The SECRETARY OF STATE FOR TRANSPORT ('the Secretary of State') is considering implementation of a project for widening the A21 between Tonbridge and Pembury south of Tonbridge in the County of Kent.

By a Notice on 11 December 2009 the Secretary of State published the above listed draft Orders and an Environmental Statement as required by Part VA of the Highways Act 1980.

In March 2010 the Secretary of State for Transport and the Secretary of State for Communities and Local Government ('the Secretaries of State') gave notice that Public Local Inquiries would be held into the Secretary of State's proposals for the above listed draft Orders and the objections which have been made in connection with these proposals.

In June 2010 the Secretaries of State wrote to all statutory objectors and other interested parties stating that it had been decided to postpone the Public Local Inquiries for the time being.

In December 2012 the Secretaries of State wrote to all statutory objectors and other interested parties stating that the statutory process is to be resumed and that Public Local Inquiries will be held on a date and at a place to be announced.

The Secretary of State has determined that in view of the time since publication of the draft orders and the Environmental Statement in December 2009 it is necessary to publish a Revised Environmental Statement to enable him to determine whether to make the draft Orders listed above.

The draft Orders listed above would provide for the following:

1. An Order under sections 10 and 41 of the Highways Act 1980 which will provide that roads which the Secretary of State proposes to construct (the "new main road and slip roads") along the following routes shall become trunk roads from the date when the Order comes into force:

(a) a route to connect the A21 Tonbridge Bypass south of Tonbridge with the A21 Pembury Road west of Pembury.

(b) four routes from the A21 Pembury Road to and from the southbound and northbound carriageways of the trunk road which the Secretary of State proposes to construct at Fairthorne.

(c) four routes from the A21 Pembury Road including two roundabouts to and from the southbound and northbound carriageways of the trunk road which the Secretary of State proposes to construct at the Longfield Road / Tonbridge Road junction at Pembury

2. An Order under sections 10 and 12 of the Highways Act 1980 which will provide that the length of the A21 Trunk Road to be superseded by the new trunk road shall cease to be a trunk road and that the lengths remaining shall be classified as a classified road from the date on which the Secretary of State notifies the Kent County Council that the new trunk road is open for traffic

3. An Order under sections 12,14 and 125 of the Highways Act 1980, in relation to the A21 Trunk Road as proposed to be improved by the Secretary of State and the slip roads to be constructed by him at Tonbridge, Fairthorne and Pembury in the County of Kent, which will:

(1) authorise him to :

- (a) improve highways,
- (b) stop-up highways
- (c) construct new highways,
- (d) stop up private means of access to premises, and
- (e) provide new means of access to premises

All between Tonbridge and Pembury in the vicinity of the A21 Trunk Road and the slip roads; and

(2) Provide for the transfer of each new highway to the Kent County Council as highway authority as from the date on which the Secretary of State notifies them that it has been completed and is open for traffic.

4. Four Orders, numbered 4, 5, 6 and 7 above, under sections 10, 12,14, 41, 125 and 326 of the Highways Act 1980 which, if made, would revoke:

- The A21 Trunk Road (Tonbridge Bypass to Pembury Bypass Dualling) Order 1996.

- The A21 Trunk Road (Tonbridge Bypass to Pembury Bypass Dualling Side Roads) Order 1996.

- The A21 Trunk Road (Tonbridge Bypass to Pembury Bypass Dualling Slip Roads) Order 1996.

- The A21 Trunk Road (Tonbridge Bypass to Pembury Bypass Dualling) (Detrunking) Order 1996.

1. About This Scheme

1.1 This Scheme is a document that sets out the terms and conditions for some of the **items** that we handle. **We** (Royal Mail Group Ltd) are allowed to set out terms and conditions within a Scheme document by the Postal Services Act 2000 (and more specifically section 89 of that Act as amended by the Postal Services Act 2011 and in particular paragraph 24 of Schedule 12 of that Act).

1.2 Each time we alter the wording within a Scheme it has the effect of making a new Scheme. We publish our Schemes on our website (www.royalmail.com).

1.3 This Scheme is known as 'The Royal Mail Overseas Letter Post Scheme February 2013' and is referred to in this document as 'this Scheme'. The date in the title is the date that the Scheme took (or will take) effect. This Scheme replaced an old Scheme which was called the Successor Postal Services Company Overseas Letter Post Scheme 2001 (as amended) which is no longer in force. This Scheme complies with requirements as set out by the Universal Postal Union (www.upu.int).

2. What This Scheme Applies To

2.1 This Scheme sets out the terms and conditions for:

(a) the services provided by us to the person, **business** or organisation asking for the service (**you**) when we accept items within the United Kingdom for postal delivery to an **address** outside the United Kingdom, the **Channel Islands** and the Isle of Man. The terms and conditions for the specific services listed below are contained within this Scheme:

- Airmail (with and without International Signed For™ or Airsure® added)
- Surface Mail (with and without International Signed For™ added)
- H M Forces Mail (with or without Special Delivery™ or Recorded Signed For™)
- Articles for the Blind

All product names offered under this Scheme are shown in this Scheme in red text.

(b) Incoming items.

3. Definitions

3.1 You may not be familiar with some of the words or phrases we use in this document. When they are used for the first time, they are

shown in **bold print** and explained in the relevant part of this document or in Annex A.

3.2 As mentioned in 1.3 above this Scheme replaced a previous Scheme so any references in other documents to the Overseas Letters Scheme that was in force before this Scheme should now be interpreted as referring to this new Scheme.

4. Our Ability To Provide Services

4.1 We will provide the services set out in this Scheme where the relevant terms and conditions contained in this Scheme for the service are complied with. We will provide the services in the manner that we deem to be most appropriate according to our operational requirements and an overarching need to secure the sustainability of the Universal Service.

4.2 We may decide to withdraw the provision of any of the services set out in this Scheme if the terms and conditions contained within this Scheme are not abided by or in the event of misuse or if providing the service may cause us reputational damage.

5. What Can And Cannot Be Contained Within An Item

5.1 There are some items that we cannot carry through our postal network for legal or safety reasons. Items that we cannot carry through our postal network are known as **prohibited items**. Some other items can only be carried under certain circumstances. These are known as **restricted items** and details of those are contained after the section on prohibited items.

5.4 Any item which resembles a prohibited item may be subject to additional scrutiny which may cause delay.

5.5 Failure to comply with these conditions could result in prosecution resulting in a fine or imprisonment.

5.6 Failure to comply with these conditions could affect your ability to claim compensation.

5.7 If you **post** an item that contains a prohibited item or if the item is an incoming item that contains a prohibited item, we may deal with such item in our sole and absolute discretion (without incurring any liability whatsoever to you or the addressee) including destroying or otherwise disposing of the relevant item (in whole or in part).

