Please tell us immediately if you have difficulty paying. Other payment options may suit you better and we may require you to pay a security deposit. If you do not pay we may Isolate your gas supply and charge you our costs.

4.1.2 If an Agent's meter reading or actual consumption data is not available, or if we reasonably believe it to be inaccurate, we may issue an invoice based on your own meter reading or our reasonable estimate and you shall pay this invoice. Any over- or under-payment shall be adjusted as soon as practicable.

4.1.3 If any amount payable is the subject of a bona fide dispute, the undisputed portion of the invoice shall be paid in accordance with Clause 4.1.1. After an agreement is reached or any proceedings determined, the amount payable shall be paid within 7 Working Days.

5. *Metering Services*

5.1 The Equipment must at all times comply with the Act and be appropriate to supply all apparatus connected to it. In the event that we become aware that Equipment is not suitable, we may arrange for installation, maintenance or replacement of the Equipment and you shall pay the costs incurred.

5.2 It is your responsibility to:

The responsibilities contained in this Clause 7.2 (except b. and c.) shall apply whether or not the meter has been Isolated or where a supply of gas is no longer required.

5.3 Where the meter is not owned by the Transporter or us you will be the person responsible for the meter as defined in the Act. Failure to meet your responsibilities may result in Isolation of the supply by the Transporter or us.

Where such Notification is given, the metering shall be examined in accordance with the Act as soon as practicable. If the meter is found to register accurately then the costs shall be paid by whichever of us issued the Notification.

If you fail to supply such meter readings then you agree to accept estimated meter readings provided by the Transporter. We shall not be responsible for the accuracy of such meter readings and all additional costs shall be passed through to you.

5.8 You shall ensure that all gas installations, plant and equipment comply with any relevant law or regulation.

5.9 We shall appoint an Agent to read the meter in accordance with normal meter reading cycles.

5.10 You shall not remove or replace any meter that is part of a Sub Deduct Arrangement without our agreement.

6.4 We shall not be liable for any loss to you caused by any act or omission of an Agent chosen by you.

7. *Duration and Termination*

7.1 You can end this Contract by entering into an agreement for the supply of gas with us or another supplier, subject to a successful registration by the alternative supplier or when you are no longer the owner, occupier or person responsible for the Premises, or the Premises have been permanently disconnected from the transportation system.

- (a) you convene a creditors' meeting or an order is made or effective resolution is passed for your winding up;
- (b) a receiver, liquidator, administrator or trustee for creditors is appointed for a major part of your assets;
- (c) you are unable to pay your debts (within the meaning of Section 123(1) or (2) of the Insolvency Act 1986) or you cease or threaten to cease to pay your debts as they fall due; or
- (d) you are in material breach of this Contract.

7.3 If any sum remains unpaid after the due date for payment, we may Isolate your supply and charge you our costs.

7.4 If you cease to be the owner or occupier of a Premises or require permanent Isolation of one or more meters, you shall notify us at least 2 Months in advance to terminate this Agreement in respect of those meters and you shall be liable for all Charges until responsibility for the Charges is assumed by a new owner or occupier or the supply is Isolated.

7.5 Before you vacate any Premises you shall Notify us of the identity of any new owner, occupier or agent responsible.

7.6 *Upon Termination of this Contract*

7.6.1 We shall issue an invoice based on the closing meter reading or, where appropriate, the terms of Clause 4.1.2 shall apply. Where the Metering Point has transferred, the reading used will be provided to us by the new supplier.

7.6.2 The invoice shall also include any other costs reasonably incurred by us in the performance of this Contract. You shall remain liable for all Charges in respect of the Premises while we are the registered supplier and you are the owner, occupier or person responsible for the Premises.

Clauses 4, 6, 7, 8 and 9, shall survive termination.

8. *Isolation*

8.1 Where the Contract has been terminated by us or where you have requested, we may Isolate any Metering Point. You shall remain liable for all costs reasonably associated with such Isolation and any subsequent re-establishment of supply. While you are the owner, occupier or person responsible for the Premises and we remain the registered supplier, you shall also remain liable for the Charges, even though the Premises may be Isolated or you vacate or cease to consume gas at a Premises.

8.2 We may Isolate any Metering Point where no gas is used for a consecutive period of 6 Months. In any event, the Transporter may remove the means of supply from an Isolated Metering Point which is not re-established after 12 Months and you shall be liable for all reasonably associated costs.

8.3 Your supply may be Isolated on notice (or without notice where necessary for safety purposes) to:

- (a) avoid danger or because failure to Isolate would or might involve us being in breach of industry regulations;
- (b) avoid interference with supply to another person which we reasonably believe may result from or be caused by your installation; or
- (c) enable maintenance or repair work to be carried out.

