##### **NOTICE OF APPLICATION TO VARY A LICENCE TO ABSTRACT WATER**

Notice is hereby given that an application is being made to the Environment Agency, Thames Region, by Thames Water Utilities Ltd, Clearwater Court, Vastern Road, Reading, Berkshire RG1 8DB, to vary a licence (licence number 28/39/43/18) to abstract water from underground strata (Chalk) at Shortlands, South London, National Grid Ref TQ 395 691.

The variation applied for is to renew the variation which expires at the end of December 2002. The current licence levels are 6,139,501 cubic metres per year and 20,000 cubic metres per day and the daily limit reverts to 17,275 cubic metres per day from 1 January 2003. The application is to renew the variation in order to retain daily quantity of 20,000 cubic metres per day from 1 January 2003. The water will be used for public water supply in London.

##### **NOTICE OF APPLICATION TO VARY LICENCES TO ABSTRACT WATER**

Notice is hereby given that an application is being made to the Environment Agency, Thames Region by Thames Water Utilities Ltd, Clearwater Court, Vastern Road, Reading, Berkshire RG1 8DB, to vary a licence to abstract water from underground strata at Dorney (grouped at National Grid Ref SU 918 789).

This licence was varied in 1998 because of the construction, by the Environment Agency, of the Maidenhead, Windsor and Eton Flood Relief Channel. The process of construction of the Flood Relief Channel resulted in a reduction in the ability to abstract from Thames Water's licensed source at Taplow because a number of boreholes located along the route of the channel could not be used during the period of construction and two have been lost permanently. The licence variation allowed the use of two additional boreholes and temporary increases in the volumes that could be abstracted at Dorney. This variation was renewed in 2002 for a further year because the construction of the channel had not been completed in time to allow the boreholes at Taplow to be recommissioned. This application is to renew the variation to include the two boreholes on the licence on a permanent basis but not to renew the increased rates of abstraction. This application will not result in any increase in the amount of water that is licensed for abstraction. The water will be used for public supply in the local area.

A copy of the applications and of any maps, plans or other documents submitted with them may be inspected, free of charge, at Eton Post Office, 137 High Street, Eton, Windsor, Berkshire SL4 6AR, at all reasonable hours during the period beginning on Friday 23 August 2002 and ending on Monday 23 September 2002.

Any person who wishes to make representations about the application should do so in writing to the Groundwater & Licensing Manager, Environment Agency—Thames Region, Kings Meadow House, Kings Meadow Road, Reading, Berkshire RG1 8DQ, before the end of the said period.

**Post & Telecom****Telecommunications****NOTICE UNDER SECTION 12(2) OF THE TELECOMMUNICATIONS ACT 1984****PROPOSED MODIFICATION TO THE LICENCES OF 51° LIMITED, FRANCE TELECOM NETWORK SERVICES—UK LTD AND TELEKOM MALAYSIA (UK) LIMITED**

1. The Director General of Telecommunications (the "Director") in accordance with section 12(2) of the Telecommunications Act 1984 as amended by the Electronic Communications Act 2000 (the "Act") hereby gives notice that he proposes to make modifications to the licences granted by the Secretary of State for Trade and Industry (the "Secretary of State") under section 7 of the Act during the period beginning on 30 August 2001 and ending on 8 February 2002 for the

running of telecommunications systems which the Secretary of State has designated by order under section 9 of the Act as public telecommunication systems, (collectively referred to hereinafter as the "PTO licences"). The affected PTO Licences are those belonging to 51° Limited, France Telecom Network Services-UK Ltd and Telekom Malaysia (UK) Limited.

2. The effect of the proposed modifications to the PTO licences would be to widen the definition of what type of premium rate services ("PRS") might be caught under the PTO licences by replacing the current definition of 'Controlled Services' with the definition of 'Controlled Premium Rate Services'. In broad terms, only live PRS are currently caught by the former definition. As a result, there is no code of practice governing the provision of PRS other than live PRS (such as recorded PRS) that can be recognised by the Director under the PTO licences. The proposed modifications take the form of replacing the current Condition 22 (Controlled Services) of the PTO licences with a new Condition 22 (Controlled Premium Rate Services).