5.8 The sender is responsible for checking whether an item is prohibited. We reserve the right to refuse any other item banned by law or that in our opinion may be harmful or dangerous to our customers or employees.

5.9 All countries have their own rules regarding prohibitions on what they will allow in the post. These rules can vary from country to country, and can sometimes apply to items which you may think are ordinary. You are responsible for checking whether an item is prohibited in the relevant country.

5.10 It is your responsibility not to send prohibited items in the post. If you are in any doubt you may seek advice from our website (www.royalmail.com).

Restricted Items

5.11 There are some items, known as restricted items that we can, for legal or safety reasons, only carry through our postal network provided that you meet all our requirements for the acceptance of the item, including, but not limited to, packaging requirements.

5.12 We will not accept any liability for any item that contains restricted items if the requirements for the acceptance of those items are not met.

5.13 As the list of restricted items and requirements for each can change from time to time we maintain a full, up-to-date list on our website (www.royalmail.com) (which can be viewed at any time). The list and details quoted below were correct at the time of publication.

(a) **Alcoholic beverages with an alcohol content less than 24% ABV** (e.g. wine and champagne): Volume per item should not exceed 1 litre per container. Wrap in polythene and seal with tape. Surround with absorbent material such as newspaper and sufficient cushioning material to protect each item from breakage. Mark as "FRAGILE" when sending glass bottles. The sender's name and return address must be clearly visible on the outer packaging.

(b) **Batteries, specifically new and used lithium metal and lithium alloy when sent in equipment** (e.g. non-rechargeable): Each cell and battery must be of a type proven to meet the requirements of each test in the UN Manual of Tests and Criteria, Part III, subsection 38.3. Batteries are subject to these tests irrespective of whether the cells of which they are composed have been so tested. Cells and batteries must be manufactured under a quality management programme as specified in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods by Air. Cells or batteries that are defective for safety reasons, or that have been damaged are prohibited. Any person preparing or offering cells or batteries in equipment for transport must receive adequate instruction on the requirements commensurate with their responsibilities. Each package must contain no more than four cells or two batteries installed in equipment. The lithium content of a lithium metal/alloy cell or battery must not be more than 1g per cell or 2g per battery. For lithium ion/polymer cells and batteries, the watt-hour rating must not exceed 20Wh per cell or 100Wh per battery. Cells and batteries must be protected against short circuit. The equipment containing cells or batteries must be packed in strong rigid packaging and must be secured against movement within the outer packaging and packed to prevent accidental activation. The sender's name and return address must be clearly visible on the outer packaging. Each package is subject to the maximum weight limits of 2kg (see section 6.2).

Items must be clearly marked "URGENT - LIVING CREATURES - HANDLE WITH CARE". The sender's name and return address must be clearly visible on the outer packaging.

(j) **Magnetised materials, other than those that are prohibited** (including loud speakers): The magnetised material must have a magnetic field strength of less than 0.159A/m at a distance of 2.1m from the outside of the package. 5.14 Any item which resembles a restricted item may be subject to additional scrutiny which may cause delays.

5.15 Failure to comply with these conditions could result in prosecution resulting in a fine or imprisonment.

5.16 Failure to comply with these conditions could affect your ability to claim compensation.

5.17 If you post an item that contains a restricted item (and you do not comply with the relevant restrictions or requirements) or if the item is an incoming item and is discovered not to comply with the relevant restrictions or requirements, we may deal with such item in our sole and absolute discretion (without incurring any liability whatsoever to you or the addressee) including destroying or otherwise disposing of the relevant item (in whole or in part).

5.18 The sender is responsible for checking whether an item is restricted. We reserve the right to refuse any other item banned by law or that in our opinion may be harmful or dangerous to our customers or employees.

5.19 All countries have their own rules regarding restrictions on what they will allow in the post. These rules can vary from country to country, and can sometimes apply to items which you may think are ordinary. You are responsible for checking whether an item is restricted in the relevant country.

5.20 Valuables can only be sent using International Signed For™ or Airtsure®. Valuables sent under the HM Forces service shall be sent using the Special Delivery™ service.

5.21 It is your responsibility to ensure that restricted items are sent correctly and that you meet the requirements for acceptance. If you are in any doubt as to whether an item is one of the restricted items you can seek guidance from our website (www.royalmail.com).

6. Size and Weight Limits and How To Package An Item

6.1 In addition to the specific packaging and other requirements that relate to restricted items there are some general rules set out below that must be followed for all items as to weight, size, thickness and packaging.

6.2 Items sent using the Airmail or Surface Mail services may weigh up to 2 kilograms. Items sent as Printed Papers may weigh up to 5 kilograms. Items sent using the Articles for the Blind service may weigh up to 7 kilograms.

6.3 The maximum size of any item with the length, width and depth combined must not exceed 900mm with the greatest dimension not exceeding 600mm. For a cylinder shaped item the length plus twice the diameter may not exceed 1040mm with the greatest dimension being no more than 900mm. To be sent as a letter the maximum weight must not exceed 100grams and size must not exceed 245 x 165mm with a maximum thickness of 5mm (please note that the standard letter sizes quoted here reflect standard international letter dimensions which

may be slightly larger than standard UK letter dimensions). To be sent as a postcard the maximum size must not exceed 120 x 235mm.

6.4 The minimum thickness for any item is 0.25mm. We may refuse to accept or to deliver an item that is less than 0.25mm thick.

6.5 All items must be packaged such that, in our opinion, the item will not be likely to cause damage or harm to other items, equipment or individuals (including any recipient).

6.6 The **cover** and the protective material of the item must be appropriate to the contents such that we can convey it to its destination undamaged without having to take precautions over and above those normally taken by us with an item of mail. Packaging guidelines are available on our website (www.royalmail.com) and in booklets held by Post Office® branches.

6.7 With the exception of items that are sent using the Articles for the Blind service (which is discussed in more detail in section 21) all items must be securely sealed or fastened.

6.8 In addition to the requirement to provide sufficient protection both for the item itself and so as not to be likely to cause damage or harm to other items, equipment or individuals as set out in sections 6.5 and 6.6, any item that contains anything breakable should be placed in a strong box filled with appropriate protective materials and must be clearly and legibly marked with the words 'FRAGILE – HANDLE WITH CARE' in capital letters above the address.

6.9 In addition to the requirement to provide sufficient protection for the contents as set out in sections 6.5 and 6.6 any item that has contents that may be damaged by bending must be clearly and legibly marked with the words 'DO NOT BEND' in capital letters above the address.

6.10 In the same way that the list of restricted items can change from time to time so too can our packaging requirements for certain new or existing restricted items. You can review the full, up-to-date list of restricted items and associated packaging requirements on our website (www.royalmail.com). The latest packaging guidelines which apply to all items can also be found on our website (www.royalmail.com).

