WATER RESOURCES ACT 1991/ENVIRONMENT ACT 1995

NOTICE OF PROPOSAL TO VARY CERTAIN LICENCES TO ABSTRACT WATER

Take notice that the Environment Agency (the Agency), in pursuance of section 52 of the Water Resources Act 1991, has formulated proposals for varying the licences listed in the attached Schedule to abstract water from the respective underground strata at the respective National Grid References and at the respective locations referred to within the said Schedule.

The proposal in each case is to vary the licence by extending the existing date of expiry to a new date of expiry (the "implementation date") in respect of the whole or relevant part of the appropriate abstraction licences. It is proposed that the existing date of expiry be varied to 31 December 2006. No other changes will be made to the relevant licences as a result of this proposal.

This proposal is being made as part of the implementation of the Agency's Habitats Directive Review of Consents Programme. The proposal will enable these licences to be considered at the same time as all other time limited licences in the same circumstances.

A copy of the proposals including draft licences with an amended date of expiry as proposed, a supporting statement relating to the Habitat Directive licence variation initiative, map, plans and other information or documents prepared in connection with them may be inspected, free of charge, at all reasonable hours at the respective addresses indicated in the Schedule and at the offices of the Agency at Isis House, Howbery Park, Wallingford, Oxfordshire. During the period beginning on 8 November 2004 and ending on 8 December 2004.

If you, as the holder of any of the licences listed in the above Schedule, wish to object to the proposals, you may give notice in writing to the Agency. Any other person who wishes to make representations about the proposals may do so in writing to the Agency also at the address in the preceding paragraph, and before the end of the said period. Please quote the relevant licence number given in the Schedule when making objections or representations.
