The Order will authorise Centro to construct and operate an 11km extension to the Midland Metro light rapid transit system, running from Wednesbury to Brierley Hill, via Dudley town centre.

In making this determination, the Secretary of State has complied with the requirements of paragraphs (a) to (c) of section 14(3A) of the Act about consideration of the environmental statement and of representations relating to it. For the purposes of section 14(3AA) of the Act he confirms that the main measures to avoid, reduce and, if possible, remedy any major adverse environmental effects are those set out in the conditions that he intends to attach to the deemed planning permission and in the Code of Construction Practice, referred to in his decision letter.

As the Order would authorise the compulsory purchase of open space, for which no land is to be given in exchange, the Order will be subject to section 12 of the Act. This section requires that the Order be subject to Special Parliamentary Procedure in accordance with section 19 of the Acquisition of Land Act 1981 and laid before Parliament. The Order will come into force if and when the Special Parliamentary Procedure is successfully completed.

Copies of the letter setting out the full terms of the Secretary of State's determination may be obtained from the Department for Transport, TWA Orders Unit, 9th Floor Southside, 105 Victoria Street, London SW1E 6DT. Copies of the Order (once made) may be obtained from the Stationery Office Limited or through booksellers.

Vale Royal Borough Council

NOTICE OF DESIGNATION AND ALTERATION OF CONSERVATION AREA

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTION 69

MARSTON (LION SALT WORKS) REVISED CONSERVATION AREA

Notice is given under the provisions of the said Act that Vale Royal Borough Council as local planning authority, after a period of consultation, has determined that the area described in the Schedule to this notice is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance. Therefore on 25 November 2004, it designated the Marston (Lion Salt Works) Revised Conservation Area, thereby superseding the Marston (Lion Salt Works) Conservation Area of 5 April 1979. That earlier designation is therefore cancelled.

The principal effects of this designation are as follows:

1. The Council is under a duty to prepare proposals to ensure the preservation or enhancement of the area;
2. In carrying out its functions under the Planning Acts, and in particular determining applications for planning permission and listed building consent, the Council and the Secretary of State are required to take into account the desirability of preserving or enhancing the character or appearance of the area;
3. Permitted development rights are more restricted within the designated area;
4. Consent must be obtained from the Council for the demolition of any building in the area (subject to certain exceptions);
5. Special publicity must be given to planning applications for development in the area; and
6. Six weeks' notice must be given to the local planning authority before any works are carried out to trees within the designated area. It becomes an offence, subject to certain exceptions, to cut down, top, lop, uproot, wilfully damage or destroy any tree in the area without the prior written consent of the local planning authority.

F Crane, Head of Legal and Administrative Services
Corporate and Economic Affairs Directorate, Wyvern House, The Drummer, Winsford, Cheshire CW7 1AH.

SCHEDULE

Marston (Lion Salt Works) Revised Conservation Area

For simplicity, references to orientation assume that Ollershaw Lane runs on a North-South axis through Marston.

Commencing in the north of the area on Ollershaw Lane at the point where the footpath intersects the road (approximately 160 metres north of the canal bridge) and running clockwise—

The boundary runs in an easterly direction along the post and wire fence to the left of the agricultural track until in line with the concrete post and wire mesh perimeter fence of the adjacent industrial building, where it turns and runs south to the canal to encompass the flash pool and rough grassland area;

It turns easterly along the centre-line of the canal until in line with the rear boundaries of the housing in Wincham, where it turns south and follows the rear garden fence line to a steel kissing gate;

Here it turns to run in a westerly direction across the field to Cross Street spanning a straight line between the two kissing gates to enclose the open space to the south-east of the Lion Salt Works;

From the centreline of Cross Street, the boundary turns to run in a southerly direction along the boundary fence of No 20, turning at the rear of the property to run westerly along the rear boundary line of the houses on the south side of Cross Street and of No 8 Ollershaw Lane to the centre-line of Ollershaw Lane;