7. How To Address An Item

7.1 Each item must be fully and correctly addressed. All the elements of the address must be written clearly and legibly on the front or on a label securely attached to the front of the cover (or otherwise in a manner such that the address is clearly visible in its entirety as if it had been written on the front of the cover) of the item.

7.2 You must ensure that addresses take the following format when added to an item. Please do not use commas or full stops and note that the **LOCALITY NAME**, **ZONE NUMBER** or **POST OFFICE BOX NUMBER** and the **COUNTRY NAME** should be in **CAPITAL LETTERS** in English. The text that makes up the address should be aligned to the left as it is in the example below. It should not be staggered or centred.

Example Name
House name or number and road name
LOCALITY NAME and ZONE NUMBER if one exists
COUNTRY

The text set out in the example above and taken as a whole is known as the address block. The address block should appear in the centre of the front face of the item.

7.3 The address must not be obscured or made difficult to read in any way including by the manner in which the contents are enclosed in the item.

7.4 For items sent using the Airmail service, our branded Airmail sticker (available free of charge from all Post Offices) should be placed on the address side, in the top left hand corner. Alternatively the words "BY AIRMAIL – PAR AVION" should be written in capital letters in the same position.

7.5 Putting a correct address in the correct format in the correct location helps our sorting machines process the mail as quickly as possible. More information is available on our website (www.royalmail.com).

7.6 We recommend that you put a full and accurate return address on your item (in a position where it can't be confused with the destination address and preferably on the back) so that we are able to return the item to you, intact, should we need to. More information regarding Return to Sender can be found in section 15.

8. How To Pay For Postage And Other Services

8.1 Of the services contained within this Scheme only the Articles for the Blind service is provided (as long as specific requirements are met) free of charge. The specific requirements for this service are set out in section 21 of this Scheme.

8.2 The other services that are contained in this Scheme require payment for **postage**. These services are:

- Airmail (with and without the International Signed For™ or Aisured® add-ons);
- Surface Mail (with and without the International Signed For™ add-on); and
- H M Forces Mail (with or without Special Delivery™ or Recorded Signed For™ add-ons);

The specific requirements for International Signed For™ Aisured® and H M Forces Mail™ are set out below in sections 18, 19 and 20 of this Scheme.

(a) The services listed above in 8.2 can be paid for by applying **postage stamps, postage labels** (which can be generated by our on-line postage applications or by Post Office® branches) or by use of a franking machine.

(b) All services listed in 8.2 can also be purchased using a credit account.

8.3 Stamps can be purchased from us online from our website (www.royalmail.com), from Post Office® branches or from a wide variety of other high street retailers. When postage is purchased from a Post Office® branch it often takes the form of a postage label if it is for anything but the first weight band. Similar postage labels are also available from our online postage tool and through our computer applications (e.g. **SmartStamp®**) which you may subscribe to or sign up for.

8.4 A franking machine allows money to be credited onto it. Postage for items is then paid for, from this credit, on an item-by-item basis. There is a wide range of franking machines that can either be leased or bought from franking manufacturers. If you use a franking machine you must abide by the terms and conditions that are contained within a separate Scheme document called Royal Mail Scheme For Franking Letters And Parcels 2008 (which is published on our website (www.royalmail.com)) as well as the terms and conditions contained in this Scheme document.

8.5 A credit account allows you to post items without pre-payment. You are sent an invoice requesting payment for the items we have conveyed in the preceding period of time. If you set up a credit account with us you must abide by the terms and conditions that are contained within documents called the Royal Mail General Terms and Conditions and the Royal Mail Account Terms (both which can be found on our website (www.royalmail.com)) as well as the terms and conditions contained in this Scheme document.

9. How To Work Out How Much Postage To Pay

9.1 For the services listed in this Scheme that are not free the amount of postage that you must pay is dependent on several factors. The first is the destination (the destination); the second is how quickly you would like the item to arrive (the service); the third is the weight and format (i.e. the shape and size) of the item (the weight and format); and the fourth is how much compensation is required in the event of loss or damage (the compensation):

(a) The destination: destinations are grouped together to form pricing zones (pricing zones). Currently the pricing zones are Europe (consisting of EU and non-EU destinations); World Zone 1 (covering North and South America, Africa, the Middle East and Asia) and World Zone 2 (covering Australasia). In the case of Surface Mail, there is one World Zone outside of Europe. The pricing zones change from time to time and the up-to-date list can be found on our website (www.royalmail.com).

(b) The service: we offer the services set out in section 8.2. Details of the services, their availability and delivery aims (by service and destination) can be found on our website (www.royalmail.com). International Signed For™ and Aisured® (available for Airmail only) services are available upon payment of an additional fee on top of the relevant Airmail or Surface Mail postage. Further specific details about International Signed For™, Aisured®, H M Forces Mail and Articles for the Blind services, can be found in Sections 18 - 21 below and on our website (www.royalmail.com).

(c) The weight and format: for pricing purposes items are classed as either letters or packets as follows: Items which do not exceed 100g in weight and 245mm by 165mm by 5mm in size are deemed to be letters for pricing purposes. All other Items which exceed the weight and size limits for letters but do not exceed the maximum dimensions as described within section 6 of this Scheme are deemed to be packets for pricing purposes.

(d) The compensation: Airmail and Surface Mail services include standard compensation to a maximum of £46 for loss or damage. International Signed For™ and Aisured® services include compensation to a maximum of £50 for loss or damage and are available with enhanced compensation options for an additional fee. Further specific

details, including compensation, exemption information, can be found in section 16 below and on our website (www.royalmail.com).

9.2 To help you find the best service for your needs and budget we provide a price finder tool on our website (www.royalmail.com). Prices and other pricing information can also be found in other locations on the same website (such as product specific pages) including in a Tariff brochure with all pricing information for the services mentioned in sections 9.1 (a) – (d).

9.3 We may change the rates of postage and service fees from time to time. Changes to postage rates and service fees and the date on which the changed rates and fees will come into effect will be published at least one month (or whatever period of time agreed by us with our regulator, Ofcom) in advance on our website (www.royalmail.com).

10. How To Show That An Item Has Had Postage Paid

10.1 You must show us that postage for an item has been paid for (where it applies) so that we can convey it without delay. Payment is demonstrated by the application of a **postage mark** to the item. The manner in which payment of postage can be shown depends on the method of payment used. Section 8 above set out the most common ways of applying a postage mark (postage stamps, postage labels, **service fee labels, franking marks**, marks created by online applications such as SmartStamps®, **Printed Postage Impressions** (PPIs) etc). In addition a postage mark may be fixed, printed, impressed, embossed or otherwise shown on the envelope or cover of an item as we may specify or approve.

10.2 Postage marks must be applied to the top right hand corner of the envelope or cover of the item unless we specify otherwise. If the item is spherical or without corners the postage mark should be placed above and to the right of the address.

