The Prescribed Part

Section 176A of the Insolvency Act 1986 requires the Administrator to set aside a prescribed amount of the Company's "net property" towards the payment of unsecured debts. Net property is the amount of property that would otherwise be available for satisfaction of holders of debentures secured by, or holders of, any floating charge created by the Company after 15 September 2003. To the best of the Administrator's knowledge and belief, there are no floating charges created or registered on or after that date and, therefore, there is no prescribed part.
