PLANNING ACT 2008

THE PROPOSED ABLE MARINE ENERGY PARK  
(DEVELOPMENT CONSENT) ORDER

PLANNING INSPECTORATE APPLICATION REFERENCE:  
TR030001

NOTICE OF AVAILABILITY OF FURTHER MATERIAL

An application for a development consent order under the Planning Act 2008 (the "Application") was made by Able Humber Ports Limited ("Able") of Able House, Billingham Reach Industrial Estate, Billingham, TS23 1PX on 19 December 2011 and accepted by the Infrastructure Planning Commission ("IPC") on 12 January 2012 (application reference: TR030001). The examination functions of the IPC have now passed to the Planning Inspectorate.

Able is proposing to build a 1279m-long quay at Killingholme on the South Humber Bank in North Lincolnshire, which together with associated development will allow the manufacture and transportation of marine energy infrastructure to sites in the North Sea. As the quay will be capable of handling more than 5 million tonnes of cargo per annum, it is therefore a 'nationally significant infrastructure project' by virtue of section 24 of the Act.

The Humber Estuary is a 'Natura 2000' site, which means that it has special environmental protection. To compensate for the loss of some of this habitat, a compensatory habitat is proposed to be created on the north bank of the Humber at Cherry Cobb Sands. The centre of the marine energy park site is at grid reference TA170183, and the centre of the compensatory habitat is at grid reference TA220208.

At the Issue Specific Hearings on 11–14 September 2012, Able made it known that it would be providing updated documentation to the Planning Inspectorate on 12 October 2012. The updates consist of supplementary information relating to the proposed compensation site on the north bank of the Humber and associated information, information relating to the use of a site immediately adjacent to the compensation site for wet grassland habitat instead of Old Little Humber Farm, draft environmental management and monitoring plans, and other information requested by the examining Authority and interested parties.

The material will be available to view online at the AMEP project page of the Planning Inspectorate's website on or shortly after 12 October at:

## ***National Grid Electricity Transmission plc***

### **SECTION 56, PLANNING ACT 2008**

#### **REGULATION 9, INFRASTRUCTURE PLANNING (APPLICATIONS PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009**

#### **NATIONAL GRID ELECTRICITY TRANSMISSION PLC**

#### **PROPOSED NATIONAL GRID (NORTH LONDON REINFORCEMENT PROJECT) DEVELOPMENT CONSENT ORDER**

#### **APPLICATION REFERENCE NO: EN020009**

#### **NOTICE OF ACCEPTANCE OF APPLICATION FOR A DEVELOPMENT CONSENT ORDER BY THE SECRETARY OF STATE**

Notice is hereby given that the Secretary of State has accepted an application by National Grid Electricity Transmission plc ("National Grid") of 1-3 Strand, London, WC2N 5RH for a development consent order ("DCO") under the Planning Act 2008 ("the Application"). The Application was submitted by National Grid to the Secretary of State, c/o The Planning Inspectorate ("PINS"), on 30 August 2012 and was accepted on 27 September 2012. The PINS application reference number is EN020009.

#### **Summary of the Project**

National Grid has signed a number of contracts to connect new sources of low carbon electricity generation connecting onshore (new Combined Cycle Gas Turbines and Clean Coal) and offshore (large wind farms), which will increase the power flows into, and through, London. When commissioned, these sources of new generation will put more electricity into the distribution network, thereby increasing the potential supply of energy available to the city and meeting its growing demand for power.

To facilitate the increased flow of power into London it is necessary to upgrade one of the existing overhead electricity transmission lines (OHL) running from Waltham Cross Substation to Tottenham Substation, the ZBC route, to operate at a higher voltage. To function at this increased voltage works are also required to the existing substations connected to the ZBC OHL route at Waltham Cross, Brimsdown, and Tottenham.