(a) A postage mark that is damaged or imperfect, has been defaced or has anything written or printed over it becomes void and cannot be used to show that postage has been paid.

(b) You can use an adhesive postage stamp which has been perforated by means of a punch provided that the perforation holes are smaller than the holes dividing one stamp from another on a sheet of stamps.

(c) Postage marks can be used only once and then they become void and must not be re-used to pay postage on the same or another item.

(d) Any postage mark that carries an expiry time and/or date will become void from that time and/or date and cannot be used to show that postage has been paid after that time and/or date.

10.3 If you use a franking machine you must apply a franking mark to the cover of the item as set out in the Royal Mail Scheme For Franking Letters And Parcels 2008 (which is published on our website (www.royalmail.com)) and according to any guidelines that we publish on our Franking help centre website (www.royalmail.com).

10.4 If you make use of a credit account you must apply a Printed Postage Impression (PPI) in accordance with the PPI Licence, the PPI design notes and any guidelines that we publish on our website (www.royalmail.com).

11. Other Requirements Relating To The Address On The Cover Of An Item

11.1 Section 7 set out how to address an item and Section 10 set out how payment can be indicated. There are some further things that must be considered with regard to the cover of the item so that we can efficiently convey the item without delay.

11.2 An item must not have on its cover:

- (a) anything which obscures the postage mark;
- (b) anything which is likely, in our opinion, to make it difficult for us to apply a **postmark** to the cover;
- (c) anything which, in our judgement, is likely to make the postmark illegible;
- (d) any counterfeit or fake postage mark;
- (e) any postage mark which we consider may have previously been used to pay postage;
- (f) signs, words or marks, used without official permission, which could indicate that the item was sent on Her Majesty's Service or was conveyed and delivered by us; or
- (g) any signs, words, images or designs which are offensive, obscene or indecent.

11.3 An item must not contain correspondence or letters other than between the sender and addressee of the item (or persons living with them). This does not include archived materials.

11.4 An item must not be made up in any way or have anything on its cover which, in our judgement makes it difficult or embarrassing to deliver the item.

11.5 A postage mark must not be attached to an item using staples, sticky tape, or any other means that we do not approve.

12. How To Hand Over (or Post) An Item

12.1 All items sent using a service provided through this Scheme can be posted in the following ways:

- (a) by handing it to an authorised member of staff at a Post Office® as long as considered feasible to do so;
- (b) by Business Collection service (typically a paid for extra service where we collect the mail from a business customer's premises. Business Collections services are not covered by this Scheme, but the items that we collect under such services may be covered by this Scheme); or
- (c) in any other manner which we may approve.

12.2 In addition the following services:

- (i) Airmail (without International Signed For™ or Aisured® added);
- (ii) Surface Mail (without International Signed For™ added);
- (iii) H M Forces Mail (without Special Delivery or Recorded Signed For™ added or except those items that qualify as free of charge items under BFPO); and
- (iv) Articles for the Blind.

can be posted in the following ways:

- (a) by placing it in a post box (typically a red post box on the street);
- (b) by placing it in a **private post box** (typically a post box contained within a shop or other private premises); or
- (c) larger items should be handed to an authorised member of staff at a Post Office® branch.

An item placed in a private post box will be deemed to have been posted when collected by us and not before.

12.3 An item that has had postage paid by a franking machine must be posted in accordance with the Royal Mail Scheme for Franking Letters and Parcels 2008 which is published on our website (www.royalmail.com).

12.4 Items sent through the Airmail and Surface Mail services (with or without the International Signed For™ or (in respect of Airmail) Aisured® add-ons) that have been paid for with a credit account must be presented to us in accordance with the guidance as outlined on our website (www.royalmail.com) and also in accordance with any conditions set out in the PPI Licence.

12.5 Articles for the Blind sent by a business must present items separate to but in the same manner (as required by 12.4 above) and at the same time as any items which are posted using a credit account.

12.6 All items must be posted by the latest acceptance time that we determine and advertise or agree with you (as appropriate to the method of posting). Items posted after that latest acceptance time will be considered to have been posted the following working day.

13. How We Will Treat Items That Do Not Meet the Requirements Set Out In This Scheme

13.1 Once an item has been posted (whether as an **outgoing item** or an incoming item) we may carry out checks on that item.

13.2 Subject to sections 5.7 and 5.17 above (which set out how we treat items that contain prohibited items and/or restricted items where the relevant restrictions or requirements have not been complied with), if an item is found not to meet the conditions set out in this Scheme or an item is found that indicates that insufficient (or no) postage and/or service fee has been paid for the service requested, or for incoming items the item appears to satisfy the conditions of a **re-mail item**, we may decide at our discretion to do one of the following things set out below within a reasonable period of time.

13.3 In respect of outgoing items, we may:

- (a) Convey the item to the relevant overseas postal operator for delivery to the address shown by the service requested. The overseas postal operator may require the addressee to collect the item from a specified location.
- (b) Convey the item to the relevant overseas postal operator for delivery to the address shown by an alternative service that we determine to be appropriate. In these situations the conditions of the service used to convey the item will apply.
- (c) Treat the item as undeliverable. Details of how we may deal with undeliverable mail can be found in Section 15.
- (d) Return the item to you.
- (e) Refuse to accept it.
- (f) If none of the above courses of action are possible we may deal with or dispose of the item at our discretion.

In all cases we may not accept any liability for that item. This provision also applies to items which have been found either in a Post Office® branch or on Royal Mail premises and which appear to be intended for posting.

13.4 In respect of incoming items, other than an incoming **registered item** (which shall be dealt with in accordance with 13.5 below), we may:

- (a) Convey the item to the addressee.

(b) Return the item to the country of origin.

(c) Treat the item as undeliverable. Details of how we may deal with undeliverable mail can be found in Section 15.

(d) Otherwise deal with or dispose of the item at our discretion.

13.5 An incoming registered item shall be forwarded to the addressee without any additional charge.

13.6 In each case set out in sections 13.3 and 13.4 the addressee or you may be required to pay an amount (to be fixed by us or the relevant overseas postal operator) in order to cover additional costs before the item is delivered or released for collection:

(a) In the event of underpaid or unpaid postage and/or service fees the amount due may include a surcharge in addition to the underpaid or unpaid postage to cover administrative costs.

(b) Where the amount due is not paid the item may be dealt with or disposed of at our discretion.

13.7 In each case set out in sections 5.7, 5.17, 13.3 (d) to (f) and 13.4 (b) to (d) you or your **representative** or the addressee or their representative may be required to pay an amount (to be fixed by us or the relevant overseas postal operator) to cover the costs of returning, dealing with or disposing of the item.

