3. The general effect of Order B will be to provide, as an experiment, for an alternative method of payment of the parking charge at all ticket parking metered (pay and display) parking places within all of the Borough's parking zones so that:

(a) drivers who have a valid parking card form of the resident's parking permit for a particular zone will be able to initiate payment of the parking charge in any other zone by electronic means, using mobile telephone or internet connection to contact a payment centre, when that vehicle is left in a ticket parking metered parking place. The payment process is terminated by contacting the payment centre again on departure from the parking place.

(b) the parking charge, the maximum length of stay and other conditions that apply for leaving a vehicle in a ticket parking metered parking place will be the same as if payment were made at the ticket parking meter relating to that parking place.

6. The Council will consider in due course whether the provisions of the Orders should be reproduced and continued in force indefinitely by means of an Order under sections 45, 46 and 49 of the Road Traffic Act 1984. Any person wishing to object to the making of an Order for the purpose of such reproduction and continuation may, within the above-mentioned period of 6 months, send a statement in writing of their objection and the grounds on which it is made to the Head of Highways and Engineering Services at the address above.

7. Any person desiring to question the validity of the Orders or of any provision contained in them on the grounds that it is not within the relevant powers of the Road Traffic Regulation Act 1984, or that any of the relevant requirements of that Act or of any relevant regulations made under that Act have not been complied with in relation to the Orders may, within 6 weeks from the date on which the Orders were made, make application for the purpose to the High Court.
