applicant resides. These requirements will apply for all new and any subsequent applications for a permit, although in the event of the vehicle being newly acquired or the applicant having a designated driver or chauffeur, the Council may at their discretion, accept alternative documentary evidence.

The general definition of a privately owned vehicle is a passenger vehicle, goods carrying vehicle, invalid carriage or solo motor-cycle, which is not leased, hired, borrowed, registered to a third party, registered abroad or owned by a legally qualified medical practitioner whose usual place of abode is not in any street or part of a street in the Royal Borough of Kensington and Chelsea excluding those streets which are not within the controlled parking zone.

The general definition of a designated driver means a person or persons authorised by an applicant for a resident permit, who drives on behalf of the applicant.

The above measures are being introduced in order to minimise the opportunity for fraudulent applications and therefore maximise the number of spaces available for genuine residents.
