TOWN AND COUNTRY PLANNING ACT 1990

NOTICE OF ADOPTION OF ALTERATIONS TO A LOCAL PLAN

SPELTHORNE BOROUGH LOCAL PLAN

On 24 December 2004 Spelthorne Borough Council adopted alterations to Policies H5 and H6 of the Spelthorne Borough Local Plan. The adopted alterations will form part of the development plan for the area of Spelthorne Borough Council. The development plan forms the basis for decisions on land use planning affecting that area.
Copies of the adopted alterations are available for inspection at the Council Offices, Knowle Green, Staines, Middlesex TW18 1XB on Monday to Thursdays 8.45 am to 5.00 pm and Fridays 8.45 am to 4.45 pm.
The alterations came into operation on their adoption. A person aggrieved by the proposals who desires to question their validity on the ground that they are not within the powers conferred by Part 2 of the Town and Country Planning Act 1990, or that any requirement of that Act or any regulation made under it has not been complied with in relation to the adoption of the proposals, may, within 6 weeks from 13 January 2005, make an application to the High Court under section 287 of the 1990 Act.

13 January 2005. (101)

Swale Borough Council

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice is hereby given that Swale Borough Council, in pursuance of its powers under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, has determined that the following areas, as more fully described in the Schedule to this notice, are areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance, and that the Council has accordingly designated them as conservation areas:

(a) Faversham
(b) Preston Next Faversham
(c) Ospringe

Designation has a number of effects, the principal ones of which are that:

(i) Conservation area consent must be obtained from the Council before unlisted buildings (other than excepted buildings) within the conservation area are demolished.
(ii) Six weeks' notice must be given in writing to the Council before any tree is cut, topped, lopped, uprooted or otherwise subjected to works. There are exceptions to this requirement; for example trees which are covered by a Tree Preservation Order and trees which are dying, dead or dangerous are subject to separate procedures.
(iii) Permitted development rights under the Town and Country Planning (General Permitted Development) Order 1995 as amended (which allow for certain alterations and extensions to properties and cetain other minor forms of development to take place without the need for planning permission) are more limited within conservation areas; for example, planning permission may be required for works consisting of or including the exterior cladding of buildings.
(iv) In carrying out its functions under the Planning Acts the Council is required to pay special attention to the desirability of preserving or enhancing the character or appearance of the area.

Full details of the effect of designation, and copies of the Council's supplementary planning guidance booklet on "Conservation Areas", can be obtained from the Planning and Building Control Services section of the Council at the address below.
The existence of the Conservation Area referred to in the Schedule below will be revealed by Local Land Charge Searches against properties included in the areas.
Definitive plans of the conservation areas showing the boundaries marked with a black line, which take precedence over the Schedule, may be inspected in the Planning and Building Control Services section of Swale Borough Council at the address given below during normal office hours. Copies of the plans will also be available for inspection at the Council's District Office in Preston Street, Faversham. Copies of the plans have been deposited with the clerk to the Faversham Town Council, and a copy of the plan relating to Ospringe has been deposited with the clerk to Ospringe Parish Council.
