BOUNDARY CHANGE OF BIRTLEY CONSERVATION AREA

Notice was given on 14 May 2003, that the Boundary of Birtley Conservation Area had been amended to include additional properties and exclude others. Within that notice a description was contained in the Schedule which referred to the extent of the boundary.

It has been brought to my attention that the description of the boundary of the Conservation Area was incorrect and should have read:

"The Conservation Area is an irregular shape bounded by The Croft, Durham Road to the north, Grange Farm to the east, St John's Church, Birtley to the south, and the eastern side of Durham Road, including a property known as Ingleside, to the west".

All other information contained within the Notice of 14 May 2003 was correct.
