ABBOTS MORTON AND CHILDSWICKHAM CONSERVATION AREAS

Notice is given under the provisions of the Planning (Listed Buildings and Conservation Areas) Act 1990, that Wychavon District Council has determined, on 12 July 2005, that the undermentioned areas of Abbots Morton and Childswickham are areas of special architectural or historic interest, and that it is desirable to preserve their character or appearance. It has accordingly extended the Abbots Morton and Childswickham Conservation Areas so as to include these areas.

Abbots Morton:

The inclusion of: the scheduled ancient monument to the north and west of St Peter's Church;

land at Tudor Cottage; and

land and orchard to the south of White's Close.

Childswickham:

The inclusion of: gardens surrounding The Old Manor House; and farm building to the rear of Memorial Hall.

The principal effects of these areas being included within a Conservation Area are as follows:

1. The Council has a duty to prepare proposals to ensure the preservation or enhancement of the areas.
2. Consent must be obtained from the Council for the demolition of certain buildings in the areas.
3. Six weeks' notice must be given to the Council before works are carried out to any tree in the areas.
4. Special publicity must be given to planning applications for development in the areas.
5. In carrying out any functions under the Planning Acts the Council and the Secretary of State are required to take into account the desirability of preserving or enhancing the character or appearance of the areas.

The Council on the same date has determined that the undermentioned areas of Abbots Morton and Childswickham Conservation Areas are no longer of special architectural or historic interest and reduced the Conservation Area so as to exclude these areas.

THE UNIVERSITY OF OXFORD PUBLIC PROCUREMENT

On the basis of its accounts, forecasts and other financial information, the University of Oxford has calculated that less than half of its income for the budgetary year 1 August 2005 to 31 July 2006 will be public funding derived from public sources. Consequently the University of Oxford will not be a "contracting authority" for the purposes of the European Council Public Procurement Directives during that budgetary year. Procurement contracts awarded during the year will not therefore fall within the scope of the Directives. (150)
