and in the Matter of the Companies Act 1985

The Company proposes to implement a solvent Scheme of Arrangement (the "Scheme") under section 425 of the Companies Act 1985 and will apply to the High Court in England at the Royal Courts of Justice, Strand, London, on 4 October 2005, at 10.00 am, or as soon as possible thereafter, for permission to convene a single Meeting of affected Creditors to vote on the Scheme.

The Scheme will conclude the run-off of the business earlier than would be the case if claims were left to mature in the normal course of business. Under the Scheme, Creditors whose claims are not certain in value will be paid an estimated value of their future claim.

For the Scheme to be implemented, it must be approved by a majority in number, representing not less than 75% in value, of those Creditors who vote at a Creditors' Meeting or at each Creditors' Meeting, if there is more than one. Where Creditors have rights which are so different as to make it impossible for them to consult together with a view to their common interest, then they must be split into separate classes and a separate Meeting must be held for each class. The Company is of the opinion that it is possible for all Scheme Creditors to vote at the same Meeting. The Company therefore intends to convene only one Meeting of Scheme Creditors.
