BRIGHTON & HOVE CITY COUNCIL ROAD TRAFFIC REGULATION ACT 1984

BRIGHTON & HOVE (UNDERCLIFF WALK) (TEMPORARY TRAFFIC REGULATION) (CLOSURE) ORDER 2003

1. Notice is hereby given that Brighton & Hove Council ("the Council") on 15 January 2003, made a temporary traffic Order pursuant to powers in section 14(a) of the Road Traffic Regulation Act 1984 as amended, the effect of which is as follows:

(1) To close off a length of highway to all traffic, subject to (2) below, known as the undercliff walk ("the walk") from a point 55 metres east of the marina access viaduct eastwards (to include the access road to the cliff top and the cliff access stairs at Ovingdean) to a point 270 metres east of the cliff access stairs at Ovingdean ("the site") and during work periods from that point eastwards to and including the vehicle access ramp at Rottingdean ("the site access route").

(2) Access to the site referred to in (1) above will (subject to any directions given by a police constable in uniform or the Council) be restricted to the Council's contractors, Council officers and any other persons who by virtue of any statutory authority or at the request of either the Council or its contractors require access to the site.

(3) The closure of the walk is to enable the Council's contractors to continue making safe other lengths of cliff face that may or have become unstable as well as allowing demolition, reconstruction and renewal of the sea defences adjacent to the highway ("the walk") referred to in (1) above.

(4) Please note the following:

(4.1) It is intended that the closure of the walk will operate on a "rolling programme basis" that is to say that while lengths of the walk being worked on as referred to in (3) above will remain closed those parts being used for the safe access route referred to in (1) above may be able to be opened at weekends if the work has stopped.

(4.2) Notices warning of the proposed closures/openings will be erected in advance as and where practicable.

2. Pedestrian access to the undercliff walk when permitted will be via a signposted route that will take them along the cliff top to access the walk at the Marina, Ovingdean or Rottingdean as appropriate.

3. Access for emergency service vehicles including HM Coastguards will not be affected.

4. The Order comes into force on 19 January 2003 until such time as the work is completed and it is estimated that the work will take about two years.
