THE BOROUGH COUNCIL OF PENDLE PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

BARNOLDSWICK CORN MILL AND VALLEY GARDENS CONSERVATION AREA (NO 2 OF 2003) (VARIATION) (NO 2 OF 2005)

Notice is hereby given that the Borough Council of Pendle, has varied the Barnoldswick Corn Mill and Valley Gardens Conservation Area (No 2 of 2003), in accordance with section 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990. A map of the varied designated area may be inspected, during office hours, at the offices of Borough Council of Pendle, Council Shop, Station Road, Barnoldswick, Lancashire.

The varied Conservation Area is called Barnoldswick Corn Mill and Valley Gardens Conservation Area (No 2 of 2003) (Variation) (No 2 of 2005) and a brief description of the variation to the designated area is as follows:

The boundary of the designated area has been varied to include an area around The Butts, bounded by Taylor Street, Butts Mill and Commercial Street.

The purpose of the varied designation is to preserve and enhance the character and appearance of the area and to ensure that special regard is paid to the architectural and visual qualities of the designated area as a whole when proposals for development are under consideration.

The effect of the varied designation is to impose important control on development in the area. Demolition of any building or part of a building within the area is generally an offence unless consent has been granted by the Local Planning Authority. Where an application for planning permission is made and the development would, in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area, the application would be the subject of special publicity procedures under section 73 of the 1990 Act. Some types of development which are permitted by the Town and Country Planning (General Permitted Development) Order 1995, are restricted within a Conservation Area. With a very few exceptions all trees in a Conservation Area are protected. Before certain trees can be felled, topped, lopped, or uprooted it will be necessary to give at least 6 weeks' notice to the Local Planning Authority and any persons found executing works against trees such as cutting down, topping, lopping, uprooting and wilful destruction or damage without prior consent from the Local Planning Authority will be guilty of an offence. The right to display certain types of illuminated advertisements without express consent under the Town and Country Planning (Control of Advertisements) Regulations 1992 is excluded.
