WE do accordingly declare and ordain that:

1. Roll of the Peerage

- (5) On having considered the application, Our Secretary of State shall:
 - (a) cause the applicant to be entered on the Roll if he is satisfied that the applicant is a Peer;

Water Industry

South East Water Limited

WATER INDUSTRY ACT 1991, SECTION 13

PROPOSALS BY THE DIRECTOR GENERAL OF WATER SERVICES FOR THE MODIFICATION OF THE CONDITIONS OF APPOINTMENT OF SOUTH EAST WATER LIMITED AS A WATER UNDERTAKER

The Process

Ofwat is required to consult on proposed modifications to the conditions of appointment of South East Water Limited (South East Water). This notice seeks responses to those modifications described below. Any representations or objections must be sent in writing to Keith Mason, Director of Regulatory Finance at Ofwat, Centre City Tower, 7 Hill Street, Birmingham B5 4UA (fax 0121 625 3609 or e-mail keith.mason@ofwat.gsi.gov.uk) to be received no later than 5.00 pm on Friday 2 July 2004.

Description of the Modifications and the reasons for them

On 1 October 2003, Macquarie Bank Limited (Macquarie) announced that it had acquired from French group Bouygues all of the equity of South East Water plc (now known as South East Water Limited) and its affiliated businesses for £386 million. The Company is a licensed water undertaker supplying 400 million litres of water per day to approximately 1.5 million people in the south-east of England, in a catchment area that covers some 3,600 square kilometres of Kent, Sussex, Surrey, Hampshire and Berkshire.

Since the transaction Macquarie has transferred its interest in South East Water into Macquarie Luxembourg Water Sarl—the controlling interest is ultimately held by Macquarie European Infrastructure Fund (MEIF). This is a pan-European dedicated infrastructure fund.

We issued a consultation paper on 10 November 2003. We invited views on Macquarie Bank's and MEIF's capacity to be the owner of a regulated water business, the current arrangements for the ring-fencing of the licensed water business and the need for modifications to South East Water's licence.

On the basis of responses to our consultation paper we consider that licence modifications are required.

Ring-fencing of South East Water

Ofwat wishes to ensure that South East Water's regulated business is ring-fenced from the other activities of its new owners. South East Water already has a number of the ring-fencing provisions. The following modifications will bring South East Water's licence up to the current standard for those Companies recently involved in merger or corporate finance activity. They are:

The Appointee shall use all reasonable endeavours to ensure that it, or any Associated Company as issuer of corporate debt on its behalf, maintains at all times an issuer credit rating which is an Investment grade rating; and

The Appointee must maintain a listing of a financial instrument and shall use all reasonable endeavours to retain the listing of that financial instrument, whose market price should react to the financial position of the Appointee's Appointed Business, on the London Stock Exchange or another exchange of similar standing.

The role of South East Water's owners

All water Companies need to have the active co-operation of their owners in carrying out their functions as water and sewerage undertakers and complying with the conditions of their Appointments. South East Water's licence currently requires it to procure from its previous owners, legally enforceable undertakings that they will:

- (a) give the Company all information it requires to comply with its licence;
- (b) refrain from any action which would be likely to cause or require the Company to breach any of its obligations under the Water Industry Act 1991 or its licence as a water undertaker;
- (c) ensure that the Company's Board contains not less than three independent non-executive Directors.

The text of this licence condition will be modified to require it to obtain such undertakings from its new owners. (104)
