Cherwell District Council

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice is hereby given that Cherwell District Council has, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, designated the area as described in the Schedule below as the Ardley Conservation Area. A plan of the said area may be inspected at the Cherwell District Council offices, Bodicote House, Bodicote, Banbury, Oxfordshire, or at the Area Office, 38 Market Square, Bicester, during normal office hours.

The effects of designation are:

1. Cherwell District Council, as the local planning authority, will exercise particular care to ensure that change, when it occurs, will preserve or enhance the appearance and character of the Area.
2. All planning applications for the development which would affect the character of the Area must be advertised and site notices must be posted so that the maximum opportunity for the comment is given to the public before a decision is reached.
3. Cherwell District Council, as the local planning authority, will require planning applications in this Conservation Area to be accompanied by sufficient details to enable the impact of the proposed development on the character of the Conservation Area to be assessed. This may include details to scale, massing, design and materials of buildings and their relationship to existing buildings.
4. No building in a conservation area may be demolished without conservation area consent having first been obtained from the local planning authority. (For alteration, demolition or extension of listed buildings in a conservation area, listed building consent must be applied for, and this takes precedence over conservation area consent.) Exceptions to this rule are those laid down in section 75 of the Planning (Listed Buildings and Conservation Areas) Act 1990, paragraph 4.25 of PPG 15, and paragraph 28 of Circular 14/97). These exceptions mainly affect small buildings within the curtilage of a dwellinghouse; gates, walls, fences or other enclosures below a certain height; temporary buildings; certain agricultural and industrial buildings; and buildings required to be demolished under the provisions of the Town and Country Planning Act 1990, The Housing Act 1985 or the Pastoral Measure 1983. Planning Permission is required for some alterations to dwellings due to their location within conservation areas. This control is exercised over all dormer windows and external cladding.
5. It is an offence to cut down, top, lop, uproot or wilfully damage or destroy any tree (not already the subject of a tree preservation order) in a conservation area without giving 6 weeks notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, to trees which do not exceed 75mm (3 inches approximately) in diameter, or to certain other trees, details of which can be obtained from the address above.

G J Handley, Chief Executive
Cherwell District Council, Bodicote House, Bodicote, Banbury, Oxfordshire OX15 4AA.

SCHEDULE

The Conservation Area boundary can be summarised as follows:

- (a) *Southern boundary*—the boundary is to the south of White Cottage, heads north to the curtilage of the Old Rectory, and west to the Earthworks. (White Cottage, the Old Rectory and the Earthworks are within the Conservation Area).
- (b) *Western boundary*—the boundary extends from the Earthworks northwards to the south of Laburnum Cottage and adjacent to Meadowbank, and crosses Somerton Road, whilst including Hunter's Cottage. (Laburnum Cottage and Hunter's Cottage are included within the Conservation Area and Meadowbank is excluded.)
- (c) *Northern boundary*—the boundary circumnavigates the Ardley meadow extending to the eastern side of Station Road. (Ardley Meadow is included within the Conservation Area and the former garage site is excluded.)

(d) *Eastern boundary*—east of Station Road, including the historic buildings associated with the public house. (The public house and associated historic buildings are included within the Conservation Area.)
