North Lincolnshire Council

PUBLIC NOTICE PURSUANT TO PART II, CONSERVATION AREAS, DESIGNATION, SECTION 70(8) OF THE PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

NOTICE OF DESIGNATION, VARIATION OR CANCELLATION

In accordance with the provisions of section 69(2) of the Act, referred to above (herein after referred to as "The Act"), North Lincolnshire Council has reviewed its area to determine whether any parts or any further parts of its area should be designated as conservation areas. Accordingly on 30 June 2004 and subsequently on 29 September 2004, following extensive publicity and public consultation, North Lincolnshire Council resolved to leave unchanged the conservation area boundary of the settlement of Normanby in the Parish of Burton-upon-Stather, and to amend the boundaries of its conservation areas in the settlements of Alkborough, Crowle, Kirton-in-Lindsey and Redbourne, in the following ways.

In Alkborough the extent of the conservation area will be varied so as to include land and properties at:

Prospect Farm—the boundary will follow a public footpath from the spring at the west of "Prospect Farm", to the west corner of the garden to "Dove View".

Spring Gate Farm—from "Holme Farm", the boundary will run east to include a Dutch barn and a property called "Butts Hill". It will then run north-east to join the existing boundary as it meets Huteson Lane.

In Crowle the extent of the area will be varied so as to remove:

Land and properties at Potts Lane—land comprised of modern late 20th century housing and a car park on the south side of the street, and;

Include:

37 North Street, this property forms part of a group that is already included.

In Kirton in Lindsey to extend the conservation area so as to link together the two separate parts. This would include historic properties in Church Street, March Street, Queen Street, Wesley Street and Wray Street and a number of modern houses, particularly in March Street and Queen Street. These detached or semi-detached properties however, tend to sit back from the road with relatively spacious front gardens, so their immediate impact on the street scene is lessened. More importantly, extension to the area will include a large number of unlisted historic buildings identified in the Appraisal as "Buildings of Townscape Merit".

In Redbourne the extent of the conservation area will be reduced by the deletion of new housing at the south-west boundary of the village.

Land bounding this housing however, contains a number of important trees that are also important on the approach to the village. The land containing these trees will therefore be retained within the conservation area.

The effect of the resolution adopted by the Council is:

(a) To modify the extent of the conservation areas as described above.
(b) To apply various provisions of the Planning (Listed Buildings and Conservation Areas) Act 1990 and the Town and Country Planning Act 1990 as they relate to conservation areas, to the areas as extended and to remove the application of these provisions from the cancelled areas; in particular provisions relating to the control of demolition and of certain works to trees.

(c) To allow for greater control by the Local Planning Authority over works of extension and alteration to residential and other properties in a conservation area.

(d) To require the designation of any area as a conservation area to be registered and administered as a local land charge.

Copies of the Council's resolution in this matter and the detailed report that it received in reaching its decision to modify the extent of these conservation areas as described above (together with plans and other relevant documents), are available for inspection through the Council's Planning and Regeneration Service.
