Department for Transport

HIGHWAYS ACT 1980 AND ACQUISITION OF LAND ACT 1981

A4071 RUGBY WESTERN RELIEF ROAD

Notice is hereby given that the Public Local Inquiries in connection with the Orders mentioned below held by Mr T Millington (a person appointed for that purpose by the Secretary of State for Transport) on 29 April 2003, 30 April 2003, 1 May 2003 and 2 May 2003 will be re-opened by Mr A L Roberts at the Masonic Hall, Church Walk, Rugby CV21 3AZ on 15 March 2005 to hear further representations from persons interested in the land concerned and, at his discretion, representations from any other persons who may desire to appear and be heard.

In consideration of the evidence then before the Secretary of State for Transport and following the previous Inquiries, the Secretary of State came to a view that, other than for that length between Leicester Road (A426) and the Avon Mill roundabout and Lawford Road (A428), the northern section, the case for Warwickshire County Council's Orders route for the Rugby Western Relief Road had not been made out, against the suggestion for an alternative route alignment along the dismantled railway line, and for certain other of its components. Warwickshire County Council have now advised the Secretary of State that it would not seek to proceed separately with a northern section only of its Relief Road, but have submitted further reasons, and what it considers justification, for the Orders Relief Road route in its entirety, rather than a dismantled railway line route as being a better alternative. To enable the Secretary of State to come to a decision on the Orders, the Inspector has in particular been asked to obtain further information and to consider further submissions:

1. With regard to the Council's proposed route from the Improved A428 Lawford Road south-westwards to Potford's Dam Farm:

Potford's Dam Link

(a) whether there is a pressing need for the Rugby Western Relief Road to incorporate the Potford's Dam Link (from Cawston to Potford's Dam) and, were that not considered to be the case, whether the use of Cawton Grange Drive would be an appropriate alternative for the southern link of the Relief Road;

(b) whether or not the Potford's Dam Link road design and created access at Potford's Dam Farm would be of an acceptable standard to introduce with the Rugby Western Relief Road;

Route Alignment

(c) About:

- (i) the potential effects upon badgers;
- (ii) the suggested need for retention of the dismantled railway, in considering any indicative plans for its prospective re-opening;
- (iii) use of the dismantled railway as a walking/cycling track (with the possibility of it becoming part of the National Cycle Network); and
- (iv) aspects of increased cost and delay,

in considering whether the alternative route alignment, for the countryside section of the Rugby Western Relief Road, along the dismantled railway line, would provide a better route than the Council's Orders route.

2. About matters raised in the Inspector's report following the previous inquiries:

- (a) whether or not Bilton Lane where it junctions with the north-west side of the proposed Rugby Western Relief Road should be closed;
- (b) whether or not footpath R126 should be retained as an underpass where crossed by the Rugby Western Relief Road;
- (c) whether or not the proposed footway/cycleway arrangement of the Rugby Western Relief Road eastwards towards Lawford Road from Bilton Lane should switch to its western side from its eastern side, south-westwards from Bilton Lane junction;
- (d) whether or not the land proposed for landscaping and a balancing pond at chainage 1,900-2,080 metres is excessive and should be reduced consistent with a reduced pond boundary;
- (e) whether or not the Rugby Western Relief Road adverse environmental impacts upon Lodge Farm holiday cottage and touring caravan site will be sufficiently mitigated by the noise barrier and landscaping proposed by the Council; and
- (f) whether the land acquisition plans for a multi-purpose ecological mitigation area (between chainage 1,050 and 1,300 metres) for newts and badgers, are justified.

3. At the discretion of the inspector, Mr A L Roberts, any other matter considered relevant to the Council's proposals for the Rugby Western Relief Road, or of alternative routes which have been suggested. The Orders are Orders which have been made by Warwickshire County Council under the above-mentioned Acts and submitted to the Secretary of State for Transport for confirmation and are:

(1) The Warwickshire County Council (A4071 Rugby Western Relief Road) (Side Roads) Order 2002. This is an Order under sections 14 and 125 of the Highways Act 1980, which, if confirmed, will authorise Warwickshire County Council to:

- (a) carry out the improvement of highways,
- (b) stop-up highways,
- (c) construct new highways,
- (d) stop-up private means of access to premises, and
- (e) provide new means of access to premises

all in relation to the classified road being (i) the A4071 which the Council propose to improve from a point 120 metres south east of the access to Potford's Dam Farm to a point 50 metres west of the bridge carrying the dismantled Rugby to Leamington Railway over the A4071 near Cawston; (ii) the highway which the Council propose to construct from the latter point to a point at the junction of the A428 Lawford Road and C80 Parkfield Road; (iii) the C80 Parkfield Road which the Council propose to improve from the latter point to the existing bridge over the West Coast Mainline Railway; (iv) the highway which the Council propose to construct from the latter point to a point on the B4112 Newbold Road 60 metres south east of the south east access of Avon Valley School; and (v) the B4112 Newbold Road which the Council propose to improve from the latter point to the A426/B4112 Avon Mill roundabout.

(2) The Warwickshire County Council (A4071 Rugby Western Relief Road) Compulsory Purchase Order 2002. This is an Order under sections 239, 240, 246 and 250 of the Highways Act 1980 and under section 2 of the Acquisition of Land Act 1981, which, if confirmed, will authorise Warwickshire County Council to purchase compulsorily the land and rights over land described therein for the purpose of;

- (i) the construction and improvement of the classified road described in (1) above;
- (ii) the construction of new highways, the improvement of highways and the provision of new means of access to premises in pursuance of the Side Roads Order mentioned at (1) above;
- (iii) use by the said Council in connection with the above works; and
- (iv) to mitigate the adverse effects which the existence or use of the highways proposed to be constructed or improved will have on their surroundings.

Copies of the above-mentioned Orders and of the plans referred to therein have been deposited and may be seen at all reasonable hours, free of charge, at the offices of Warwickshire County Council, Shire Hall, Warwick, at the offices of Rugby Borough Council, Town Hall, Evreux Way, Rugby and at Rugby Library, Little Elbow Street, Rugby.
