## Berne, June 11.

HE Secretary of Zarich has written from Ulm, that he h ped to obtain a Prolorgation of the 1 rm, which the Circle of Swabia had preferibed in Expediation of the Refolutions of the Canions; adding, that if the whole Helvetick Body did not concur unanimoufly with the Ci cle in breaking off all Commerce with France and Geneva, there was not the leaft Hope of, avoiding a Prohibition of Traffick with the Empire. The Canton of Schafhuyfen concurs with that of Zurich, in prohibiting all Trade with France and Geneva and obliging the Pays de Vaud along the Lake to oblerve a frict Quarantain : But that of Lucerne refuses to do rt, and blames Zurich for having lent a Secretary to the Circle of Swahia, without co fulting beforehand the other Cantons upon an Affair that concerns them all alike. The Opinion of the reft is not yet known, but as it is very likely that all will not confeat to an Interdiction of Trade with the Provinces of France, it appears probable that there will be an absolute Probibition of all Traffick between Switzerland and the Empire.
