Whereas the Council is satisfied that as a result of its Stage 4 Assessment of Air Quality carried out in 2003, it appears that following the subsequent air quality review it was unlikely that Birmingham would be able to comply fully with the target levels of emissions of both nitrous oxide and PM10 particulates by 2010.

Therefore the Council, in exercise of the powers conferred on it by section 83(2)(b) of the Environment Act 1995, hereby made on 5 May 2005 the following Order varying the Birmingham City Council Air Quality Management Area Order ("the Order").

1. The area shown on the map to the Order in blue being the whole of the Birmingham city, which forms part of the Order known as the Air Quality Management Order, shall be varied to include PM10 fine particulate matter. The map may be viewed during normal office hours from Monday to Friday for the next 6 weeks from 17 May 2005 at the Council House, Victoria Square, Birmingham B1 1BB.

2. The Order is known as the Birmingham City Council Air Quality Management Area Variation Order 2005.

3. The Order came into force on 5 May 2005.