Here it turns north until in line with the southern boundary of No 29 where turning west, it follows that boundary before turning south along the western boundary of Alexandria to the centre-line of The Avenue where it again turns west and continues to meet the southern curtilage boundary of No 10 The Avenue, which it follows west, then round to the north, and straight along the rear curtilage of the Salt Barge site to the access track;

It then runs in a westerly direction beside the galvanised fencing along the left hand verge of the rough vehicular access track to enclose the woodland area to the south of the canal towpath;

When in line with the post and wire livestock fence to the north of the canal it turns and runs in a northerly direction in a straight line over the canal to meet this fence, then continues to follow it in a generally northern direction to enclose the collapsed shaft, pastureland and flash pool;

The boundary then turns through a right angle and running in an easterly direction, follows a post and wire fence, alongside a farm building and along another post and wire fence until it reaches the steel perimeter boundary fence of the gas bottle depot, which it follows back to Ollershaw Lane;

It then runs south down the centre of Ollershaw Lane until in line with the footpath.

A map and adopted written appraisal of the Conservation Area can be inspected, free of charge, during normal office hours at the offices of Vale Royal Borough Council at Wyvern House in Winsford, and at the Northwich Information Centre. (102)

NOTICE OF SEIZURE UNDER CUSTOMS AND EXCISE MANAGEMENT ACT 1979

This is a Notice of Seizure given by the Commissioners of Customs and Excise under section 139(1) and (6) of the Customs and Excise Management Act 1979 and paragraph 1 of Schedule 3 thereto.

The Commissioners of Customs and Excise hereby give you notice that certain goods, namely:

Thirty-seven pieces of telecommunications equipment, detained by HM Customs & Excise on 13 March 2003 at the premises of Bishopsgate Specialist Installations

have been seized under section 139(1) of the Customs and Excise Management Act 1979 as being liable to forfeiture upon one or more of the following grounds:

1. Under section 68(1)(b) of the Customs and Excise Management Act 1979 in that they were brought to a place in the United Kingdom namely Skyport Airfreight Ltd, Johnson Street, Southall, Middlesex and/or Bishopsgate Specialist Installations, 763A Henley Road, Slough Trading Estate, Slough, Berkshire, for the purposes of being exported, and such exportation would be contrary to the prohibition or restriction upon export in force by one or more of the following:

(a) Council Regulation (EC) No 1334/2000 of 22 June 2000;

(b) The Export of Goods (Iraq and Kuwait Sanctions) Order 1990 SI 1651 as amended.

2. Under section 170(6) of the Customs and Excise Management Act 1979 in that they were goods in respect of which a person was guilty of an offence under section 170 of that Act.

3. Under section 141(1)(b) of the Customs and Excise Management Act 1979 as being mixed packed or found with goods liable to forfeiture under (1) and/or (2) above.

If you claim that the goods are not liable to forfeiture, you must within one month from the date of this notice of seizure give written notice of your claim in accordance with paragraph 3 of Schedule 3 to the Customs and Management Act 1979. Such written notice should be sent to the following address:

Room W2/3, Custom House, Lower Thames Street, London EC3R 6EE.

If you are outside the United Kingdom you must specify the name of a Solicitor in the United Kingdom who is authorised to accept service of process and to act on your behalf.

If you make such a claim within that time, legal proceedings will be taken for the condemnation of the goods.

These are civil proceedings, which you should attend to explain to the court why you feel the goods should not be condemned as forfeit.

You may be legally represented at these proceedings if you wish. It will be a matter for the Court to decide whether or not the goods should be condemned and forfeiture confirmed.

If you do not give valid notice of claim, the goods will be deemed to have been duly condemned as forfeit.

You may not want to contest the legality of the seizure but still wish to regain possession of the goods. The Commissioners may exercise their powers under section 152(b) of the Customs and Excise Management Act 1979 to return goods, which have been lawfully seized. An application for the return of the goods should be sent in writing within one month of the date of this notice to the following address: Room W2/3, Custom House, Lower Thames Street, London EC3R 6EE. You will be advised whether the goods can be returned and, if so, the sum required for their release.

T Wilson, Officer of Customs and Excise
