National Assembly for Wales

FISHGUARD TO BANGOR TRUNK ROAD (A487)

FELINDRE FARCHOG IMPROVEMENT

ENVIRONMENTAL IMPACT ASSESSMENT

DETERMINATION BY THE WELSH ASSEMBLY GOVERNMENT UNDER SECTION 105(A) OF THE HIGHWAYS ACT 1980

The Minister for Economic Development and Transport, acting on behalf of the National Assembly for Wales, is considering whether to proceed with the above project for constructing or improving a highway for which it is the highway authority. The project involves the improvement of a 210 metre section of road, located on the A487 Trunk Road at Felindre Farchog, which is within the Pembrokeshire National Park Boundary. The main works comprise the realignment and widening of the existing road to a single carriageway at current standards to improve visibility, and the replacement of a sub-standard bridge. The bridge replacement is on line and will be constructed in a single operation facilitated by the installation of a temporary bridge, adjacent to the existing on the downstream side. This temporary bridge will be restricted to single lane traffic flow. It has been determined by the Welsh Assembly Government that the project is a relevant project within Annex II to Council Directive 85/337/EEC ("the Directive") as amended by Council Directive 97/11/EC and that it should be made subject to an environmental impact assessment in accordance with the Directive. In accordance with the above determination an Environmental Statement has been prepared. It identifies the following key environmental issues associated with the project, namely:

The effect of the project on the River Nevern and its tributaries.

The effect of the project on local populations of species protected by wildlife legislation.

The loss of woodland, hedgerows and trees.

The residential land which will be lost and the effect of this loss on the viability of the residents concerned.

The visual impact of the project on the area.

The way in which the project complies with the Welsh Assembly Government's policies and those of Pembrokeshire Coast National Park.

The Environmental Statement also identifies the following measures to be incorporated into the project in order to avoid, reduce or offset its adverse effects:

Areas of tree and shrub planting alongside the proposed improvement will help to screen views of the road and its traffic and replace the trees removed during construction.

To offset the impact on ecology and nature conservation, new planting and hedgerows will be established. The lengths of new hedges and the areas of replacement woodland scrub and mixed grassland will be equivalent to the losses incurred.

The new hedgerows, scrub and grassland will be species-rich and be plants of local provenance which are native to this part of Pembrokeshire.

Mammal underpasses will permit the safe movement of protected species and other mammals to minimise conflict with traffic.

Fencing will be erected to direct animals to the safe crossing points and avoid crossing the highway.

There will be a pre-construction ecological survey to take account of any changed circumstances that may require modifications to the mitigation measures.

To protect breeding birds, the removal of trees, shrubs and hedgerows will not be permitted during the bird-nesting season. Trees identified as being used by bats will be removed only at appropriate times.

Works near the River Nevern will only occur outside of the sensitive fish spawning times, to minimise any effect to fish species.

There will be on site monitoring of the effects of the works on the local environment during site clearance operations and the construction period.

The site boundary will be secured with stock proof fencing early in the contract period.

Copies of the Environmental Statement may be inspected, free of charge, at all reasonable hours from 27 August 2004 until 12 September 2004 at the following locations:

The Welsh Assembly Government, Transport Directorate, Cathays Park, Cardiff CF10 3NQ;

West Wales Trunk Road Agency, c/o Pembrokeshire County Council, County Hall, Haverfordwest, Pembrokeshire SA61 1TP;

Newport Post Office, Long Street, Newport, Pembrokeshire SA42 0TJ.

Any person may, not later than 12 September 2004, express an opinion on the published details of this project and Environmental Statement to the Welsh Assembly Government, Roads Administration Division 3, Transport Directorate, Cathays Park, Cardiff CF10 3NQ, quoting Ref CZ510-6-27-3. In the preparation of any expression of opinion it should be borne in mind that the substance of any objection or representation may be communicated to other people who may be affected by it.