3. The reason why the Director is making the above-mentioned proposal is to strengthen the regulatory regime in the PRS industry, so that the provision of a potentially larger category of PRS (other than simply live PRS) could be governed by a code of practice recognised by the Director. In this way, the Director will have more 'backstop' powers to require network operators to cut off such services that are not complying with the code of practice administered by the Independent Committee for the Supervision of Standard of Telephone Information Services ("ICSTIS") following it making such a request to the Director and the Director considers it appropriate to make such a direction.

4. The Director also proposes to make modifications of a relatively minor drafting nature to the current Condition 23 (Provision of Special Facilities Relating to Chatline and Message Services) of the PTO licences by replacing it with a new Condition 23. The Director is making this proposal because it is necessary to refer to certain definitions now contained in the proposed new Condition 22 and the Director also considers that Condition 23 could be made clearer in certain other parts.

5. The text of the proposed modifications and their effects are set out in full in the OfTel Statement entitled 'Regulation of Premium Rate Services: Licence Modification', which was published on 24 July 2001. The document is available via OfTel's website ([www.oftel.gov.uk](http://www.oftel.gov.uk)). The Director is seeking comments on the proposed modifications to the PTO licences. Interested parties have 28 days from the day after publication of this Notice to make representations on the proposed modifications. There will be no further period for interested parties to make comments on any comments made during the above-mentioned period. In accordance with section 12(6D) of the Act, representations made against the proposed modifications shall be taken to constitute an objection only if a written statement that they are to be so taken accompanies them.

6. Copies of the full text of the proposed modifications are also available from Sheira Hamilton (telephone 020 7634 8943, e-mail [sheira.hamilton@oftel.gov.uk](mailto:sheira.hamilton@oftel.gov.uk)) at the address below.

7. Representations on the proposed modifications can be made to Gavin Daykin, Regulation of PRS Consultation, Numbering Unit OFTEL, 50 Ludgate Hill, London EC4M 7JJ (telephone 020 7634 5338, e-mail [gavin.daykin@oftel.gov.uk](mailto:gavin.daykin@oftel.gov.uk)) by no later than 23 September 2002.

8. The Director is required by section 12(2) of the Act to consider any representations or objections on the proposed modifications duly made and not withdrawn. Subject to such consideration, and to receiving any objection to the respective modifications by the licensees of the PTO licences, the Director proposes to make the modifications as soon as practicable after the statutory consultation has been completed.

9. Any confidential material should be clearly marked as such and separated out into a confidential annex. All representations and objections received by OfTel, with the exception of material marked confidential, will be made available for inspection in OfTel's Research and Intelligence Unit.

### NOISE INSULATION REGULATIONS 1975

#### A27 POLEGATE BYPASS

The A27 Polegate Bypass officially opened on 19 June 2002. Offers of insulation (double windows, and perhaps doors, special ventilation and in some cases venetian blinds) or grant have been made to the occupiers (and/or landlords) of all dwellings, which are believed to qualify under the Noise Regulations Act 1975. A list detailing these dwellings may be seen during normal office hours from the 23 August 2002, at the offices of the Highways Agency, Federated House, London Road, Dorking, Surrey RH4 1SZ; East Sussex County Council, County Hall, St Anne's Crescent, Lewes BN7 1UN; The Post Office, 74 High Street, Polegate, East Sussex BN26 6AA; Polegate Library, Windsor Way, Polegate, East Sussex BN26 6QF.

The Regulations give right of appeal to the occupier person to occupy any dwelling or other residential property (such as an old people's home or hostel for long-stay residents), and to their immediate landlord or licensor (if any), where the dwelling or property is within 300 metres of the Scheme and no offer of insulation or grant has been made in respect of it. Any such person who claims that use of the new length of road causes, or is expected to cause at the property in question, noise of not less than the level specified in the Regulations, may apply in writing to the Highways Agency, Federated House, London Road, Dorking, Surrey RH4 1SZ; setting out the facts on which they relies and requesting that an offer of insulation or grant be made in accordance with the provisions of the Regulations. This right of appeal must be exercised not later than 23 February 2003.

An information booklet "Compulsory Purchase and Compensation—Reducing the Adverse Effects of Public Development" is available, free of charge, from the same Highways Agency's Dorking address. Please telephone 01306 878122 and ask for Messrs Link/Manning.