In addition, you may be required, on notice, temporarily to refrain from using gas or we may temporarily discontinue your supply for the above reasons.

9. Miscellaneous Provisions

9.1 Entire Agreement and Jurisdiction

This Contract shall be interpreted in accordance with English law, and references to any statute, statutory provision, statutory instrument, regulation or code include any amendments, extensions or re-enactments.

9.3 Dispute Resolution

Each of us shall use reasonable endeavours to resolve a dispute. If the Parties are not able to agree a resolution, or there is a failure to implement the resolution correctly, either Party may pursue any remedies that it may have under this Agreement or at law. The Agreement shall apply during the dispute resolution process.

9.4 Assignment

You may not assign this Contract without our prior, written consent.

9.5 Waivers

Any waiver shall be agreed by each of us in writing. A waiver of a specific breach shall not entitle any further breach.

If any provision is declared invalid, unenforceable or illegal by the courts, the remaining provisions of this Contract shall continue in full force and effect.

9.7 Transfer Objection

We may enter an objection under the customer transfer process and prevent an alternative supplier from registering the Premises if an alternative supplier attempts to register a Metering Point in error.

9.8 Exclusion of Third Party Rights

Any person who is not a party to this Contract shall not acquire or have any rights under this Contract by virtue of the Contracts (Rights of Third Parties) Act 1999 or otherwise.

9.9 Emergency Provision

You shall contact the Transporter immediately if a loss of supply causes or you believe may cause an emergency or safety critical situation. Emergency contact details can be found on the reverse of your invoice or on our website www.eon-energy.com.

ANNEX 1

Supplementary Conditions relating to an Interruptible Supply of Gas

In addition to the foregoing general Terms and Conditions of supply, the supplementary conditions in this Annex 1 shall apply where we make available to you an Interruptible Supply of Gas and, in the event of conflict, these supplementary conditions shall take precedence.

“Gas Year”	from 6.00 am on 1 October in any year to 6.00 am on 1 October in the following year;
“Interruptible Supply”	a supply of gas where the supplier or the Transporter are entitled, at their election, to determine periods during which the supplier has no obligation, or only a limited obligation, to supply gas to the Premises;
“Interruptible Supply Point”	one or more Metering Points designated to provide an Interruptible Supply of gas;
“Interruption Notice”	a notice to interrupt given to you by telephone or facsimile by an Authorised Interrupter;

Any Period of Interruption on any Gas Day shall be deemed a day of interruption. The exercise of a right by us or the Transporter to secure the cessation or reduction of offtake provided for in Clause 8 of the general Terms and Conditions shall not count towards the Interruption Allowance.

4. The Authorised Interrupter will advise you as soon as reasonably practicable when the requirement for interruption no longer applies, specifying the time from which you can resume offtaking gas.

5. You must ensure that the interruption is absolute and no gas is offtaken at any time during the Period of Interruption unless an agreement for a Firm Allowance is in place. If a Firm Allowance exists you must not offtake gas at an hourly rate greater than 12.5% of the Firm Allowance. During a Period of Interruption you shall not use a Firm Supply as a substitute for an Interruptible Supply.

You shall ensure that such contact can respond by telephone or facsimile to Interruption Notices. You shall Notify us immediately of any changes to the contact telephone or facsimile numbers.

- (c) this shall not count as a day of interruption (regardless of the reason for such failure, including Force Majeure).

8. For the purposes of these supplementary conditions, the following shall not constitute Force Majeure:

- (a) if your 24-hour contact capability fails for any reason and you cannot be contacted by the Authorised Interrupter; or

1.1 *Interpretations*

Where applicable, references to the singular include references to the plural and vice versa and headings are inserted for convenience only. Each Metering Point at a Premises forms an individual Contract in its own right.

2. *Supply of Electricity and Other Services*

2.1 We agree to make a supply of electricity available to you in accordance with the Act and these Terms and Conditions, as amended from time to time.

2.2 You shall agree with the DNO in advance if you require a change to your Chargeable Capacity and advise us accordingly. If you exceed the Chargeable Capacity we shall charge you any additional costs imposed on us.

2.3 You shall Notify us, as soon as reasonably practicable, where changes are made to any Metering Point and shall give us notice in accordance with Clause 7.4 if you cease to own or occupy any Premises or if electricity is no longer consumed at any Metering Point.

2.4 If you do not have a Connection Agreement in place with the DNO, you are bound by their standard connection terms, which form part of this Contract in Annex 1 and are enforceable by the DNO by virtue of the Contracts (Rights of Third Parties) Act 1999.