14. Additional Marks We May Add

14.1 In the course of conveying an item we (or someone authorised by us) may alter the look of the cover of that item. Most usually this is by the addition of a postmark which shows that a stamp has been used and prevents it from being used again. A postmark may also contain an advertising or informative image. We may apply the postmark in any manner we consider appropriate. It is important to note that we may apply any form of postage mark (an image that denotes payment), impression, image, sticker, label or other device we consider suitable for any other postal purpose we consider appropriate.

14.2 We may also charge you a fee (to be fixed by us from time to time) and published on our website (www.royalmail.com) for cancelling postage marks with a special postmark including one that incorporates an advertisement, at your request.

15. Delivery Including Undeliverable and Re-Posted (Return To Sender) Items

15.1 Subject to sections 5.7 and 5.17, for outgoing items returned to us by an overseas postal operator as:

- (a) Undeliverable, we will attempt to return the item to you. We will not charge any additional postage or fee for returning an undeliverable item but you or your representative may have to pay any other fees (e.g. surcharges or customs charges) that apply. If any applicable fee is not paid, the item may be dealt with or disposed of at our discretion.
- (b) Undeliverable and the item was not originally posted in the United Kingdom, the Channel Islands or the Isle of Man, we may, at our discretion:

- Convey the item to the addressee.
- Return the item to the country of origin or to the postal administrator that forwarded the item to us.
- Otherwise deal with or dispose of the item at our discretion.

In each case set out in this sections 15.1(b) the addressee or you or the sender may be required to pay an amount (to be fixed by us) in order to cover underpaid or unpaid postage and/or service fees plus a surcharge to cover administrative costs before the item is delivered or released for collection.

(c) Return to Sender, we will attempt to return the item to you from a delivery address if all of the following conditions are met – i.e. the item:

- was originally posted using a service set out in this Scheme; and
- is re-posted by the addressee or any other person for any reason; and
- the original address is crossed out; and
- a clear instruction to return the item to you is written on the cover; and
- the return address is written fully, correctly and legibly on the cover; and
- the return address is in the United Kingdom, the Channel Islands or the Isle of Man; and
- the item is returned to us by the relevant overseas postal operator.

15.2 For incoming items, other than re-mail items (which shall be dealt with in accordance with Section 13), we will attempt to deliver items that meet the conditions for the relevant service set out in this Scheme.

15.3 Some items require a signature at the point of delivery and some are too large to fit through a letter box. In these situations someone needs to be present at the address to take delivery of the item.

(a) If no one is available we may attempt to deliver the item to a neighbour. Please note that we will never attempt to deliver an item to a neighbour if it is a registered item or an **express item**.

(b) If a neighbour is available to take delivery of the item we will leave the item with that neighbour and leave a card at the address that the item was addressed to. That card will inform the addressee (or their representative) that an item is (or items are) being held by a neighbour for them and provide the address details for that neighbour and the date and the time that the item was left with the neighbour.

(c) If an addressee does not want their items to be delivered to a neighbour or does not want to take items for neighbours they can opt out of the Delivery to Neighbour service, free of charge, by registering their wish to opt out in such a way as Royal Mail may reasonably require from time to time.

(d) If a neighbour is not available to take delivery of the item, or the addressee has opted-out and does not want their items to be delivered to a neighbour or to take items for neighbours, we will take the item back to the Delivery Office or an alternative location such as a Post Office® branch. We will leave a card at the address that the item was addressed to.

(e) The card that is left at the address will inform the addressee (or their representative) that we attempted to deliver an item or items and will offer the addressee (or their representative) one or more of the following opportunities:

- (i) to request that the item be redelivered to the same address;
- (ii) to request that the item be redelivered to an alternative local address ("local" in this context means an address covered by the Delivery Office to which the item was returned). Please note that this option is not available for registered items or **express items**;
- (iii) to collect (after the required period of time stated on the card has elapsed to allow for the item to reach that location and once identification that we deem to be suitable has been provided) the item from the Delivery Office or the alternative location such as a Post Office® branch to which the item was taken back to; or
- (iv) to request that the item be sent from the Delivery Office or other location (other than a Post Office® branch) to a Post Office® branch for collection. This service is called Local Collect (Social) and incurs an additional fee. When collecting the item the addressee (or their representative) must provide the card that was left at the address and identification that we deem acceptable. Further details including the current fee and identification requirements can be found on our website (www.royalmail.com).

15.4 We may decide not to deliver an incoming item which we consider impracticable or unreasonable to deliver. Such an item is referred to in this Scheme as undeliverable.

15.5 Where an incoming item is undeliverable the item may at our discretion be returned to the sender or otherwise may be disposed of as we may think fit.

15.6 Redirection - for incoming items that have been redirected from an address outside of the United Kingdom the Channel Islands and Isle of Mann, even if it was not originally posted in that country, to an address in the United Kingdom, we will attempt to convey the item to the addressee. In the event of underpaid or unpaid postage and/or service fees on such items the amount due may include a surcharge in addition to the underpaid or unpaid postage to cover administrative costs before the item is delivered or released for collection, in addition the addressee may have to pay any other fees (e.g. surcharges or customs charges) that apply, before the item is delivered or released for collection. Where the amount due is not paid the item may be dealt with or disposed of at our discretion.

15.7 Forwarding – unofficial redirections – We are not under any obligation to do anything with an item that someone requests to be forwarded to another address other than the return to sender address on the cover. We consider these unpaid for, forwarding requests to be a form of unofficial redirection request. Typically in this situation the original address is crossed out and a written request ("forward to") is made on the cover to forward the item to another address. This is normally attempted in order to try to get the item to the addressee who has moved to another address. In these situations the person moving should take out a Redirection service with us or provide pre-paid stationery. If we find an item that someone has requested be forwarded to another address then the item may be dealt with or disposed of at our discretion.

16. Compensation – What We Are Liable For

16.1 The vast majority of items arrive safely on time. In some instances items may be lost or damaged. In these situations we may refund postage and/or service fee and may award compensation. We do not pay compensation for delay. This section provides details as to what

items qualify for refunds and compensation, what compensation is available and how and when claims need to be made.