The Application focuses on upgrading the existing ZBC OHL route (approx 14 kms) from 275kV to 400kV (the "Project"). The Application seeks a DCO authorising, amongst other things:

- Installation, operation and maintenance of a 400kV OHL;
- Construction of electricity transmission towers ("pylons"); three around Waltham Cross Substation and one replacement pylon south of Tottenham Substation;
- Removal of two existing pylons at Waltham Cross Substation;
- Construction of a new 400kV Gas Insulated Substation at Waltham Cross Substation;
- Replacement transformers and associated OHL cable sealing ends at Brimsdown substation;

- A 400kV cable bypass at Tottenham substation;
- The compulsory acquisition of land and rights in land and powers of temporary occupation of land to allow National Grid to carry out and maintain the proposed development;
- Any necessary temporary interference with the highway and public rights of way networks in the vicinity of the proposed development; and
- Such ancillary, incidental and consequential works and provisions as are necessary for the proposed development.

#### Environmental Impact Assessment

The Project is an "EIA development" for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009. This means that the proposed works constitutes development for which Environmental Impact Assessment is required. National Grid's application for a DCO is therefore accompanied by an Environmental Statement, containing the information that is required for the Secretary of State to make that assessment.

#### Copies of application documents

A copy of the application form and its accompanying documents, plans and sections is available for inspection free of charge from 3 October 2012 until 12 November 2012, at the following locations and times set out below:

On 21st May 2012 the Council determined that the area described in the Schedule below ("the Conservation Area") is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance. The Council has therefore designated a conservation area to be known as Stubhampton Conservation Area. The Council has also determined that the boundaries of Tarrant Keyneston, Tarrant Rushton, Tarrant Hinton and Tarrant Gunville be altered in recognition of the special architectural and historic interest of the areas.

The effect of the designation of the Stubhampton Conservation Area and alterations to the Tarrant Valley Conservation Areas (and described in the Schedule below) are as follows:

1. Conservation area consent will now be required before the demolition of any unlisted buildings located in the Conservation Area (other than excepted buildings) can take place. (Demolition includes substantial demolition).
2. Planning applications for development in the Conservation Area which would, in the Council's opinion, affect the character or appearance of the Conservation Area, must be given publicity. Representations received as a result of that publicity must be taken into account in determining those applications.

3. In carrying out any functions, under the Planning Acts ( and in particular, in determining applications for planning permission and listed building consent) in respect of land in the Conservation Area, the authority is under a duty to pay special attention to the desirability of preserving or enhancing the area's character or appearance.

4. Six weeks written notice must be given to the Council before any works are carried out to a tree in the area. It is an offence, subject to certain exceptions, to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in the Conservation Area except with the prior written consent of the Council.

5. The Council is now under a duty to formulate and publish proposals for the preservation and enhancement of the Conservation Area.

6. Permitted development rights for development in the Conservation Area are more restricted than before (persons wishing to exercise those rights within the Conservation Area should first check the extent to which they may do so with the Council's Development Services).

7. The display of new illuminated advertisements on business premises in the Conservation Area will require express advertisement consent. Advertisements displayed prior to the date of the designation of the conservation area under Class 4b and 8 of the Town & Country Planning (Control of Advertisements) Regulations 2007 are subject to the time limits prescribed for their continued display under the respective Class

8. Specific statutory duties are imposed upon telecommunications operators.

**TERMS AND CONDITIONS RELATING TO SUBMISSION OF NOTICES**

The London Gazette is the Official Newspaper of Record and the United Kingdom's longest continuously published newspaper. It has been Published by Authority since 1665. The London Gazette publishes official, legal and regulatory notices pursuant to legislation and on behalf of the persons who are required by law to notify the public at large of certain information. For the avoidance of doubt all references to "London Gazette" shall include supplements to the London Gazette and all mediums which shall include the online version of the London Gazette as well as the paper version.

The London Gazette is published by the Publisher (defined below) under the authority and superintendence of the Controller of Her Majesty's Stationery Office and Queen's Printer of Acts of Parliament.

Notices received for publication fall under the following broad headings:

State, Parliament, Ecclesiastical, Public Finance, Transport, Planning, Health, Environment, Water, Agriculture & Fisheries, Energy, Post & Telecom, Other Notices, Competition, Corporate Insolvency, Personal Insolvency, Companies & Financial Regulation, Partnerships, Societies Regulation and Personal Legal information. Further information can be found at [www.gazettes-online.co.uk](http://www.gazettes-online.co.uk).