3. *Charges*

3.1 You are liable to pay the applicable Deemed Contract Rate detailed in the Price Schedule, as amended from time to time, together with any other third party charges reasonably incurred by us on your behalf and any tax, levy, duty or other impositions in accordance with legislation in force.

4. *Terms of Payment*

4.1 *Billing*

4.1.1 For each billing period, we will invoice you for the Charges and any other amounts due under this Contract. You shall pay our invoice by cleared funds within 10 days of the date of the invoice. Please tell us immediately if you have difficulty paying. Other payment options may suit you better and we may require you to pay a security deposit. If you do not pay we may Isolate your electricity supply and charge you our costs.

4.1.2 If an Agent's meter reading or actual consumption data is not available, or if we reasonably believe it to be inaccurate, we may issue an invoice based on your own meter reading or our reasonable estimate and you shall pay this invoice. Any over- or under-payment shall be adjusted as soon as practicable.

4.1.3 If any amount payable is the subject of a bona fide dispute, the undisputed portion of the invoice shall be paid in accordance with Clause 4.1.1. After an agreement is reached or any proceedings determined, the amount payable shall be paid within 7 Working Days.

4.1.4 If our invoice has been based on inaccurate information, we shall submit a revised invoice when accurate information becomes available.

4.1.5 We reserve the right to charge a Late Payment Fee in respect of any undisputed amount remaining unpaid by you after the due date. In addition, interest may be charged on such amounts in accordance with our rights under the Late Payment of Commercial Debts (Interest) Act 1998.

5. *Metering Services*

5.1 You shall give us 1 Month's prior notice of any change of Meter Operator and/or change to any Metering Point.

5.2 The metering equipment shall be deemed to be accurate unless either of us is Notified by the other that its accuracy is disputed. Where such Notification is given, the metering equipment shall be examined in accordance with the Act as soon as practicable. Except where the meter is owned by us, you shall be responsible for all costs incurred if the meter is found to register inaccurately beyond that permitted under the Act. If the meter is found to register accurately then the costs shall be paid by the Party issuing the Notification.

5.3 Where you have an agreement with a third party for the provision of metering equipment or services, you shall ensure that they operate at all times in accordance with Good Industry Practice. You shall be responsible for all costs incurred by us in relation to the equipment or service provided and any costs incurred by us as a result of damage caused to, or removal of, such third party equipment.

5.4 You shall Notify us and the DNO as soon as reasonably practicable if you believe there has been damage to or interference with the metering equipment and you agree to provide us with all information which we may reasonably require. 5.8 *Agent Appointment of Our Choice*

Unless you instruct otherwise, we shall appoint Agents of our choice to perform the Agent Services for all Metering Points.

5.9 *Agent Appointment of Your Choice*

If you instruct us to appoint your preferred Agent, or if you contract directly with an Agent, you shall Notify us of your preferred Agent at least 1 Month before the appointment is due to take effect and you shall be liable for all costs and liabilities, reasonably or inevitably incurred by us as a result of such appointment. You shall have no more than 1 Agent at any one time to perform each Agent Service for each Metering Point. All Agents must be accredited and if your Agent ceases to be accredited we will appoint a replacement Agent and recover from you all costs reasonably incurred. In addition, the following provisions shall apply:

5.9.1 *Where we have an Umbrella Agreement:*

if your preferred Data Collector fails to perform in line with Good Industry Practice, we reserve the right to appoint a Data Collector of our choice and pass through to you any reasonably incurred costs associated with such appointment.

5.9.2 *Where you contract with an Agent and we have no Umbrella Agreement with that Agent:*

in addition to our right under Clause 5.9.1, you shall indemnify us for all costs and liabilities, reasonably or inevitably incurred by us, as a result of any act or default of such Agent, including but not limited to any fines incurred through their failure to perform in accordance with the Balancing and Settlement Code.

6. *Liability*

6.1 Nothing in this Contract shall exclude liability for death or personal injury resulting from our negligence. Apart from this, we shall only be liable to you for physical damage to property which was reasonably foreseeable as a likely result of a breach and our total liability to you shall not exceed £100,000 for any incident or series of incidents.

6.2 We shall not be liable to you, under contract or otherwise, for loss of use, revenue, profit, contract or goodwill or for special, consequential or indirect loss or damage of any nature, or for any liability of yours to any other person.

6.3 We shall not be liable to you for any failure to perform our obligations under this Contract where such failure is due to circumstances beyond our reasonable control.

