EAST CAMBERWELL CONTROLLED PARKING ZONE EXTENSION - SOUTHAMPTON WAY AREA

THE LONDON BOROUGH OF SOUTHWARK (PARKING PLACES) (CPZ 'EC') (NO. 3) ORDER 2012, THE LONDON BOROUGH OF SOUTHWARK (FREE PARKING PLACES) (NO. 15) ORDER 2012, THE LONDON BOROUGH OF SOUTHWARK (FREE PARKING PLACES) (DISABLED PERSONS) (NO. 19) ORDER 2012, THE LONDON BOROUGH OF SOUTHWARK (LOADING BAYS) (NO. 13) ORDER 2012, AND THE LONDON BOROUGH OF SOUTHWARK (WAITING AND LOADING RESTRICTIONS) (AMENDMENT NO. 24) ORDER 2012

1. NOTICE IS HEREBY GIVEN that the council of the London Borough of Southwark propose to make the above-mentioned Orders under sections 6, 45, 46, 49 and 124 of the Road Traffic Regulation Act 1984, as amended.

2. The general effect of the above Orders, following determination by the Cabinet member for transport, environment and recycling of objections received to the Southampton Way controlled parking zone proposals advertised on 20 October 2011, will be to extend the East Camberwell 'EC' controlled parking zone ('the CPZ extension') into a reduced part of the Southampton Way area. The CPZ extension will operate between the hours of 8.30 am and 6.30 pm on Mondays to Fridays inclusive ('the controlled hours'), and will provide the following restrictions on street:

(a) in COTTAGE GREEN, PARKHOUSE STREET, SOUTHAMPTON WAY, and WELLS WAY, to provide permit holders' parking places in which vehicles may be left without time limit during the controlled hours if they display either a valid resident's permit, a valid business permit or a valid visitor's permit;

(b) in PARKHOUSE STREET and SOUTHAMPTON WAY, to provide 'pay and display/pay by phone' parking places in which vehicles may be left during the controlled hours for a maximum stay of 2 hours if they display a valid ticket from a 'pay and display' machine or have paid the parking charge via the 'pay by phone' system;

(c) in SOUTHAMPTON WAY, to provide a free short stay parking place, in which vehicles may be left between the hours of 8.30 am and 6.30 pm on Mondays to Fridays for a maximum stay of 30 minutes, provided no vehicle may return to that parking place within 2 hours;

(d) in RAINBOW STREET and SOUTHAMPTON WAY, to rationalise the operational hours of existing loading bays so as to permit attended loading or unloading between the hours of 7 am and 7 pm on Mondays to Saturdays for a maximum of 40 minutes, provided no vehicle may return to any particular loading bay within 2 hours;

(e) in PARKHOUSE STREET, SOUTHAMPTON WAY and WELLS WAY, to introduce new lengths of 'at any time' waiting restrictions (double-yellow lines) throughout the remaining kerb-side of those streets where no parking places or red route controls are designated, excluding the east side of Wells Way fronting Nos. 137-147 - where the existing 8 am to 6.30 pm waiting restriction will remain.

Vehicles will be prohibited from parking on these restrictions at all times, but where not prohibited by loading restrictions, loading or unloading to or from an attended vehicle will be permitted for a maximum of 40 minutes at any single location.

Existing loading restrictions within the CPZ extension will be removed where it is deemed by the council practical to do so, however 'at any time' loading restrictions, on which vehicles would be prohibited from loading or unloading at all times, will be retained to prevent traffic congestion in certain lengths of Southampton Way and Wells Way. Existing disabled persons' parking places in Parkhouse Street and Wells Way will be unaffected by the CPZ extension.

3. Copies of the orders, which will come into force on 27 February 2012, and of all other relevant documents are available for inspection until the end of a period of six weeks from the date the orders were made at the upon request at Public realm projects (parking design), Southwark council, Environment and leisure, 3rd floor hub 1, 160 Tooley Street, London SE1 2QH. Please telephone 020 7525 2005 or e-mail traffic.orders@southwark.gov.uk to arrange an appointment.

4. Any persons desiring to question the validity of the orders or of any provision contained therein on the grounds that it is not within the relevant powers of the Road Traffic Regulation Act 1984 or that any of the relevant requirements thereof or of any relevant regulations made thereunder has not been complied with in relation to the orders may, within six weeks of the date on which the orders were made, make application for the purpose to the High Court.

