**NOTICE THAT THE COMMISSION WILL BE CONDUCTING A  
GENERAL FORMAL INVESTIGATION INTO REGENERATION  
WITHIN THE STATED TERMS OF REFERENCE**

Notice is hereby given that, acting under the Commission's duties under section 43 of the Race Relations Act 1976 (RRA), and using powers granted to the Commission under section 48 of the said Act, the Commission intends to carry out a general formal investigation into regeneration ("the investigation").

The investigation will focus on whether and how physical regeneration schemes affect the social and economic circumstances of people residing and working in areas that are being regenerated. 1. To investigate the extent to which public authorities are complying with the duty to promote race equality under the RRA in relation to their regeneration functions;
2. To investigate the economic and social effects of physical regeneration schemes on different racial groups;
3. To investigate the extent, and effectiveness, of community consultation and participation in physical regeneration, from policy proposals to evaluation of completed projects;
4. To investigate the extent to which the private sector does or should consider the implications for race equality of carrying out physical regeneration, and the extent to which public authorities bound by the statutory duty to promote race equality can and do influence the private sector;
5. To consider critically the measures used to evaluate the success or otherwise of physical regeneration schemes in relation to the duty to promote race equality, and the importance of promoting integrated communities; and
6. To consider whether there is adequate oversight and scrutiny of the way organisations involved in physical regeneration schemes take account of racial equality.

And as required by section 51(2), the Commission will prepare a report of the findings of the investigation.

And in the light of its findings, the Commission may make recommendations using its powers under section 51(1) of the Act.
