THE BARNET (BRENT CROSS STATION) (CONTROLLED PARKING ZONE) (PARKING PLACES) (AMENDMENT NO. 10) TRAFFIC ORDER 2009

NOTICE IS HEREBY GIVEN that the Council of the London Borough of Barnet have made on the 5th November 2009 the above-mentioned Order under Section 45, 46, 49, and 51 of the Road Traffic Regulation Act 1984 and all other enabling powers.

The general effect of the Order will be to extend the permissible maximum stay period for motorists in the pay and display parking places in Woodstock Avenue NW11, Montpellier Way NW11 and Wessex Way NW11 from 6 hours to 6 hours 30 minutes. It is considered that this is necessary in order to improve parking opportunities for staff of the nearby school to park in the area by allowing a slightly longer stay period would benefit more of the staff of the school whilst not compromising the aim of preventing all day commuter parking. The tariff for the parking in these parking places would be changed from; up to 6 hours for £1.20 to up to 6 hours 30 minutes for £1.20.

The Order will come into operation on Monday 9th November 2009. Copies of the Order and plan of the relevant area and the Council's Statement of Reasons for making the Order can be inspected between 9am and 5pm on Mondays to Fridays (Bank Holidays and Public Holidays excepted) for a period of 6 weeks from the date on which this notice is published at;

- (a) Design Team, Building 4, North London Business Park, Oakleigh Road South, London, N11 1NP
- (b) Reception, Hendon Town Hall, The Burroughs, Hendon, London, NW4 4BG

Any person wishing to question the validity of the Order or any of their provisions on the grounds that it is not within the relevant powers of the Road Traffic Regulation Act 1984 or that any of the relevant requirements thereof or of any regulations made thereunder have not been complied with in relation to the Order may, within six weeks of the date on which the Order was made, make application for the purpose to the High Court.

London Borough of Barnet**THE BARNET (WAITING AND LOADING RESTRICTION) (CIVIL ENFORCEMENT AREA) (AMENDMENT NO. ***) TRAFFIC ORDER 20******THE BARNET (EDGWARE) (CONTROLLED PARKING ZONE) (PARKING PLACES) (AMENDMENT NO. **) TRAFFIC ORDER 20******THE BARNET (MILL HILL) (CONTROLLED PARKING ZONE) (PARKING PLACES) (AMENDMENT NO. **) TRAFFIC ORDER 20****

NOTICE IS HEREBY GIVEN that the Council of the London Borough of Barnet propose to make the above-mentioned Orders under Sections 6, 45, 46, 49, 51, 124 and Part IV of Schedule 9 of the Road Traffic Regulation Act 1984 and all other enabling powers.

In order to prevent obstructive parking, and improve traffic flow and general road safety, the general effect of the Orders would be to amend various waiting and loading restrictions as follows:

- proposed upgrade of the existing Monday to Friday 10am to 11am waiting restrictions at the junctions of Fairfield Avenue, Fairfield Crescent, Garrett Road, Glendale Avenue, Heming Road, Hillside Drive, Shelley Close and The Drive in Edgware to 'At Any Time' waiting restrictions.
- proposed conversion of existing Monday to Friday 2pm to 3pm waiting restrictions to Monday to Friday 10am to 11am waiting restrictions in the southernmost arm of Edgwarebury Gardens. The existing restriction was originally to allow parking for a doctors surgery, which has since closed;
- proposed introduction of 'At Any Time' loading restrictions on the south-western side of Millway NW7 at its junction with The Broadway NW7 to prevent parking by disabled badge holders and loading/unloading on the existing double yellow line "At Any Time" waiting restrictions.

Also, the Council is proposing to make changes to various free parking places as follows:

- in St Margaret's Road, Edgware by converting the existing free parking place near to its junction with Penshurst Gardens to a single yellow line waiting restriction operating Monday to Friday 2pm to 3pm, near to the medical centre at No.2 Penshurst Gardens to allow parking for patients during the morning surgery times;
- in Savoy Close and Edgwarebury Lane, Edgware by converting existing free bays to resident permit parking places in order to provide additional resident permit parking.
- in Beech Walk, Dawes Lane, Downhurst Avenue, Goodwyn Avenue, Limes Avenue, Maxwellton Avenue, Hartley Close, Langley Park, Grenville Place and Victoria Road NW7 by converting existing free bays to resident permit parking places in order to provide additional resident permit parking.

