WATER RESOURCES ACT 1991

ENVIRONMENT ACT 1995

NOTICE OF PROPOSALS TO VARY CERTAIN LICENCES TO ABSTRACT WATER

Take notice that the Environment Agency (the Agency), in pursuance of section 52 of the Water Resources Act 1991, has formulated proposals for varying the licences listed in the Schedule below to abstract water from the respective inland waters or underground strata at the respective National Grid References and at the respective locations referred to within the said Schedule.

The proposal in each case is to vary the licences by extending the existing date of expiry to a new date of expiry (the "common end-date") for all relevant abstraction licences in the CAMS area stated in the table below. Licence No 3/28/7/100/S is a winter only licence and therefore the new date of expiry will move two existing "common end-date" cycles and will have a longer time limit than those licences used in the summer or all year round. No other changes will be made to the relevant licences as a result of this proposal.

This proposal is being made as part of the implementation of the Agency's new catchment abstraction management strategies (CAMS). The proposal will enable these licences to be considered for future renewal in accordance with the strategy for the catchment, and at the same time as all other time limited licences in the same circumstances.

A copy of the proposals including draft licences with an amended date of expiry as proposed, a supporting statement relating to the catchment and any map, plans and other information or documents prepared in connection with them may be inspected free of charge at all reasonable hours at the address indicated in the above Schedule and at the offices of the Environment Agency, at Sentinel House, Wellington Crescent, Fradley Park, Lichfield, Staffordshire WS13 8RR, during the period beginning on 10 April 2003 and ending on 10 May 2003.

If you, as the holder of any of the licences listed in the above Schedule, wish to object to the proposals, you may give notice in writing to the Agency. Any other person who wishes to make representations about the proposals may do so in writing to the Agency also at the address in the preceding paragraph, and before the end of the said period. Please quote the relevant licence number given in the above Schedule when making objections or representations.
