- (b) the prior approval of the Local Planning Authority may be required for the demolition of buildings within the Conservation Area (application for approval must be made separately not as part of an application for planning permission for the development of a site within a Conservation Area);
- (c) in most cases, before any tree growing within the Conservation Area is pruned or felled, there is a requirement to submit a "Notice of Intent" to the Local Planning Authority. In the event that work is carried out without first giving the required notice, an offence may have been committed;
- (d) if it is intended to demolish any building or part of a building or to carry out any work which may in any way affect a tree within a Conservation Area, the advice of the Local Planning Authority should be sought; and
- (e) the Borough Council as Local Planning Authority, will exercise particular care to ensure that change, if and when it occurs, does not detract from the character or appearance of the area.

FCO—Visa Service In Pakistan

From 26 July the visa section of the British High Commission in Islamabad has temporarily suspended the visa service to first time visitors under the age of 25. This measure has been taken due to the current unprecedented level of total visa applications of around 1,300 applications a day. In order to provide a prompt service to the majority of applicants, we have reluctantly had to take this measure. However, applications from those under 25, applying in other categories, will continue to be accepted.