The Council is also proposing to change the operating hours of the Edgware K Controlled Parking Zone (CPZ) in Manor Park Crescent, Manor Park Gardens, Green Lane, Chilton Road and Old Rectory Gardens, Edgware, which currently operates on Monday to Sunday 8am to 9pm. The Council are proposing to reduce these hours to Monday to Saturday 8am – 6.30pm. There would be no effect on the existing parking places or yellow line restrictions other than the fact they would operate for less hours. These roads would still remain part of the K CPZ and permit holders would still have a K permit for residents or a U permit for businesses to enable them to park in the K CPZ. Resident permits are limited to three per household, and cost £40 per year for the first permit and £70 per year each for the second and third permits. Visitor vouchers cost £10 per book of ten vouchers. Business permits cost £300 per year, and businesses are limited to three per business. Other types of permit are available, and full details can be found on the Council's website at www.barnet.gov.uk/transport_streets/parking.

The Council is also proposing to extend the boundaries of the existing J CPZ, which operates Monday to Friday 10am to 11 am, to include Fairview Way and in Edgwarebury Lane between the A41 Edgware Way, Edgware and the boundary of the existing J CPZ to allow resident permit and visitor voucher use. Resident permits would be limited to three per household, and would be charged at the current price of £40 per year for the first permit and £70 per year each for the second and third permits. Visitor vouchers would cost £10 per book of ten vouchers. All permit and voucher prices shown above are the current prices. However, permit and voucher charges are subject to review. Disabled badge holders would be able to park in the permit parking places without a permit or voucher, provided that a valid disabled badge was displayed. Loading would be permitted on yellow

line restrictions for up to 40 minutes provided that the activity was seen to be taking place.

Also, the Council are proposing to increase the number of resident permit parking places in Heronsgate, Edgware by redesigning the current layout in order to maximise the available parking space.

A copy of the proposed Orders, plans of the relevant areas and the Council's Statements of Reasons for proposing to make the Orders can be inspected between 9am and 5pm on Mondays to Fridays inclusive for a period of 21 days from the date on which this notice is published at:

- (a) Design Team, Building 4, North London Business Park, Oakleigh Road South, London, N11 1NP;
- (b) Reception, Hendon Town Hall, The Burroughs, Hendon, London, NW4 4BG.

Further information on the proposals, including more details of their exact locations, may be obtained by telephoning the Design Team on 020 8359 7539.

Any person wishing to object to the proposed Orders should send a written statement explaining their objection to the Design Team at the above address within 21 days of the date of this Notice.

DCUSA Ltd

NOTICE OF REVISION TO THE NATIONAL TERMS OF CONNECTION

DCUSA Ltd whose registered office is situated at Ground Floor, Grafton House, 2-3 Golden Square, London, W1F 9HR, hereby gives notices of a revision to the National Terms of Connection.

The revision, which is to paragraph 11 and shown in bold below, affects the way in which future changes to these terms will be notified. Instead of publishing the full terms, notice that there is a change will be published but the full terms showing that change will only be made available on the national terms website, www.connectionterms.co.uk. The revised National Terms of Connection, which are effective from 05 November 2009, are as follows:

A. The electricity you receive from your electricity supplier will be delivered using the distribution system owned or operated by your electricity network operator. To receive a supply of electricity you require both:

- a connection agreement with your electricity network operator to maintain the connection of your premises to the network; and
- a supply contract with your electricity supplier.

B. Your electricity supplier has been appointed as the agent of your electricity network operator to obtain a connection agreement with you on the National Terms of Connection set out below. When you enter into your electricity supply contract with your supplier, you are also entering into a connection agreement with your electricity network operator on these terms.

1. *Interpretation.* In this agreement the terms “we”, “our” and “electricity network operator” mean, for each connection to a distribution system through which electricity is conveyed to your premises, the electricity network operator which owns or operates that distribution system.

2. *Existing terms.* Any existing terms applying to your connection to our distribution system (except for another standard connection agreement) will apply instead of this agreement to the extent that they are inconsistent with this agreement.

3. *Duration of this connection agreement.* This agreement takes effect from the time that your electricity supply contract takes effect and will continue (even if your electricity supply contract ends) until it ends under Clause 12 below.

