PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTION 69

HIGHBURY NEW PARK CONSERVATION AREA CONSERVATION AREA NO 15

Notice is given under the provisions of Planning (Listed Buildings and Conservation Areas) Act 1990, that the Council of the London Borough of Islington ("the Council") has determined that the areas described in the Schedule to this notice are of special architectural or historic interest and that it is desirable to preserve or enhance their character or appearance.

The areas described in the Schedule to this notice are immediately adjacent to the Highbury New Park Conservation Area. Accordingly, the Council has extended the boundary of the Highbury New Park Conservation Areas so as to include the areas described in the Schedule to this notice.

The principal effects of the extension of the Highbury New Park Conservation Area on the areas described in the Schedule to this notice are as follows:

- (1) The Council is under a duty to prepare proposals to ensure the preservation or enhancement of the area.
- (2) Consent must be obtained from the Council for the demolition of any building in the area.
- (3) Six weeks' notice must be given to the Council before works are carried out to any tree in the area.
- (4) Special publicity must be given to planning applications for development in the area.
- (5) In carrying out any functions under the planning Acts (and, in particular, in determining applications for planning permission and for listed building consent), the Council and the Secretary of State are required to take into account the desirability of preserving or enhancing the character or appearance of the area.

Newark and Sherwood District Council

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990 DESIGNATION OF CONSERVATION AREAS (SECTION 69)

Notice is hereby given that on 11 November 2002, in exercise of powers conferred by section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, Newark and Sherwood District Council resolved that parts of Fiskerton as described in the Schedule to this notice, be designated as a conservation area.

The purpose of the designation is to preserve or enhance the character and appearance of an area, which has special architectural or historic interest and to ensure that special regard is paid to the architectural and visual qualities of a designated area as a whole when proposals for development are under consideration.

The effect of the designation is that:

- (a) Any application for planning permission for the development of land that would be in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area must be given publicity under sections 67 and 73 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- (b) Any persons wishing to cut down, top, lop, uproot or wilfully damage or destroy any tree within a Conservation Area must (subject to certain exemptions) notify the District Council giving 6 weeks' prior notice, including information as to the address of the land, sufficient details to identify the tree and the work intended and the particulars of the person serving the notice.
- (c) Buildings, or parts of buildings (subject to certain exemptions) within a Conservation Area may not be demolished without the prior consent of the District Council.
- (d) Permitted development rights under the General Development Order, 1988 are restricted in Conservation Areas. Anyone proposing to carry out development within a Conservation Area is requested to

consult Planning Services at Kelham Hall, before a formal application is submitted.

(e) The Local Authority may, subject to a direction by the Secretary of State, carry out urgent repairs to unoccupied, unlisted buildings in a Conservation Area under section 76 of the Planning (Listed Buildings and Conservation Areas) Act 1990, where such works are felt to be necessary for maintaining the character or appearance of that area.

Plans showing the designated areas are available for inspection at Kelham Hall during normal working hours from Monday to Friday.
