The National Assembly for Wales is considering whether to proceed with the above mentioned highway project being the improvement of a highway for which it is the highway authority.

The project involves the improvement of approximately 2 kilometres of the existing trunk road commencing south of Llanrwst near the driveway to Berth-ddu Farm and ending near to the Junction of the county road leading to Capel Garmon, just north of Hafod. The proposed alignment is similar to the current alignment although from a point 180 metres south of the start of the scheme the centreline of the proposed improvement is up to a maximum of 15 metres to the west of the existing road's centreline. The centrelines meet again towards the southern end of the proposed improvement.

The proposed improvement will involve the permanent acquisition of approximately 3 hectares of land to the west of the existing road, which includes the land for the embankments that support the proposed improvement. Accesses to existing properties will be retained or improved and access will be provided to agricultural fields as part of the proposed improvement.

It has been determined by the National Assembly that the project is a relevant project within Annex II to Directive 85/337/EEC as amended by Directive 97/11/EC and that it should be made subject to an Environmental Impact Assessment in accordance with that Directive.

In accordance with the above determination an Environmental Statement has been prepared.

Copies of the Environmental Statement and the non-technical summary which contain plans relating to the project may be inspected, free of charge, at all reasonable hours until 15 June 2006, or within 6 weeks from the date of publication of this notice, whichever period shall expire later, at the following venues:

- Welsh Assembly Government, Transport Wales, Government Buildings, Dinerth Road, Colwyn Bay LL28 4UL;

Any person may, not later than 15 June 2006, or within 6 weeks from the date of publication of this notice if such period shall expire later, express an opinion on the published details of this project so that the National Assembly for Wales can take them into account when deciding whether or not to proceed with this project. Any such expression of opinion must be made in writing to the National Assembly for Wales, Transport Wales, Cathays Park, Cardiff CF10 3NQ, quoting the Ref BZ 001058-311-1.
