**Sutton and East Surrey Water plc****WATER RESOURCES ACT 1991****DROUGHT PERMIT GRANTED UNDER SECTION 79A**

Take notice that due to a serious water shortage in the Sutton and East Surrey Water supply area caused by an exceptional shortage of rain over the winters of 2004-05 and 2005-06, Sutton and East Surrey Water plc (the "Company") of London Road, Redhill, Surrey RH1 1LJ, has been granted a Drought Permit by the Environment Agency under section 79A of the Water Resources Act 1991, further to the application for the drought permit published on 30 June 2006.

The Drought Permit involves the amendment of the Company's existing abstraction licence (No 9/40/3/386/s) of April 1966 (and subsequent amendment No 6 dated 9 March 1999) regulating abstractions by the Company from the River Eden and Bough Beech Reservoir. The licence currently permits abstraction from September to April, subject to certain conditions. These include the maintenance of a Minimum Residual Flow (MRF) downstream of the abstraction of 44.5 MI/d in September and 22 MI/d from October to April and the inclusion of an "Autumn Flush" condition during September and October. This states that abstraction is not permitted in September and October until the accumulated flow from 1 September exceeds 5,682 MI (subject to a daily maximum accumulation of 1,363.8 MI). Abstraction is permitted from the reservoir at any time.

This Drought Permit removes the "Autumn Flush" condition stated on the licence, for the period of September and October 2006, thus enabling the potential for increased abstraction. Abstraction would still require a MRF to be maintained downstream of the abstraction of 50 MI/d in September and 22 MI/d in October. If the "Autumn Flush" occurs, this abstraction will revert back to the conditions of the current licence. Further conditions associated with water quality are to be enforced to control the proposed abstraction.

The effect of the drought permit will be to increase the amount of water available for supply from Bough Beech Reservoir to safeguard depleted sources.

Anyone may inspect the Drought Permit, free of charge, at:

Sutton and East Surrey Water plc, Head Office, London Road, Redhill, Surrey RH1 1LJ (during normal working hours);  
Bough Beech Reservoir Water Treatment Works—Education Centre (Monday to Friday 9.00 am to 4.30 pm); and  
Environment Agency, Orchard House, Endeavour Park, London Road, Addington, West Malling, Kent ME19 5SH (during normal working hours).
