Any such objections or representations will be entered into a public register unless the person making them requests in writing that they should not be so placed. If there is such a request, the register will only include a statement that there has been a request.
This application is subject to the Public Participation Directive. This means the Environment Agency will consult on the draft variation notice before finally determining this application. The draft notice will be placed in the public registers and advertised on the Environment Agency website at www.environment-agency.gov.uk/draftdecisions.

Environment Agency

WATER RESOURCES ACT 1991 (AS AMENDED BY THE ENVIRONMENT ACT 1995)

NOTICE OF APPLICATION FOR CONSENT IN PURSUANCE OF SCHEDULE 10

Notice is hereby given, in accordance with the Water Resources Act 1991, as amended by the Environment Act 1995, that an application has been made to the Environment Agency by Anglian Water Services Limited for a variation of the consent to discharge treated sewage effluent from Papworth Everard Sewage Treatment Works, Cambridgeshire.
The application is for (1) an increase in the flow treated at the works (from a dry weather flow of 673 to 1,607 cubic metres per day) with provision of a storm tank, (2) a temporary relaxation of the conditions to discharge treated sewage effluent, and (3) consent for two emergency overflows from the pumping station at the treatment works.
The works discharges to the West Brook, a tributary of the River Great Ouse, at National Grid Ref TL 2807 6386. This is an existing sewage treatment works, which is in need of major re-building in order to increase capacity and improve reliability. The proposed relaxation will allow part of the treatment plant to be taken out of use and replaced, whilst maintaining minimum standards. The period of the proposed relaxation is up until 15 August 2006.
