Westminster Gravels Limited

ENVIRONMENTAL PROTECTION DIRECTIVE 85/337/EEC:

ARTICLE 7 PROPOSED DREDGING FOR SAND AND GRAVEL, AREA 457, LIVERPOOL BAY

The First Secretary of State hereby gives notice that he has received an application from Westminster Gravels Limited for a government view on a proposal to extract marine sand and gravel from Area 457, Liverpool Bay. Area 457 is located in the south east of Liverpool Bay, approximately 25 km from the west coast of England and 30 km from the north coast of Wales and covers an area of approximately 65 square kilometres. A favourable government view of the proposed project would enable Westminster Gravels Limited to apply to the Crown Estate Commissioners for a production licence.

It is anticipated that statutory regulations for the control of marine dredging will be introduced during 2003 to replace the non-statutory government view procedure. Under the forthcoming arrangements, if it is decided that the application should be granted, a dredging permission would be issued, rather than a favourable government view as at present. In accordance with his obligations under Article 7 of Council Directive 85/337/EEC on the assessment of the effects of certain public and private projects on the environment (as amended by Directive 97/11/EC), the First Secretary of State has notified the Republic of Ireland, about the proposal to extract sand and gravel from Area 457, Liverpool Bay because it may have a significant effect on the environment of that state. The potential environmental impacts relate mainly to fisheries interests. He has forwarded to the Republic of Ireland a copy of the environmental statement and a copy of the coastal impact study prepared for Westminster Gravels Limited by Environmental Resources Management Limited and HR Wallingford Limited respectively, to show the effects this proposal will have on the environment and any

measures proposed to mitigate these effects. He has invited the Republic of Ireland to make any relevant representations about the proposed development or the information contained in the environmental statement and coastal impact study to him not later than 18 February 2003. The First Secretary of State will make no decision on the application by Westminster Gravels Limited until after that date.

Copies of the environmental statement and coastal impact study may be inspected at the Office of the Deputy Prime Minister, Eland House, Bressenden Place, London SW1E 5DU, between the hours of 9.00 am and 5.00 pm, Monday to Friday until 18 February 2003. To arrange to inspect them please telephone Matthew Louis on 020-7944 3877.

Copies of the environmental statement and coastal impact study may also be purchased from:

Environmental Resources Management Limited, Norloch House, 36 King's Stables Road, Edinburgh EH1 2EU telephone 0131-478 6000, E-mail: mark.irvine@erm.com at a cost of £40.00 each (hard copy) or both on CD-Rom (at a cost of £10.00). Copies of the non-technical summary of the environmental statement are also available from the same address, free of charge.

Comments on the proposed project and the information contained in the environmental statement and coastal impact study should be sent to Environmental Resources Management Limited, at the above address, so that these may be included in the report on consultation to be submitted by the applicant to the First Secretary of State under the government view procedures.