16.2 We will accept liability, may refund postage and/or service fees and may pay compensation for the **loss of, damage to, or part loss of** an item posted under this Scheme, unless that item:

- (a) is considered by us or by an overseas postal operator to be undeliverable (as set out in section 15 above);
- (b) is one that has been successfully delivered but subsequently made the subject of a Return to Sender request (as set out in 15 above);
- (c) is considered by us or by any overseas postal operator to be subject to a forwarding or unofficial redirection request (as set out in section 15.6 and 15.7 above);
- (d) has not fully meet all of the conditions set out in this Scheme (as mentioned in section 13.2);
- (e) is considered by us to indicate that insufficient (or no) postage and/or service fee has been paid for the service requested (also as mentioned in section 13.2 above);
- (f) is one which we have dealt with or disposed of at our discretion as mentioned under any section of this Scheme;
- (g) is one that contained prohibited items (as set out in section 5.2 above);
- (h) is one that contains restricted items and the requirements for the acceptance of those items have not been met (as set out in section 5.6 above);
- (i) is one that is being sent by post in contravention of section 85 of the Postal Services Act 2000 (as amended), which essentially means any item that may damage another item or injure anyone handling that item. Also an item that contains or shows on its cover an indecent or obscene image;
- (j) is subject to circumstances where the event leading to the claim was caused by situations outside our control including exceptionally severe weather conditions, acts of terrorism and vandalism and acts of third parties with whom we have no contractual relationship;
- (k) is one where the loss or damage is due to a latent or inherent defect or natural deterioration;
- (l) is one that we do not believe has suffered damage or delay solely as a result of its transmission through the post. In particular where the cover does not appear to us to have suffered damage consistent with the damage caused to the contents of that item;
- (m) is one where the damage was pre-existing, that is, where the item was already damaged when it was posted; or
- (n) is one which has been re-directed to an address in the Channel Islands or the Isle of Man.

16.3 For clarity where an item falls into one of the categories listed in section 16.2 (a) to (n) then we will not accept liability, will not refund postage and/or service fees or pay compensation for the loss of or damage to that item.

16.4 In addition to section 16.3 we will only accept liability, may refund postage and/or service fees and may pay compensation where the loss or damage is due to any wrongful act done, or any neglect or default committed by a member of staff or agent of Royal Mail while performing or purporting to perform his functions as such in relation to the receipt, conveyance, delivery or other dealing with the item.

16.5 In addition to sections 16.3 and 16.4 we do not accept liability, will not refund postage and/or service fees or pay compensation for loss or damage to an item where the loss or damage is caused by your own act or omission in the course of either preparing to post or actually posting the item.

16.6 The amount of compensation that is payable depends on a number of factors including:

- The service used,
- The nature of compensation being sought i.e. whether for loss or damage,
- The evidence that can be provided, and
- The value of the item.

16.7 Compensation is available for items sent using the following services:

- Airmail (with and without International Signed For™ or Aisured® added);
- Surface Mail (with and without International Signed For™ added);
- HM Forces Mail (with and without Special Delivery™ or Recorded Signed For™ added);
- Articles for the Blind (with International Signed For™ or Aisured® added).

16.8 We will only consider a claim for loss or damage compensation where the **required evidence** (as defined in section 16.9) is available and provided. Where the required evidence is provided and the item is one

which we accept liability for but has no **intrinsic value** we will refund the postage paid.

16.9 The required evidence is made up of all of the following:

- (a) the names and addresses of you, the addressee and, if different, the claimant;
- (b) the name of the service used;
- (c) evidence of posting and evidence of the value of the postage paid plus the method of postage, e.g. stamps, franking impression, Smartstamp®. Evidence of posting may include:

- an original Certificate of Posting (provided automatically for International Signed For™ items and Aisure® and available on request and free of charge at Post Office® branches for other items),
- an original Smartstamp® or on-line postage certificate of posting validated at a Post Office® branch,

- for damage (or part loss) claims the item with cover and packaging, showing the postage paid as well as the original Certificate of Posting if provided as part of the service purchased (i.e. International Signed For™ and Aisure®);

(d) the place of posting;

(e) the date of posting;

(f) for International Signed For™ and Aisure® services with enhanced compensation, the product documentation provided to you when posting the item (i.e. certificate of posting or receipt);

(g) a detailed description of the contents;

(h) in addition, for damage (or part loss) claims the date of delivery; and

(i) in addition for damage (or part loss) claims a description of the packaging and condition of the mail item itself.

16.10 In order to claim loss or damage compensation for the **actual loss** of the item additional evidence of the item's value is required. Please note that, when claiming for actual loss, there is a cap on the amount of compensation that can be paid. For International Signed For™ and Aisure® it is the lower of **market value** or £50 (or £250 or £500 if enhanced compensation has been purchased. Enhanced compensations is limited to £250 for some destinations and is not available for mobile telephones (including Blackberrys and PDAs)). The maximum compensation available for loss or damage to cash, securities or instruments to the bearer is £100. There are restrictions to sending cash and other items to some destinations. Please see our website (www.royalmail.com) for further information on restrictions and prohibitions. For all other services listed in section 16.7 it is the lower of market value or £46. Details are summarised in Tables 1 & 2.

16.11 Evidence of value can be:

- Original receipts;
- Bank or credit card statements;
- Paypal records;
- Invoices;
- Manufacturing costs;
- Auctioneers valuations;
- Repair quotations.

This list is not exhaustive. It is provided for illustrative purposes. All evidence of value must be originals and not copies. You are advised to make copies before sending us originals.

16.12 In addition to information set out in sections 16.9 – 16.11, for eBay claims you must also include the following:

- item sale page and Paypal or bank/credit card statement; and
- ebay item number.

16.13 Please note that all of the packaging and contents of damaged items or items subject to part loss must be retained as we may need to inspect them. If they are not retained then compensation may not be paid.

Making a Claim

16.14 This section sets out some details for making a compensation claim. The full process for making a claim is set out on our website (www.royalmail.com). We may reject claims that do not follow that process.

16.15 Claims should be made by the sender of the item. If the sender and the intended recipient both make a claim for the same item, then only the sender will have a right to compensation, unless a compensation payment has already been made to the recipient, in which case the sender will have no right to compensation.

16.16 Any loss, damage (or part loss) claims must be made as soon as possible after the incident to help us investigate. Claims must be made by the deadlines set out below. Please note that loss claims can only be made if the item has not been delivered (or had delivery attempted) 20 or more working days after the **due delivery date** for EU destinations and 25 working days after the due delivery date for Rest of the World destinations. Please note that resolution of a claim may take some time, whilst we deal with overseas postal operators.

16.17 All loss and damage (or part loss) claims must be made within 6 months of the date of posting for all services covered by this Scheme.

16.18 All claims should be made using the correct claim form which is available to download from our website (www.royalmail.com) and can be collected from Post Office® branches. By using the correct claim form we can process your claim as quickly and effectively as possible.

16.19 The claim form needs to be completed as fully as possible, signed and dated by the claimant before being sent to us. Remember that in order to claim loss or damage compensation for actual loss of the item some additional evidence of the items value is required and should be sent in with the claim form.

16.20 If additional evidence cannot be provided then only a postage refund can be considered.

16.21 No compensation or other payment will be paid by us for loss or damage claims not made within 6 months of the date of posting and not made in full compliance with the requirements of this Scheme.

16.22 We may at any time request additional documentation and/or information from the claimant, sender or recipient to protect against unwarranted or duplicate claims. This includes, but is not limited to, a declaration of non-receipt (or proof of non-receipt in appropriate cases).

