(This notice is about the introduction of PCT Permits to allow Primary Care Trust healthcare workers to park at certain parking places within the Council's Controlled Parking Zones and in Waylett Place and in the Council's car parks.)

1. Notice is hereby given, that the Council of the London Borough of Lambeth (the "Council"), on 26 January 2006, made the Lambeth (Parking Places) (Amendment No 1) Order 2006, the Lambeth (Parking Places) (Amendment No 1) Experimental Traffic Order 2006, and the Lambeth (Off-Street Parking Places) (Amendment No 1) Order 2006, under sections 9, 35, 45, 46, 49 and 124 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984. The Orders will come into force on 6 February 2006.

2. The general effect of the Orders will be to provide for the introduction of primary care trust permits ("PCT Permits") which will allow primary care trust health care workers to leave their vehicles:

(a) in the on-street "metered" and "pay and display" parking places (including shared-use parking places where "metered" or "pay and display" parking is permitted as an option) in any of the Council's Controlled Parking Zones or in Waylett Place; or

(b) in parking bays (other than those for specified vehicles such as disabled person's vehicles) in any of the Council's off-street car parks.

(NOTE: The on-street parking places in the Stockwell "S", Clapham "L" and Brixton Hill East "Q" Controlled Parking Zones are provided by virtue of experimental orders ("the original Experimental Orders")

which will be varied by the Lambeth (Parking Places) (Amendment No 1) Experimental Traffic Order 2006, see paragraph 8 below.)

3. The Orders will provide that:

(a) health care workers, employed by a Primary Care Trust, who use their vehicles in the course of their work to visit residents of the London Borough of Lambeth in their homes, will be eligible to apply for a PCT permit for use during the controlled hours in any of the on-street parking places or during the opening hours of the car parks in any of the parking bays, referred to in paragraph 2 above;

(b) PCT permits will be issued by the Council or its authorised agents, on application being made by the health care worker or the Primary Care Trust by whom such worker is employed and on payment of the appropriate charge set out in sub-paragraph (c) below;

(c) the charge in connection with the use of the new PCT permits will be £100 for 12 months, £60 for 6 months, or £40 for 3 months and a charge of £25 will be made for replacement permits in cases where the original permit is lost or destroyed, or where it is defaced or the details on the permit become illegible).

(4) The Orders are necessary to meet a demand for primary care trust health care workers to be able to find sufficient on-and off-street parking space, so that they can carry out their primary care duties which involve making home visits.

5. For further information about the Orders please telephone 020 7926 9000 and select option 4 (for transport and highways enquiries).

6. Copies of the Orders and of other documents giving more detailed particulars of them are available for inspection, from 9.30 am until 4.30 pm, on Mondays to Fridays inclusive (except Bank Holidays) at the offices of the Transport and Highways Group, 3rd Floor, Blue Star House, 234-244 Stockwell Road, London SW9 9SP, from 27 January 2006 until:

(a) in the case of the Lambeth (Parking Places) (Amendment No 1) Experimental Traffic Order 2006, until the original Experimental Orders cease to have effect; and

(b) in the case of the other two Orders, until the last day of a period of 6 weeks beginning with the date on which the Orders are made.

7. If any person wishes to question the validity of the Orders or of any provision contained therein on the grounds that it or they are not within the relevant powers of the Road Traffic Regulation Act 1984, or that any of the relevant requirements of that Act, or of any instrument made under that Act have not been complied with in relation to the Orders may, within 6 weeks from the date on which the Orders were made, make application for the purpose to the High Court.

8. The Council will be considering in due course whether the provisions of the original Experimental Orders (as amended by the Lambeth (Parking Places) (Amendment No 1) Experimental Traffic Order 2006), should be continued in force indefinitely by means of permanent Orders made under section 6 of the Road Traffic Regulation Act 1984. Any person may object to the making of the permanent Orders for the purpose of such indefinite continuation, within a period of 6 months beginning on 6 February 2006, or, if the original Experimental Orders are varied by another Order or modified pursuant to section 10(2) of the 1984 Act, beginning with the day on which the latest variation or modification came into force. Any such objection must be in writing and must state the grounds on which it is made and be sent to the Head of Transport and Highways Group, London Borough of Lambeth, 3rd Floor, Blue Star House, 234-244 Stockwell Road, London SW9 9SP. TRANSPORT FOR LONDON

Transport for London hereby gives notice that it is consulting on draft revisions to the Mayor's Transport and Air Quality Strategies to enable the introduction of a London Low Emission Zone (LEZ).

The Mayor of London has delegated responsibility to TfL to prepare limited revisions of his Transport and Air Quality Strategies, to allow for a Low Emission Zone (LEZ) which would cover the whole of the Greater London area. The LEZ would seek to deter the most individually polluting vehicles from driving in Greater London by charging them if they did not meet certain emission standards. The same text is proposed for both Strategies to ensure they are consistent. No other sections of either strategy are proposed to be updated, and all the remaining policies and proposals would still apply.

The Draft Revisions to the Strategies explain why the Low Emission Zone (LEZ) has been proposed, which area would be affected, which vehicles would be affected, how the proposed LEZ would work, the likely impacts of the LEZ and the possible alternatives to a LEZ.

On behalf of the Mayor, TfL is undertaking a public consultation on the Draft Revisions to the Transport and Air Quality Strategies from 30 January 2006, to run for 12 weeks and ending on 24 April 2006.

Copies of an information leaflet summarising the proposed, *A proposal to introduce a London Low Emission Zone* will be sent to every London borough for distribution at public buildings. Attached to the leaflet is a questionnaire. Two versions of the questionnaire have been prepared, one specifically aimed at business respondents and one for the general public. The questionnaires can be returned to TfL via a freepost address given in the leaflet, or by completing an online questionnaire which is available at www.tfl.gov.uk/tfl/low-emission-zone. If consultees wish to make any additional comments to those provided on the questionnaire, these can be enclosed together with the questionnaire in an envelope and returned to Business Reply License No RLUA-CUHG-JGKL, Low Emission Zone Consultation, Chiswick Gate, 598-609 Chiswick High Road, London W4 5RT.

Copies of the *Transport and Air Quality Strategy Revisions: London Low Emission Zone—Draft for Public and Stakeholder Consultation*, leaflet and other supporting documents that give details of the proposal can be downloaded from TfL's website, at www.tfl.gov.uk/tfl/low-emission-zone or obtained by phoning 08457 22 45 77. Copies may also be inspected, during normal office hours, at the offices of Transport for London, Faith Lawson House, 15 Dacre Street, London SW1H 0DJ.

Any person or organisation may make written representations or comment on the Draft Revisions to the Transport and Air Quality Strategies. All representations and completed questionnaires must be received by 24 April 2006.