4. *Connection to our network.* Your premises will remain connected to our distribution system in accordance with the provisions of the Electricity Act 1989, any other legal requirements that apply from time to time, and the terms of this agreement.

5. *Network constraints.* Our obligations under this agreement are subject to the maximum capacity and any other design feature of your connection. In accordance with existing legal rules, you must contact us in advance if you propose to make any significant change to your connection, electric lines or electrical equipment, or do anything else that could affect our distribution system or require alterations to your connection.

6. *Generating equipment.* If you intend to install or operate small-scale embedded generating equipment – which means one or more sources of electrical energy that have an aggregate rating of no greater than 16 amps per phase connected at low voltage – then you must inform us of your intentions on or before the day that the equipment is connected. So long as you do this, you do not need our consent. However, if you intend to install or operate any other kind of generating equipment, you must contact us in advance and obtain our consent.

7. *Delivery of electricity.* We do not guarantee that we will deliver electricity through our distribution system at all times or that electricity delivered through our distribution system will be free of brief variations in voltage or frequency.

8. *Cutting off your supply.* We may cut off the supply of electricity to your connection where we are entitled to do so under the general law. We may also cut off your supply of electricity where we are required to do so under your electricity supply contract or because of the electricity industry arrangements under which we operate in accordance with our licence.

9. *If something goes wrong.* If we fail to comply with any term of this agreement, or are negligent, you may be entitled under the general law to recover compensation from us for any loss you have suffered. However, we will not be required to compensate you for loss caused by anything beyond our reasonable control, or for any indirect, consequential, economic, or financial loss (including wasted expenses or any loss of revenue, profit, or interest, any loss of business, commercial, market, or economic opportunity, or any loss of contract or goodwill), other than where you are entitled to recover compensation for such loss under the general law in relation to death or personal injury.

10. *Business customers.* If the electricity supplied to your premises is used wholly or mainly for business purposes, each of us will only be liable to the other in accordance with the limitations in Clause 9 and up to a maximum of £100,000 per calendar year.

11. *Changing this connection agreement.* The terms of this connection agreement will be changed automatically to incorporate any changes which are approved by our regulator, the Gas and Electricity Markets Authority (GEMA). **Notice of any change which is approved will be advertised in the national press, and the new terms will be published on the internet at www.connectionterms.co.uk.**

Either of us may ask the other to accept a change to any part of this agreement at any time if either believes the change is needed because of the nature of your connection or because this agreement is no longer appropriate. (It is unlikely that we will propose any changes unless your connection is at high voltage, you have generating equipment or there are other special features.) If a change is proposed under this clause, and cannot be agreed between us within 28 days, either of us may ask GEMA to decide whether the change should be made.

12. *Ending this connection agreement.* This agreement will end in relation to a connection when one of the following occurs:

- you permanently stop having electricity delivered through that connection;
- you no longer either own or occupy the premises at which that connection is situated; or
- any circumstances arise which legally entitle us to cut off your electricity supply to that connection and we write to you advising you that this agreement is ended.

The ending of this agreement will not affect any rights, remedies or obligations which may have come into being under this agreement and Clauses 9 and 10 will continue to apply to those rights, remedies and obligations.

13. *Transferring this connection agreement.* You are not entitled to transfer this agreement to another person without our consent.

14. *Providing information.* You must provide us with any information we request in relation to the nature, or use by you, of electrical equipment on your premises. We will only ask for information that we need in relation to this agreement or the Distribution Code that applies under our licence.

15. *Governing law.* This agreement will be governed by and interpreted in accordance with English law, under the jurisdiction of the English and Scottish courts.

For information: supply characteristics

As required by law, the electricity delivered to your premises through our distribution system will normally be at one of the voltages set out below and will have the technical characteristics stated there:

- At 230 volts nominal: normally a single-phase supply, with a permitted range of voltage variation from plus 10% to minus 6%.
- At 400 volts nominal: normally a three-phase supply, with a permitted range of voltage variation from plus 10% to minus 6%.
- At either of the above voltages: the supply frequency will be 50 hertz, with a permitted nominal variation of plus or minus 1%.