16.23 If compensation has been paid in respect of the loss of an item for a sum exceeding the real value of the contents, or if the item is subsequently found and delivered or returned any compensation or postage refund awarded to you must be refunded to us.

17. Additional Terms and Conditions For Some Services /Items

17.1 The terms and conditions set out in sections 5 to 16 apply to all items. These are referred to in this Scheme as the **common terms**. Some services that we offer have additional terms and conditions that are specific to those services. The additional terms are known as the **specific terms** in this Scheme and are contained in the sections below. There is a section each for:

- International Signed For™ (Section 18)
- Aisure® (Section 19)
- HM Forces Mail (with and without Special Delivery™ or Recorded Signed For™) (Section 20)
- Articles for the Blind (Section 21)
- Printed Papers (Section 22)

17.2 When using a service listed in Section 17.1 then the specific terms must be complied with in addition to the common terms. Where the specific terms conflict with the common terms then the specific terms should be followed as they take priority over the common terms.

17.3 In addition to the common and specific terms contained within this Scheme other terms and conditions may exist for some services.

For example in section 10 above we mentioned that customers using a franking machine must abide by the Royal Mail Scheme For Franking Letters and Parcels 2008 and according to any guidelines that we publish on our Franking help centre website (www.royalmail.com). Also, customers who make use of a credit account must abide by the PPI Licence, the PPI design notes and any guidelines that we publish on our website (www.royalmail.com). Such terms and conditions may be contained in application forms, licences, or any other document issued or authorised for issue by us and all may be updated from time to time.

18. International Signed For™

18.1 International Signed For™ is a service that can be bought with and added to either Airmail or Surface Mail services. The addition of International Signed For™ means that the item will only be delivered to an addressee or their representative once a signature or similar proof of delivery has been gained. International Signed For™ is tracked to the point it leaves the UK when used in conjunction with Airmail. For some destinations, tracking continues overseas to delivery. For details of destinations where this applies please see our website (www.royalmail.com).

18.2 You must apply (or must ensure someone else applies) a fully completed International Signed For™ label securely to the cover of the item to which International Signed For™ has been added in a manner and position specified by us.

18.3 Upon delivery of an item with International Signed For™ added the addressee or their representative must sign (or otherwise provide some form of proof of delivery as we may specify). Where such a signature or proof of delivery is refused to be provided to us then the item may be dealt with or disposed of as we consider appropriate. Please note that the representative could be someone else at the delivery address or a neighbour.

18.4 We cannot provide you with a copy of the signature of the recipient of the International Signed For™ item. We may however seek to obtain a copy of such signature in the event of a claim for loss or damage.

18.5 Confirmation of delivery (not including a copy of the signature of the recipient) can be viewed on our website (www.royalmail.com) and will be available for up to 12 months after the item was posted.

19. Aisured®

19.1 Aisured® is a fully tracked, secure service that can be bought with and added to Airmail to a number of destinations. Details of destinations can be found on our website (www.royalmail.com).

19.2 Aisured® is fully tracked from despatch to delivery - further details of which can be found on our website (www.royalmail.com).

19.3 Aisured® should not be confused with International Signed For™ that takes a signature on delivery.

19.4 You must apply (or must ensure someone else applies) a fully completed Aisured® label securely to the cover of the item to which Aisured® has been added in a manner and position specified by us.

19.5 If we find an item which has not met the conditions laid out in this Scheme for an Aisured® item but which either:

- (a) has 'Aisured' written on it, or anything which suggests that the item is intended to be sent via Aisured® or
- (b) is found to contain valuables,

then we will treat it as a Aisured® item.

In either case, if the item is treated as a Aisured® item, you or the addressee will be charged the appropriate postage for that service. If the fee is not paid the item may be dealt with or disposed of at our discretion.

19.6 Confirmation of delivery (not including a copy of the signature of the recipient) can be viewed on our website (www.royalmail.com) and will be available for up to 12 months after the item was posted.

20. HM Forces Mail (with and without Special Delivery™ or Recorded Signed For™)

20.1 Royal Mail works with the Ministry of Defence to provide a postage service to HM Forces overseas.

20.2 The weight limit for all HM Forces Mail is 2kg.

20.3 Prices for HM Forces Mail are set by the British Forces Post Office (BFPO). This currently follows domestic pricing, but may be subject to change. Details of pricing can be found on our website (www.royalmail.com).

20.4 In some cases items may be sent to members of HM Forces overseas free of charge. Such concessions are determined by the BFPO details of which can be found on our website (www.royalmail.com).

20.5 Special Delivery™ may be bought with and added to HM Forces Mail when compensation is required in the event of loss or damage to an item being sent to a member of HM Forces overseas.

20.6 Terms and conditions relating to Special Delivery™ sent through BFPO shall follow those as outlined by the United Kingdom Post Scheme November 2012 (a copy of which may be found on our website (www.royalmail.com)) except that:

- (a) Compensation for delay or consequential loss is not available.
- (b) Money or jewellery must be sent in a Special Delivery™ pre-paid envelope if compensation is to apply in the event of loss or damage.
- (c) Compensation is available for loss and damage on the basis of actual loss up to the maximum of the market value or £500 (£1000, or £2500 if enhanced compensation is purchased) whichever is the lower of these.
- (d) Special Delivery™ items being sent via BFPO will take a signature on delivery but will not provide tracking or confirmation of delivery.

20.7 Terms and conditions relating to Recorded Signed For™ sent through BFPO shall follow those as outlined by the United Kingdom Post Scheme November 2012 (a copy of which may be found on our website (www.royalmail.com)) except that Recorded Signed For™ items being sent via BFPO will take a signature on delivery but will not provide confirmation of delivery.

21. Articles For The Blind

21.1 Articles for the Blind is a free of charge service for the conveyance of items that contain particular items that are of use to blind people.

21.2 In this Scheme blind people and the blind means:

- (a) persons registered as blind under the provisions of the National Assistance Act 1948; or
- (b) persons whose standard of close-up vision, with spectacles, is N12 or less.

21.3 Articles for the Blind can be used to convey items to or from blind people that contain any of the following items:

- (a) books, papers and letters which are specifically prepared for use by blind people. Standard or large print items may only be sent using the Articles for the Blind service if, in our reasonable opinion, they fall within this definition and the font size is at least 16 points in size;
- (b) papers sent to anyone to be specially prepared or impressed so that blind people can use them;
- (c) relief maps;
- (d) machines, frames and attachments for making impressions for blind people to use;
- (e) writing frames and attachments;
- (f) Braille instruction manuals; or
- (g) any other item that we determine to be allowable as listed on our website.

