NOTICE OF APPLICATION FOR CONSENT FOR THE PURPOSES OF SECTION 88

Notice is hereby given, in accordance with Schedule 10 of the above Act that an application has been made to the Environment Agency by Southern Water Services Limited for consent to discharge a rainfall related volume of storm sewage from a new combined sewer overflow located in Amberstone View, Hailsham, East Sussex, to a tributary of the Hurst Haven at National Grid Ref TQ 5940 1094.

This application relates to an improvement scheme to replace two nearby unsatisfactory storm overflows, by Southern Water Services Ltd., in order to deliver the improvements in water quality that are required as part of the Environment Agency's National Environment Programme.

The details of the proposed new storm overflow are as follows:

- (a) the overflow will not operate until flows in sewer are in excess of 6 times its normal dry weather flow;
- (b) the overflow will be equipped with a telemetric alarm to indicate when overflow is operating; and
- (c) the discharge will be passed through a 6 mm two dimensional screen.

Please note that any consent granted as a result of this application will require the applicant to install and maintain the above facilities. In the event of this application being granted, the two nearby unsatisfactory storm overflows will be abandoned and sealed.

The Environment Agency is committed to maintaining and, where possible, improving water quality. If, after full consideration of this application and any representations made by interested parties, it is decided that consent can be granted, then conditions will be imposed to ensure that these aims of the Agency regarding water quality are met. A copy of the application may be inspected, free of charge, during normal office hours at the Agency's offices at the address given below.

Any person who wishes to make representations about the application should do so in writing to the Supra Area Water Quality Consenting Team at the Agency's offices at Saxon House, Little High Street, Worthing, West Sussex BN11 2BP, during the period 4 December 2002 to 14 January 2003 quoting Ref A.1179/S/02.
