GREATER LONDON AUTHORITY ACT 1999

Transport for London hereby gives notice that it has made an Order under Schedule 23 to the Greater London Authority Act entitled "The Greater London (Central Zone) Congestion Charging Variation (No 2) Order 2006 ("The Variation Order").

The Variation Order further amends the Greater London (Central Zone) Congestion Charging Order 2004 ("the Principal Order") made by Transport for London on 30 September 2004, and confirmed with modifications by the Mayor of London on 27 October 2004. The Principal Order was subsequently varied by further Orders made by Transport for London and confirmed by the Mayor.

The Variation Order contains one proposed change:

A change to the western extension boundary at North Carriage Drive W2

The reason for the proposed change is to facilitate charge-free egress from the Hyde Park car park to Marble Arch via North Carriage Drive when the western Extension is introduced. Customers can already enter/exit the car park via Park Lane without having to pay the charge, and it is considered that it could be confusing to customers when the western

Extension is introduced, if the egress from the car park via North Carriage Drive to Marble Arch required the charge to be paid and this could result in appeals against Penalty Charge Notices.

Any representations that are submitted must be made in writing, specify the grounds on which they are made, and be received by Transport for London by 30 June 2006.

Copies of the Variation Order and other supporting documents may be inspected at all reasonable hours at the offices of Transport for London, Faith Lawson House, 15 Dacre Street, London SW1H 0DJ.

This information is also available on: www.tfl.gov.uk/congestioncharging, or may be obtained by emailing CChargeConsultation@tfl.gov.uk.
