## Water Industry

### Ofwat

#### WATER INDUSTRY ACT 1991, SECTION 13

#### PROPOSALS BY THE DIRECTOR GENERAL OF WATER SERVICES FOR THE MODIFICATION OF THE CONDITIONS OF APPOINTMENT OF DEE VALLEY WATER PLC AS A WATER UNDERTAKER

##### *The Process*

Ofwat is required to consult on proposed modifications to the conditions of appointment of Dee Valley Water plc (Dee Valley). This notice seeks responses to those modifications described below and invites views on the general issues associated with the type of financial structure adopted by Dee Valley. Any representations or objections must be sent in writing to Keith Mason, Director of Regulatory Finance at Ofwat, Centre City Tower, 7 Hill Street, Birmingham B5 4UA (fax 0121 625 3609 or e-mail keith.mason@ofwat.gsi.gov.uk) to be received no later than 5.00 pm on 28 April 2003.

##### *Description of the modifications and the reasons for them*

In August 2002, Dee Valley Group plc completed a capital restructuring of its subsidiary, Dee Valley. This has resulted in approximately £35 million of total borrowings in Dee Valley, which represents a significant increase in its gearing. Its indebtedness has risen to around 80 per cent of its regulatory capital value (which will be £42 million at 31 March 2003). Dee Valley Group believes that this restructuring will allow Dee Valley to reduce its cost of finance. Dee Valley Group will retain full ownership of Dee Valley.

A number of water Companies, including Mid Kent Water and Portsmouth Water, have recently carried out similar transactions resulting in highly-g geared capital structures. In order to ensure that customers' interests are protected under the new financial structures Ofwat has modified the conditions of those Companies' licences.

Dee Valley Water has agreed to similar modifications of its licence to ensure that customers are protected from taking on undue additional risks.

##### *Ring-fencing of Dee Valley*

Ofwat wishes to ensure that Dee Valley's regulated business is ring-fenced from the other activities of Dee Valley Group. Dee Valley must not, whether through its involvement in those other activities or by its dividend policy, put at risk its ability either to carry out its functions as a water undertaker or to finance them. Licence modifications will therefore:

- (1) prohibit the transfer of any of Dee Valley's assets to any Associated Company except with Ofwat's consent;
- (2) prohibit Dee Valley from giving a guarantee of any liability or making any loan to any other Company within the Dee Valley Group;
- (3) prohibit it from entering into or continuing any commitment which includes a 'cross-default obligation' (whereby its financial liabilities are increased or accelerated because of a default elsewhere within the group);
- (4) require it to maintain an investment-grade corporate credit rating;
- (5) require it to pay dividends only in accordance with a dividend policy which has been approved by its Board and will not impair its ability to finance its functions.

Dee Valley's Directors are already required to certify annually to Ofwat that it has adequate financial and management resources. Further modifications will therefore require:

- (6) (i) Dee Valley to inform Ofwat if the Board believes that any circumstances might mean that its most recent certificate could not be repeated;
- (ii) the annual certificate to be accompanied by a report to Ofwat from Dee Valley's Auditors, detailing any inconsistencies between the

certificate and the statements submitted with it or the findings of their own audit;

(iii) the Directors to record their opinion that any contracts with Associated Companies include all provisions necessary for Dee Valley to meet its obligations as a water undertaker.

##### *Management of Dee Valley*

Although Dee Valley is a subsidiary, it has its own duties as the water undertaker for its area. A further licence modification will:

(7) require it, in carrying out those functions, to behave as if they were substantially its sole business and it were a separate public limited Company. In doing so it will be required to have particular regard to the following:

- (i) the composition of the Board should allow it to act independently of the parent Company or controlling Shareholder, and exclusively in Dee Valley's interests;
- (ii) the Board must ensure that each of its Directors discloses any conflicts of interest between their duties to Dee Valley and other duties, both to the Board and to Ofwat;
- (iii) where potential conflicts exist between Dee Valley's interests and other Companies in the Group, the Board must ensure that it has regard exclusively to Dee Valley's interests as a water undertaker;
- (iv) none of its Directors should vote on any matter where they have an interest by virtue of other directorships;
- (v) Dee Valley should inform Ofwat of any important changes in the composition of the Board or the responsibilities of any Director;
- (vi) the principles of corporate governance which are recognised by the Listing Rules of the Financial Services Authority.

(8) A further licence modification will require Dee Valley to publish the financial information that would be required, if it were subject to the Listing Rules of the Financial Services Authority.

##### *Maintenance of comparisons with other water undertakers*

Ofwat considers that Dee Valley's core business should be transparent to regulation.

To that end, Ofwat proposes modifications of Dee Valley's licence, which will require it to operate at arm's length from its Group. The modifications will:

- (9) (i) ensure that payment for any services provided to it by any Associated Company does not exceed prices obtained by market testing, or where this is not appropriate, an appropriate proportion of the Associated Company's costs, as agreed by Ofwat;
- (ii) require it to obtain, from the Associated Company, information required by Ofwat about the latter's costs.

##### *The role of the Dee Valley's owners*

Dee Valley should have the active co-operation of its owners in carrying out its functions as a water undertaker and complying with the conditions of its Appointment. Further modifications will:

(10) (i) require Dee Valley to obtain from Dee Valley Group, a legally-enforceable undertaking, applicable to all other Companies in the Group, that Dee Valley Group will:

- (a) give to it all information it requires to comply with its licence;
- (b) refrain from any action which would be likely to cause or require it to breach any of its obligations under the Water Industry Act 1991 or its licence as a water undertaker;
- (c) ensure that its Board contains not less than three independent non-executive Directors;
- (ii) require it to inform Ofwat immediately in writing, if it becomes aware that the undertaking has ceased to be legally-enforceable, or that there has been any breach of its terms; and
- (iii) prohibit it (except with Ofwat's consent) from making any contract with a member of the Group which is not one of its subsidiaries, for so long as the above undertaking has not been given or there is an unremedied breach of it.

##### *Financing of Dee Valleys' functions*

Ofwat must be satisfied that, under the new proposals, there is a reasonable expectation that Dee Valley remains a financially viable and stable business, capable of financing its operations and capital programmes in the future. Ofwat is concerned to ensure that new financial structures do not threaten a water Company's ability to continue to finance its functions.

We have previously consulted on these issues in relation to similar earlier transactions, such as those involving Portsmouth Water and Mid Kent Water. However, we would welcome any views on whether, under Dee Valley's new financial structure, there are issues requiring further consideration. (489)
