TOWN AND COUNTRY PLANNING ACT 1990

MARCHMONT ROAD (PART) RICHMOND SURREY

STOPPING-UP ORDER 2002

Notice is hereby given that the Council of the London Borough of Richmond upon Thames, of Civic Centre, 44 York Street, Twickenham, Middlesex TW1 3BZ, (hereinafter called "the Council") have made a draft Order pursuant to sections 247 and 253 of the Town and Country Planning Act 1990 (hereinafter called "the Act") in respect of land at the western end of Marchmont Road, Richmond and which lies between the blocks of flats known as 1-6 Kingswood Court and 7-12 Kingswood Court.

The effect of the Order would be that the said land would cease to be public highway but is subject to the condition that two areas of adjacent land would be dedicated as highway to form a vehicle turning facility at the western end of Marchmont Road.

The Order will only take effect in the event that planning permission is granted for the redevelopment of Kingswood Court pursuant to the details disclosed on planning applications lodged with the Council under Refs 01/3176/FUL and 01/3177/FUL. These planning applications are the subject of appeals to the Secretary of State following from their deemed refusal of planning permission by the Council and the Council is supporting its refusal at a local inquiry which began on 17 December 2002. However, in the event of planning permission being granted by the Secretary of State the Council is satisfied that it would be necessary to stop up that part of Marchmont Road within the planning application site as is described in the Order.

The Order will not take effect before planning permission is granted but the Council will also formally consider any objections to the making of the Order which are submitted to it by 24 January 2003. Any objections must be in writing and sent to the Head of Legal Services, London Borough of Richmond upon Thames, of the Civic Centre, 44 York Street, Twickenham, Middlesex TW1 3BZ, quoting Ref L/GRC file 371.

A copy of the Order and a map defining the land to which it relates can be inspected at the Civic Centre at all reasonable hours until 24 January 2003.

Environment Agency**WATER RESOURCES ACT 1991/ENVIRONMENT ACT 1995****NOTICE OF PROPOSALS TO VARY CERTAIN LICENCES TO ABSTRACT WATER**

Take notice that the Environment Agency (the Agency) in pursuance of section 52 of the Water Resources Act 1991 has formulated proposals for varying the licences listed in the Schedule below to abstract water from the respective inland waters or underground strata at the respective National Grid Refs and at the respective locations referred to within the said Schedule.

The proposal in each case is to vary the licence by extending the existing date of expiry to a new date of expiry (the "common end-date") for particular abstraction licences within the Soar catchment. It is proposed that the existing date of expiry be varied to 31 March 2013 on all summer abstractions and because of the lesser associated impact on water resources during winter months, all winter abstractions be varied to 31 March 2025. No other changes will be made to the relevant licences as a result of this proposal.

This proposal is being made of the implementation of the Agency's new catchment abstraction management strategies (CAMS). The proposal will enable these licences to be considered for future renewal in accordance with the strategy for the catchment, and at the same time as all other time limited licences in the same circumstances.
