Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority 6 weeks notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character or appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.