These terms and conditions ("Terms and Conditions") govern submission of Notices (as defined below) to the London Gazette. By submitting Notices howsoever communicated, whether at the website [www.gazettes-online.co.uk](http://www.gazettes-online.co.uk) (the "Website") or to [www.gazette-submission.co.uk](http://www.gazette-submission.co.uk), email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication of the modified Terms and Conditions. By submitting Notices to the London Gazette after the Publisher has published notice of such modifications, the Advertiser agrees to be bound by the revised Terms and Conditions.

**1 Definitions****1.1 In these Terms and Conditions:**

**"Advertiser"** means any company, firm or person who has made an application for and who has been allocated space in the London Gazette, whether acting on their own account or as agent or representative of a principal;

**"Charges"** means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges which can be found in the printed copy or at [www.gazettes-online.co.uk](http://www.gazettes-online.co.uk);

**"Notice"** means all advertisements and state, public or legal notices placed in the London Gazette;

**"Publisher"** means The Stationery Office Limited.

**1.2 the singular includes the plural and vice-versa; and****1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.**

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which represent the entire terms agreed between the Publisher and Advertiser in relation to the publication of Notices. These Terms and Conditions shall govern and be incorporated into every Notice, and shall prevail over any terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing, unless otherwise agreed in writing by the Publisher.

3 The Publisher shall make all reasonable efforts to verify the validity of any Notice submitted for publication.

4 The Publisher may edit the Notice, subject to the following restrictions:

- 4.1 the sense of the Notice submitted by the Advertiser must not be altered;
- 4.2 Notices shall be edited for house style only, not for content;
- 4.3 Notices can be edited to remove obvious duplications of information;
- 4.4 Notices can be edited to re-position material for style;
- 4.5 any additions or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and
- 4.6 no amendments to the text (other than those made as a consequence of 4.1–4.5 above) shall be made without written confirmation from the Advertiser.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have discretion whether to accept a Notice for publication. The Advertiser must satisfy itself as to the legislative requirements relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have discretion to refuse to publish where the content of the Notice does not comply with legislative or procedural requirements (guidance on both is available from the Publisher). In such instances, the Publisher shall notify the Advertiser of the action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 The Publisher (including affiliates, officers, directors, agents and employees) shall not be liable for any loss or damage including expenses or costs suffered by the Advertiser or any third party whether arising from the acts or omissions of the Publisher and/or the Advertiser and/or any third party made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude the Publisher's

liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's negligence or the negligence of the Publisher's agents or employees.

7 For the avoidance of doubt, subject to clause 4 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon notification of such error by the Advertiser, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity and this shall be the limit of the Publishers liability or responsibility in these circumstances.

9 In the event that the Publisher believes an Advertiser is deliberately submitting Notices in bad faith and in breach of clause 10 below, or has dealings with Advertisers who are in persistent breach of these Terms and Conditions, the Publisher may require further verification of information to be provided by such Advertisers and may at its discretion delay publication of those Notices as far as it is able to, until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in the London Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of the London Gazette.

11 The Advertiser warrants:

- 11.1 that it has the right, power and authority to submit the Notice;
- 11.2 the Notice is not false, inaccurate, misleading nor does it contain fraudulent information;
- 11.3 the Notice is submitted in good faith, does not contravene any Act of Parliament nor is it in any way illegal or defamatory or an infringement of any other party's rights or an infringement of the British Code of Advertising Practice.

12 To the extent permissible by law the Publisher excludes all implied warranties, conditions or other terms, whether implied by statute or otherwise.

13 The Advertiser agrees to indemnify and hold the Publisher and/or (as applicable) the Publisher's affiliates, officers, directors, agents and employees harmless from all losses incurred (including legal costs), in respect of any claim or demand, including threatened claims or demands, made by any third party which constitute, or would if proved constitute, a breach or threatened breach by the Advertiser of these Terms and Conditions or any breach by the Advertiser of any law or an infringement of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such claims are handled but the Publisher retain the final decision on all aspects of the claim, including choice of instructing solicitors, steps taken in litigation and decisions to settle the case. The Advertiser shall provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request, including the provision of witnesses, access to premises and delivery up of documents.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice.