If you have any questions, please write to: Energy Networks Association, 6th Floor, Dean Bradley House, 52 Horseferry Road, London SW1P 2AF, phone 0207 706 5137, or see the website at www.connectionterms.co.uk. (963794)

1.2 the singular includes the plural and vice-versa; and**1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.**

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which represent the entire terms agreed between the Publisher and Advertiser in relation to the publication of Notices. These Terms and Conditions shall govern and be incorporated into every Notice, and shall prevail over any terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing, unless otherwise agreed in writing by the Publisher.

3 The Publisher shall make all reasonable efforts to verify the validity of any Notice submitted for publication.

4 The Publisher may edit the Notice, subject to the following restrictions:

- 4.1 the sense of the Notice submitted by the Advertiser must not be altered;
- 4.2 Notices shall be edited for house style only, not for content;
- 4.3 Notices can be edited to remove obvious duplications of information;
- 4.4 Notices can be edited to re-position material for style;
- 4.5 any additions or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and
- 4.6 no amendments to the text (other than those made as a consequence of 4.1–4.5 above) shall be made without written confirmation from the Advertiser.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have discretion whether to accept a Notice for publication. The Advertiser must satisfy itself as to the legislative requirements relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have discretion to refuse to publish where the content of the Notice does not comply with legislative or procedural requirements (guidance on both is available from the Publisher). In such instances, the Publisher shall notify the Advertiser of the action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 The Publisher (including affiliates, officers, directors, agents and employees) shall not be liable for any loss or damage including expenses or costs suffered by the Advertiser or any third party whether arising from the acts or omissions of the Publisher and/or the Advertiser and/or any third party made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude the Publisher's

liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's negligence or the negligence of the Publisher's agents or employees.

7 For the avoidance of doubt, subject to clause 4 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon notification of such error by the Advertiser, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity and this shall be the limit of the Publishers liability or responsibility in these circumstances.

9 In the event that the Publisher believes an Advertiser is deliberately submitting Notices in bad faith and in breach of clause 10 below, or has dealings with Advertisers who are in persistent breach of these Terms and Conditions, the Publisher may require further verification of information to be provided by such Advertisers and may at its discretion delay publication of those Notices as far as it is able to, until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in the London Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of the London Gazette.

11 The Advertiser warrants:

- 11.1 that it has the right, power and authority to submit the Notice;
- 11.2 the Notice is not false, inaccurate, misleading nor does it contain fraudulent information;
- 11.3 the Notice is submitted in good faith, does not contravene any Act of Parliament nor is it in any way illegal or defamatory or an infringement of any other party's rights or an infringement of the British Code of Advertising Practice.

12 To the extent permissible by law the Publisher excludes all implied warranties, conditions or other terms, whether implied by statute or otherwise.

13 The Advertiser agrees to indemnify and hold the Publisher and/or (as applicable) the Publisher's affiliates, officers, directors, agents and employees harmless from all losses incurred (including legal costs), in respect of any claim or demand, including threatened claims or demands, made by any third party which constitute, or would if proved constitute, a breach or threatened breach by the Advertiser of these Terms and Conditions or any breach by the Advertiser of any law or an infringement of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such claims are handled but the Publisher retain the final decision on all aspects of the claim, including choice of instructing solicitors, steps taken in litigation and decisions to settle the case. The Advertiser shall provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request, including the provision of witnesses, access to premises and delivery up of documents.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.gazettes-online.co.uk and all other websites controlled by the Publisher containing the Notice. The Publisher may require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim or threatened claim. Any reinstatement of the Notice shall be at the sole discretion of the Publisher.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in the London Gazette, and hereby assigns to the Publisher all rights, including but not limited to, copyright in all Notices, and warrants that any such activity by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party.

16 The Advertiser accepts that the purpose of the London Gazette is to disseminate information of interest to the public as widely as possible and that the information contained in the Notices published in the London Gazette may be used by third parties after publication for any purpose. In such instance, the Publisher accepts no liability whatsoever.

17 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher. The Charges must be paid by the Advertiser in advance of publication unless other requirements of the Publisher (as determined from time to time) are notified to the Advertiser.

18 If the Advertiser wishes to make a Complaint then please refer to the Gazette office.

19 A person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a third party specified in these Terms and Conditions or which exists or is available apart from that Act.

20 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the Laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
