Vale Royal Borough Council

NOTICE OF DESIGNATION AND ALTERATION OF CONSERVATION AREA

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTION 69

BOSTOCK CONSERVATION AREA

Notice is given under the provisions of the said Act that Vale Royal Borough Council as local planning authority, after a period of consultation, has determined that the area described in the Schedule to this notice is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance. Therefore on 24 April 2003, it designated the Bostock Conservation Area, thereby superseding the Bostock Green Conservation Area of 8 April 1976. That earlier designation is therefore cancelled.

The principal effects of this revised designation are as follows:

1. The Council is under a duty to prepare proposals to ensure the preservation or enhancement of the area.
2. In carrying out its functions under the Planning Acts, and in particular determining applications for planning permission and listed building consent, the Council and the Secretary of State are required to take into account the desirability of preserving or enhancing the character or appearance of the area.
3. Permitted development rights are more restricted within the designated area.
4. Consent must be obtained from the Council for the demolition of any building in the area (subject to certain exceptions).
5. Special publicity must be given to planning applications for development in the area.

6. Six weeks' notice must be given to the local planning authority before any works are carried out to trees within the designated area. It becomes an offence, subject to certain exceptions, to cut down, top, lop, uproot, wilfully damage or destroy any tree in the area without the prior written consent of the local planning authority.

F Crane, Head of Legal and Administrative Services
Corporate and Economic Affairs Directorate, Wyvern House, The Drummer, Winsford, Cheshire CW7 1AH.

SCHEDULE

Bostock Conservation Area

Clockwise from the north, the Conservation Area boundary follows the field hedgerow to the north of Bostock Grange Farm, crosses the C653 (formerly A533) and runs south along the highway hedge. It then follows the eastern boundary of all the properties on the eastern side of Bostock Green Village.

Continuing south along the wire fence to the east of the strip of woodland to North Lodge, it then follows the eastern edge of the North Drive to the Hall for some 300 metres. Turning north-east along a wire fence, it reaches the derelict "Ox House", which it encloses, then runs east-south-east. Meeting another field boundary, it runs south, then bends slightly to the south-east. Where a drain emerges from Hill Wood, the boundary runs to the West, and then skirts the entire southern part of Hill Wood before following a field boundary west, to meet a ha-ha, which contains the remains of a metal estate style fence.

Turning south, the boundary follows the estate hawthorn hedges and fences, passing the east side of Oak Clump and skirting south-east around Oak Wood until it meets the main A533, which it crosses.

The boundary then follows the line of the hedge which skirts the woodland belt to the south-west of the A533, and briefly meets the road. It then follows the southern edge of the vehicle track to the rear of No 16 Bostock Road, and passes along the boundaries of the rear gardens to Nos 16 to 10. Running north along that to No 10, it meets the rear of the woodland strip to the south-west of Bostock Road and to Nos 8 and 6, where it runs due west to the south of Wood End Cottage. It follows the field boundary to Bostock Road which it crosses, and then encloses the original structures of the Home Farm complex of buildings.

It follows a drain easterly, then the western boundary of Pennells Wood, first north, then north-west until it reaches the woodland opposite North Lodge. There it runs in a northerly direction along the wire fence to the west of the woodland belt bordering the C653, back to the village of Bostock Green.

The boundary follows the western edge of the village, including the open field to the rear of Nos 22 to 12, Bostock Green, and along the rear hedge boundary of the bowling green and playing fields. Close to Brick Kiln Lane it follows a field boundary running south-west, before enclosing only the south-east and south-west facades of the older brick structures of Brook House Farm. It then runs north to Brick Kiln Lane, east along the north side of the Lane and then follows the hedgerow boundary of the field to the west of Bostock Grange Farm and Mews, running north-west and then north-east to meet the C653.

A map and adopted written appraisal of the Conservation Area can be inspected, free of charge, during normal offices hours, at the offices of Vale Royal Borough Council at Wyvern House in Winsford or at the Northwich Information Centre.