6.4 We shall not be liable for any loss to you caused by any act or omission of an Agent chosen by you.

7. *Duration and Termination*

7.1 You can end this Contract by entering into a Contract for the Supply of Electricity with us or another supplier, subject to a successful registration by the alternative supplier; or when you are no longer the owner, occupier or person responsible for the Premises, or the Premises have been permanently disconnected from the distribution network.

7.2 We may immediately terminate this Contract on giving you notice if:

- (a) you convene a creditors' meeting or an order is made or effective resolution passed for your winding up;
- (b) a receiver, liquidator, administrator or trustee for creditors is appointed for a major part of your assets;
- (c) you are unable to pay your debts (within the meaning of Section 123(1) or (2) of the Insolvency Act 1986) or you cease or threaten to cease to pay your debts as they fall due;
- (d) you cease to be a party to, or are in material breach of your obligations under the DNO's terms of connection;
- (e) any distribution network is disconnected for any reason from the National Grid, in accordance with the Balancing and Settlement Code, which results in the loss of your supply;
- (f) you are in material breach of this Contract.

7.3 If any sum remains unpaid after the due date for payment, we may isolate your supply and charge you our costs.

7.4 If you cease to be the owner or occupier of the Premises or require permanent Isolation of one or more meters, you shall Notify us at least 2 Months in advance to terminate this Agreement in respect of those meters. You shall be liable for all Charges until responsibility for the Charges is assumed by a new owner or occupier or the supply has been Isolated by way of disconnection.

7.5 Before you vacate any Premises you shall Notify us of the identity of any new owner, occupier or agent responsible.

7.6 *Upon Termination of this Contract*

7.6.1 We shall issue an invoice based on the closing meter reading or, where appropriate, the terms of Clause 4.1.2 shall apply. Where the Metering Point has transferred, the reading used will be provided to us by the new supplier.

7.6.2 The invoice shall also include any other costs reasonably incurred by us in the performance of this Contract. You shall remain liable for all Charges in respect of the Premises while we are the registered supplier and you are the owner, occupier or person responsible for the Premises.

7.7 *Clauses Surviving Termination*

Clauses 4, 6, 7, 8 and 9 shall survive termination.

8. *Isolation*

8.1 Where the Contract has been terminated by us or where you have requested, we may Isolate any Metering Point. You shall be liable for all costs reasonably associated with such Isolation and any subsequent re-establishment of supply. While you are the owner, occupier or person responsible for the Premises and we remain the registered supplier, you shall also remain liable for the Charges, even though the Premises may be Isolated by way of de-energisation or you vacate or cease to consume electricity at a Premises.

8.2 Your supply may be Isolated on notice (or without notice where necessary for safety purposes) to:

- (a) avoid danger or because failure to Isolate would or might involve us being in breach of industry regulations; or
- (b) avoid interference with supply to another person which we reasonably believe may result from or be caused by your installation; or
- (c) enable maintenance or repair work to be carried out.

9. *Miscellaneous Provisions*

9.1 *Entire Agreement and Jurisdiction*

This Contract shall be interpreted in accordance with English law, and references to any statute, statutory provision, statutory instrument, regulation or code include any amendments, extensions or re-enactments.

9.2 *Notices*

Any notice to be given under this Contract shall be in writing and delivered by hand or sent by facsimile, e-mail, recorded delivery or registered letter to the Notice Address. A notice sent by facsimile or e-mail should be confirmed by letter sent by first class mail on the same day.

9.3 *Dispute Resolution*

Each of us shall use reasonable endeavours to resolve a dispute and, if unresolved within 1 Month, it may be referred to arbitration according to the rules of the Electricity Arbitration Association. If the Parties are not able to agree a resolution, or there is a failure to implement the resolution correctly, either Party may pursue any remedies that it may have under this Contract or at law. The Contract shall apply during the dispute resolution process.

9.4 *Assignment*

You may not assign this Contract without our prior, written consent.

9.5 *Waivers*

Any waiver shall be agreed by each of us in writing. A waiver of a specific breach shall not entitle any further breach.

9.6 *Severance*

If any provision is declared invalid, unenforceable or illegal by the courts, the remaining provisions of this Contract shall continue in full force and effect.

9.7 *Transfer Objection*

We may enter an objection under the customer transfer process and prevent an alternative supplier from registering the Premises:

- (a) if an alternative supplier attempts to register a Metering Point in error; or
- (b) if an alternative supplier attempts to register a single Metering Point where we are the registered supplier for one or more Related Metering Points.

9.8 *Exclusion of Third Party Rights*

Apart from the provisions of Clause 2.4, any person who is not a party to this Contract shall not acquire or have any rights under this Contract by virtue of the Contracts (Rights of Third Parties) Act 1999 or otherwise.

