TRANSPORT AND WORKS ACT 1992

The First Secretary of State gives notice, pursuant to section 14(1)(b) of the Transport and Works Act 1992 ("the Act") that he has determined under section 13(1) of the Act to make with modifications The Strand Road, Preston Railway Order 2002 ("the Order").

The Order was applied for by Steamport Southport Ltd, 3 Lincoln Drive, Old Roan, Liverpool L10 3LJ.

The Order will authorise the transfer of a length of approximately 158 metres of railway line at Strand Road level crossing, Preston, Lancashire, from Preston City Council and Railtrack PLC (in Railway Administration) to Steamport Southport Limited. The line is part of the Preston Dock Railway (also known as the Ribble Branch railway). The Order will empower Steamport Southport Limited to operate and use this length of railway for the carriage of passengers and goods. It will also make provision for the safety of works and equipment.

As this Order does not include any construction work requiring a development consent, neither an environmental statement nor a request for a planning direction have been submitted to the First Secretary of State.

The First Secretary of State believes that the reopening of this length of line will provide a worthwhile extra transport facility. He has therefore concluded that it is in the public interest to make the Order.

Copies of the Order (once made) may be obtained from the Stationery Office Limited or through booksellers.

E Harvey, Head of Transport and Works Act Processing Unit (Planning Division 5), Office of the Deputy Prime Minister, Great Minster House, 76 Marsham Street, London SW1P 4DR. (569)

In reaching these decisions, the Secretary of State has complied with the requirements of paragraphs (a) to (c) of section 14(3A) of the Act.