THE WELSH MINISTERS

THE NEATH TO ABERGAVENNY TRUNK ROAD (A465) ABERGAVENNY TO HIRWAUN DUALLING, SLIP ROADS AND SIDE ROADS SCHEME

SECTION 3 - BRYNMAWR TO TREDEGAR

ENVIRONMENTAL IMPACT ASSESSMENT - SUPPLEMENT TO THE ENVIRONMENTAL STATEMENT

AND

SUPPLEMENT TO THE STATEMENT TO INFORM AN APPROPRIATE ASSESSMENT (SIAA) OF THE EFFECTS OF THE PROJECT ON:

THE USK BAT SITES SPECIAL AREA OF CONSERVATION (SAC)

It has previously been determined by the Welsh Ministers that the above project, to carry out an improvement scheme to the A465 trunk road between Brynmawr to Tredegar to dual carriageway standard, to include online & off line works, side road improvements and provision of grade separated junctions in Blaenau Gwent is a relevant project within Annex II to the Council Directive 85/337/EEC as amended by Council Directive 97/11/EC.

In accordance with the Directive it was made subject to an Environmental Impact Assessment and an Environmental Statement (ES) was prepared and subsequently published on 15 September 2011. The Welsh Ministers also gave notice at that time that an Assessment of Implications for European Sites (AIES) under Section 61 of the Conservation of Habitats and Species Regulations 2010 and Article 6(3) of the Habitats Directive 92/43/EC would be required.

During the preparation of the published Environmental Statement two factors emerged:

1. Firstly changes were made to the Noise and Vibration guidance set down in the Design Manual for Roads and Bridges, Volume 11, Part 7 (HD213/11), that published in February 2011, and since publication of the ES a further revision published (Revision 1 - November 2011). This further revision included updated advice on calculating night time noise levels, determining the extent of the study area on selecting appropriate traffic speed data.

2. Secondly, following the production of traffic forecasts for the A465 Dualling between Brynmawr and Tredegar for the publication of draft Orders, the traffic model has been revised. This is to take account of:

(a) the release of updated national traffic growth forecasts by the Department of Transport (DfT) for the National Trip End Model (NTEM), which is accessed via its TEMPRO software. Transport modelling guidance requires that model forecasts are constrained to these forecasts. The Key Stage 3 forecasts used for ES were prepared using the then current NTEM forecasts (TEMPRO version 54, released in 2008). The revised forecasts (TEMPRO version 6.2) were made definitive in July 2011; and

(b) the release by the DfT in July 2011 of a large number of updates to the Transport Analysis Guidance series of documents. The main impact of this change affects the way in which the results from the economic assessment are presented. It also provides updated data used in the calculation of the generalised cost values of time and distance which are used to determine route choice in the model. The changes in these values affect both the validation of the base model and the forecast model.

Given the sensitive nature of these issues in terms of the residential areas adjacent to the Scheme, a supplement to the ES has been prepared to update and reflect these changes to the chapters on Air Quality and Noise and Vibration. Accordingly an Environmental Statement Supplement - dated February 2012 (ESS) has now been produced which updates the ES published on 15 September 2011 with respect to the chapters on Air Quality and Noise and Vibration and should be read in conjunction with the published ES and Non-Technical Summary, which remain valid.

During the preparation of the published Statement to Inform an Appropriate Assessment improved information on the use of proposed mitigation proposals by bats became available, which has led to minor amendments to the Environmental Masterplan included in the published ES at ES volume 2 Plan 16.1a and 16.1m; and the published SIAA included in the published ES at ES Volume 3 - Appendix EI2, to:

- (a) reduce planting at Ebbw Vale Junction and management of the plantation at Rassau in favour of the bats included within the Usk Bat Sites SAC and
- (b) take account of small areas of off site planting agreed with affected parties and to be provided under Section 253 of the 1980 Highways Act.

These changes have been covered in the supplement to the ES and the supplement to the SIAA, both of which should be read in conjunction with the published ES, SIAA and Non-Technical Summary, which remain valid.

These minor modifications would not alter the proposed line of the Bypass as described in the published Environmental Statement and Non-Technical Summary or the composition of the traffic moving along it.

Copies of the Environmental Statement Supplement together with the Environmental Statement; and the Supplement to the Statement to Inform an Appropriate Assessment published on 15 September 2011 may be inspected free of charge at all reasonable hours at the following locations:

- Transport Orders Branch, Welsh Government, Cathays Park, Cardiff CF10 3NQ
- Blaenau Gwent County Borough Council, Municipal Offices, Civic Centre, Ebbw Vale NP23 6XB
- Tredegar Town Council, Bedwelty House, Bedwelty Park, Tredegar NP23 3XN
- Brynmawr Community Centre, Orchard Street, Brynmawr NP23 4ET
- Brecon Beacons National Park Authority, Plas y Ffynnon, Cambrian Way, Brecon, Powys LD3 7HP

Any person may, not later than the commencement of the Public Inquiry on 20 March 2012 express an opinion on the published details of the Environmental Statement Supplement so that the Welsh Ministers can take them into account when deciding whether or not to proceed with this project. Any such expression of opinion must be made in writing to Transport Orders Branch, Welsh Government, Cathays Park, Cardiff CF10 3NQ quoting reference qA910182C. Please Note: Should you wish to express an opinion, your correspondence will be considered by the project team and we may need to consult with people and organisations outside of the Welsh Government. As part of the process of consulting with others we may pass information to them, including information you have given us and your personal data. We will however, only disclose your personal details where it is necessary to do so to enable us to deal with issues you have brought to our attention. As this Trunk Road Scheme has become the subject of a Public Inquiry (PI), all correspondence will be copied to the inspector of the inquiry and will be kept in the PI Library and will be publicly available.