9.9 Emergency Provision

You shall contact the DNO immediately if a loss of supply causes or you believe may cause an emergency or safety critical situation. Contact details for your DNO are on the reverse of our invoice or on our website (www.eon-energy.com).

Annex 1

Standard Connection Terms

The connection terms with the DNO are incorporated into this Contract and are set out below:

1. In this Annex the following terms shall have the following meanings:

“distributor” means the distribution licence holder who owns or operates the electricity distribution system through which electricity is conveyed to the Customer’s Premises;

“you” means the Customer; and

“economic loss” means loss of profits, revenues, interest, business, goodwill or commercial, market or economic opportunity, whether direct or indirect and whether or not foreseeable.

2. The distributor will maintain and may interrupt and shall be entitled to cut off each such connection as is mentioned in Clause 1 of this Annex in accordance with and subject to the provisions of the Electricity Act 1989 and any other legal requirements or rights (including those arising under any code or agreement with which the distributor is obliged by its distribution licence to comply) that apply from time to time. The distributor does not guarantee to deliver electricity to the connection at all times nor that the electricity delivered will be free of brief variations in voltage or frequency.

3. Subject to any contrary existing agreement between you and the distributor (and/or us) the distributor shall not be liable to you under this contract or otherwise for any loss or damage which:

(a) is beyond the reasonable control of the distributor; or

(b) is consequential or indirect or arises from or amounts to economic loss.

4. If the electricity supply to the Premises is wholly or mainly used for business purposes, the distributor will only be liable to you in accordance with the limitations in Clause 3 of this Annex and up to a maximum of £100,000 per calendar year.

5. Clauses 3 and 4 of this Annex will continue to apply regardless of the termination of this contract. The ending of this contract will not affect any rights, remedies or obligations which may have come into being under this contract prior to that time.

6. The distributor’s obligations under this contract are subject to the Chargeable Capacity and any other design feature of your connection. In accordance with existing legal rules, you must contact the distributor in advance if you propose to make any significant change to your connection, electric lines or electrical equipment, install or operate generating equipment or do anything else that could affect the distributor’s electricity distribution system or require alterations to your connection.

7. The terms of this Annex will be changed automatically to incorporate any changes that are approved by the Authority. Any change which is approved will be announced in at least three daily newspapers and will take effect from the date stated in those announcements.

8. The distributor may cut off the supply of electricity to your connection where the distributor is entitled to do so under the general law, this contract or the electricity industry arrangement under which the distributor operates.

9. The distributor shall be entitled and have the ability to enforce the provisions of this Annex by virtue of the Contracts (Rights of Third Parties) Act 1999 and such clauses may not be varied without the prior written consent of the distributor.

ENVIRONMENT AGENCY

ANNOUNCEMENT OF PUBLICATION OF DRAFT PLAN (PREPARED FOLLOWING THE PRINCIPLES OF THE ENVIRONMENTAL ASSESSMENT OF PLANS AND PROGRAMMES REGULATIONS 2004¹)

(SI 2004/1633 REGULATION 13.2)

THE BROADLAND RIVERS CATCHMENT FLOOD MANAGEMENT PLAN

The Environment Agency gives notice that we have prepared a Catchment Flood Management Plan (CFMP), which includes an Environmental Report. This is available for consultation until 29 September 2006.

The Broadland Rivers CFMP aims to identify the main factors influencing flood flows and flood risk, and to assess how they may change over time. The Draft CFMP outlines sustainable flood risk management policies that will provide a balance between cost effectiveness, social needs and demands on land use over the next 50-100 years. It covers the catchments of the rivers Waveney, Yare, Wensum, Bure, Ant and Thurne, including the tidal rivers within the Broads.

We invite the public to comment on the Draft CFMP. Members of the public may look at the Draft CFMP at the following main libraries:

Norwich, Great Yarmouth, Lowestoft and Diss.

It is also available to look at on our website at www.environment-agency.gov.uk. Copies of the Draft CFMP can be obtained on CD from the Project Manager (contact details below). Summary documents have been sent to all libraries in the Broadland Rivers CFMP area. Copies of the summary document are also available by contacting the Project Manager at the address below.

Comments on the Broadland Rivers Draft CFMP must be sent to the Project Manager:

Sue Brown (Broadland Rivers CFMP), Environment Agency, Iceni House, Cobham Road, Ipswich, Suffolk IP3 9JD.

We must receive all comments on the Broadland Rivers Draft CFMP by Friday 29 September 2006.

¹ The CFMP does not fall within the requirements of the Environmental Assessment of Plans and Programmes Regulations 2004 (SI 1633/2004), but we have prepared it within the spirit of these Regulations. (116)