Acquisition and Disposal of Land

ABLE HUMBER PORTS LIMITED

THE PROPOSED ABLE MARINE ENERGY PARK DEVELOPMENT CONSENT ORDER

IPC APPLICATION REFERENCE: TR030001

SECTION 56, PLANNING ACT 2008

REGULATION 9, INFRASTRUCTURE PLANNING (APPLICATIONS PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009

NOTICE OF ACCEPTANCE OF APPLICATION FOR A DEVELOPMENT CONSENT ORDER ("DCO") BY THE INFRASTRUCTURE PLANNING COMMISSION

Notice is hereby given that the Infrastructure Planning Commission ("IPC") has accepted an application made by Able Humber Ports Limited ("Able") of Able House, Billingham Reach Industrial Estate, Billingham TS23 1PX for a DCO under the Planning Act 2008 ("the application"). The application was made on 19 December 2011 and accepted on 12 January 2012.

The Project

Able is proposing to build a 1279m-long quay at Killingholme on the South Humber Bank in North Lincolnshire, which together with associated development will allow the manufacture and transportation of marine energy infrastructure to sites in the North Sea. As the quay will be capable of handling more than 5 million tonnes of cargo per annum, it is therefore a 'nationally significant infrastructure project' by virtue of section 24 of the Act.

The Humber Estuary is a 'Natura 2000' site, which means that it has special environmental protection. To compensate for the loss of some of this habitat, a (larger) compensatory habitat is proposed to be created on the north bank of the Humber at Cherry Cobb Sands with a further temporary site at Old Little Humber Farm. The centre of the marine energy park site is at grid reference TA170183, and the centre of the compensatory habitat is at grid reference TA220208 and TA203242.

The application seeks consent for a DCO authorising, amongst other things:

- the construction and operation of a 1279m quay and associated dredging and land reclamation;
- the provision of onshore facilities for the manufacture, assembly and storage of marine energy infrastructure and related items;
- the diversion of two footpaths that run along the north and south shores of the Humber respectively;
- any necessary upgrade works to surrounding roads (Rosper Road, Eastfield Road, the A160 and the A180);
- the conversion of a railway into a private siding;

- the diversion of a sludge main and a drainage ditch;
- the re-siting of apparatus;
- the interference with rights of navigation;
- the creation of a harbour authority;
- a deemed marine licence under the Marine and Coastal Access Act 2009;
- the modification of public and local legislation;
- the creation of permanent and temporary compensatory environmental habitats on the north bank of the Humber; and
- the compulsory acquisition of land and rights in land and powers of temporary occupation of land to allow Able to carry out and operate the above development.

Environmental Impact Assessment and Appropriate Assessment

The proposed project is "EIA development" for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009. This means that the proposed works constitute development for which Environmental Impact Assessment is required. Able's application for a DCO is therefore accompanied by an Environmental Statement, containing the information that is required for the IPC to make that assessment.

Due to its effect on the Natura 2000 site, the project will also undergo 'appropriate assessment', as required by the Conservation of Habitats and Species Regulations 2010. A Habitat Regulations Assessment Report accompanies the application for this purpose.

Copies of application documents

A copy of the application form and accompanying documents, plans, maps and sections may be inspected free of charge from **Monday 20 February 2012** until **Monday 2 April 2012**, at the following locations and times set out below:

TERMS AND CONDITIONS RELATING TO SUBMISSION OF NOTICES

The London Gazette is the Official Newspaper of Record and the United Kingdom's longest continuously published newspaper. It has been Published by Authority since 1665. The London Gazette publishes official, legal and regulatory notices pursuant to legislation and on behalf of the persons who are required by law to notify the public at large of certain information. For the avoidance of doubt all references to "London Gazette" shall include supplements to the London Gazette and all mediums which shall include the online version of the London Gazette as well as the paper version.

The London Gazette is published by the Publisher (defined below) under the authority and superintendence of the Controller of Her Majesty's Stationery Office and Queen's Printer of Acts of Parliament.

Notices received for publication fall under the following broad headings:

State, Parliament, Ecclesiastical, Public Finance, Transport, Planning, Health, Environment, Water, Agriculture & Fisheries, Energy, Post & Telecom, Other Notices, Competition, Corporate Insolvency, Personal Insolvency, Companies & Financial Regulation, Partnerships, Societies Regulation and Personal Legal information. Further information can be found at www.gazettes-online.co.uk.

These terms and conditions ("Terms and Conditions") govern submission of Notices (as defined below) to the London Gazette. By submitting Notices howsoever communicated, whether at the website www.gazettes-online.co.uk (the "Website") or to www.gazette-submission.co.uk, email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication of the modified Terms and Conditions. By submitting Notices to the London Gazette after the Publisher has published notice of such modifications, the Advertiser agrees to be bound by the revised Terms and Conditions.

1 Definitions**1.1 In these Terms and Conditions:**

"Advertiser" means any company, firm or person who has made an application for and who has been allocated space in the London Gazette, whether acting on their own account or as agent or representative of a principal;

"Charges" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges which can be found in the printed copy or at www.gazettes-online.co.uk;

"Notice" means all advertisements and state, public or legal notices placed in the London Gazette;

"Publisher" means The Stationery Office Limited.

1.2 the singular includes the plural and vice-versa; and**1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.**

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which represent the entire terms agreed between the Publisher and Advertiser in relation to the publication of Notices. These Terms and Conditions shall govern and be incorporated into every Notice, and shall prevail over any terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing, unless otherwise agreed in writing by the Publisher.

3 The Publisher shall make all reasonable efforts to verify the validity of any Notice submitted for publication.

4 The Publisher may edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser must not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 no amendments to the text (other than those made as a consequence of 4.1–4.5 above) shall be made without written confirmation from the Advertiser.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have discretion whether to accept a Notice for publication. The Advertiser must satisfy itself as to the legislative requirements relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have discretion to refuse to publish where the content of the Notice does not comply with legislative or procedural requirements (guidance on both is available from the Publisher). In such instances, the Publisher shall notify the Advertiser of the action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 The Publisher (including affiliates, officers, directors, agents and employees) shall not be liable for any loss or damage including expenses or costs suffered by the Advertiser or any third party whether arising from the acts or omissions of the Publisher and/or the Advertiser and/or any third party made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude the Publisher's

liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's negligence or the negligence of the Publisher's agents or employees.

7 For the avoidance of doubt, subject to clause 4 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon notification of such error by the Advertiser, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity and this shall be the limit of the Publishers liability or responsibility in these circumstances.

9 In the event that the Publisher believes an Advertiser is deliberately submitting Notices in bad faith and in breach of clause 10 below, or has dealings with Advertisers who are in persistent breach of these Terms and Conditions, the Publisher may require further verification of information to be provided by such Advertisers and may at its discretion delay publication of those Notices as far as it is able to, until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in the London Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of the London Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is not false, inaccurate, misleading nor does it contain fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any Act of Parliament nor is it in any way illegal or defamatory or an infringement of any other party's rights or an infringement of the British Code of Advertising Practice.

12 To the extent permissible by law the Publisher excludes all implied warranties, conditions or other terms, whether implied by statute or otherwise.

13 The Advertiser agrees to indemnify and hold the Publisher and/or (as applicable) the Publisher's affiliates, officers, directors, agents and employees harmless from all losses incurred (including legal costs), in respect of any claim or demand, including threatened claims or demands, made by any third party which constitute, or would if proved constitute, a breach or threatened breach by the Advertiser of these Terms and Conditions or any breach by the Advertiser of any law or an infringement of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such claims are handled but the Publisher retain the final decision on all aspects of the claim, including choice of instructing solicitors, steps taken in litigation and decisions to settle the case. The Advertiser shall provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request, including the provision of witnesses, access to premises and delivery up of documents.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.gazettes-online.co.uk and all other websites controlled by the Publisher containing the Notice. The Publisher may require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim or threatened claim. Any reinstatement of the Notice shall be at the sole discretion of the Publisher.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in the London Gazette, and hereby assigns to the Publisher all rights, including but not limited to, copyright in all Notices, and warrants that any such activity by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party.

16 The Advertiser accepts that the purpose of the London Gazette is to disseminate information of interest to the public as widely as possible and that the information contained in the Notices published in the London Gazette may be used by third parties after publication for any purpose. In such instance, the Publisher accepts no liability whatsoever.

17 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher. The Charges must be paid by the Advertiser in advance of publication unless other requirements of the Publisher (as determined from time to time) are notified to the Advertiser.

18 If the Advertiser wishes to make a Complaint then please refer to the Gazette office.

19 A person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a third party specified in these Terms and Conditions or which exists or is available apart from that Act.

20 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the Laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