21.4 Articles for the Blind can be also used to convey items between blind people and specific organisations or institutions (which are pre-approved by us) that cater for blind people that contain any of the following items:

- (a) games (including card games);
- (b) mathematical appliances and attachments;
- (c) 'talking books' and 'talking newspapers', which are recordings of readings from printed sources, such as books, journals, newspapers, periodicals or similar publications;
- (d) equipment used to play talking books and newspapers;
- (e) metal plates impressed or sent for impressing for use by blind people;
- (f) supplies of covers, envelopes and labels for sending articles for use by blind people;
- (g) watches, clocks, timers, tools and measuring equipment designed for blind people to use;
- (h) walking sticks adapted for blind people;
- (i) harnesses for guide dogs;
- (j) computer disks and CDs which have been prepared for blind people and do not contain information which can be read without specially prepared encryption software; or
- (k) any other item that we determine to be allowable as listed on our website (www.royalmail.com).

21.5 Any item must meet the conditions set out below. We may inspect each item to ensure it meets the conditions set out below:

- (a) it must weigh less than 7 kilograms;
- (b) it must clearly show the words 'ARTICLES FOR THE BLIND' on the front of the cover along with your name and address somewhere on the cover where it can't be confused with the destination address (preferably on the back of the item). If sent through a Post Office® branch a label must also be applied which is known as a P4558;
- (c) it must be left un-sealed so the contents can be checked to make sure they are permissible as listed in sections 21.3 or 21.4. Alternatively they can be sealed in a manner that we can open and then re-seal or

we may agree alternative arrangements with you in advance should you be unable to meet these requirements. For example you may be able to design your cover such that the contents are visible;

(d) it must not contain any item or personal message which is not listed in sections 21.3 or 21.4, with the exception of a label showing the name and address of the sender, and instruction booklets, guarantees, technical documentation and other information provided for use with an item listed in sections 21.3 or 21.4. Please note that we may open and inspect items that are sent using Articles for the Blind to ensure the service is not being abused;

(e) it must be addressed to a named recipient. This can be the name of an individual or an organisation that provides services specifically for blind people. Where addressed to an individual that individual must be a blind person. It is not permissible to send an item using Articles for the Blind if it is addressed to 'The Occupier' or 'Dear Customer';

(f) it must not contain any advertising literature; and

(g) it must not contain any postage stamp or form of prepayment, whether cancelled or not, or any paper representing a monetary value, except in cases where the item contains as an enclosed card, envelope or wrapper bearing the printed address of the sender or his agent which is pre-paid for return.

21.6 If we find an item that has been posted with us as an Articles for the Blind item but which does not meet the requirements set out in these specific terms then we may convey it using a different service and we will charge you or the recipient the appropriate postage for that service along with a surcharge to cover our costs. If the postage and surcharge is not paid then we will deal with the item as we determine.

21.7 More information is available on our website (www.royalmail.com).

22. Printed Papers

22.1 Printed Papers may be sent up to 5kg when using Airmail or Surface Mail.

22.2 In such cases the item must be marked 'Printed Papers' on the left hand side of the address.

22.3 For many destinations customs declarations are required for sending Printed Papers. It is therefore advisable to attach the relevant customs declaration.

22.4 Printed Papers are defined as the following: newspapers, periodicals, books and pamphlets, sheets of music, visiting or address cards, proofs of printing, engravings, photographs and albums containing photographs, pictures and drawings, plans, maps, patterns for cutting out, brochures, prospectuses, advertisements catalogues and notices.

22.5 The above is an indicative list of items that can be sent under the Printed Papers service. For up to date information please refer to our website (www.royalmail.com).

22.6 Printed Papers must not contain any postage stamp or form of prepayment, whether cancelled or not, or any paper representing a monetary value, except in cases where the item contains as an enclosed card, envelope or wrapper bearing the printed address of the sender or his agent which is pre-paid for return.

23. Customs Control

23.1 You may be required to pay Customs duty and prepare Customs documentation when sending goods or merchandise to some overseas destinations.

23.2 Customs documentation is generally not required for letters, postcards or documents alone.

23.3 Customs documentation is generally required for destinations outside the EU when sending goods or merchandise. The documentation to use is dependent on the value of the goods. At the date of publication of this Scheme, where the value of goods or merchandise being sent is less than £270 customs form CN22 must be completed and affixed to the front of the item in the top left hand corner. Where value of contents exceeds this, customs form CN23 must be completed enclosed in plastic envelope SP126 and affixed to the item in the top left hand corner. In both cases the senders name and address must appear adjacent to the form. For up to date information on customs thresholds and the forms that should be completed, please refer to our website (www.royalmail.com).

23.4 Customs forms are required when sending items to the Channel Islands even though the UK rate of postage applies.

23.5 For books and similar being sent outside the EU under the Printed Papers service we recommend that customs documentation is completed - this is mandatory when sending books to many destinations.

23.6 Customs documentation is available from all Post Offices or can be downloaded from our website (www.royalmail.com).

23.7 This information is current as the scheme is published but may change at any time. Please refer to our website (www.royalmail.com) for up to date information relating to customs requirements.

23.8 It is important that all customs requirements are complied with. Despatch of items without the necessary customs forms will result in delay to delivery and the possibility that goods will be seized by customs authorities overseas.

23.9 For items entering the UK for delivery, where customs duties apply, Royal Mail may charge a fee for processing such items. The fee reflects the costs of handling such items. Where the amount due is not paid the item may be dealt with or disposed of at our discretion. Details of the fee payable can be found on our website (www.royalmail.com).

STANDARD SOAP COMPANY LIMITED**THE STANDARD SOAP COMPANY LIMITED PENSION SCHEME****PURSUANT TO SECTION 27 OF THE TRUSTEE ACT 1925**

The Standard Soap Company Limited Pension Scheme (the "Scheme") was established with effect from 1 January 1996. Standard Soap Pension Trustee Company Limited and Alexander Forbes Trustee Services Limited are the current trustees of the Scheme. Standard Soap Company Limited was a participating employer in the Scheme and ceased manufacturing at the beginning of 2012.

The Trustees have considered all possible avenues of financial support for the Scheme, and have taken legal, actuarial and financial advice from their professional advisers. TERMS AND CONDITIONS RELATING TO SUBMISSION OF NOTICES

The London Gazette is the Official Newspaper of Record and the United Kingdom's longest continuously published newspaper. It has been Published by Authority since 1665. The London Gazette publishes official, legal and regulatory notices pursuant to legislation and on behalf of the persons who are required by law to notify the public at large of certain information. For the avoidance of doubt all references to "London Gazette" shall include supplements to the London Gazette and all mediums which shall include the online version of the London Gazette as well as the paper version.

The London Gazette is published by the Publisher (defined below) under the authority and superintendence of the Controller of Her Majesty's Stationery Office and Queen's Printer of Acts of Parliament.

Notices received for publication fall under the following broad headings:

State, Parliament, Ecclesiastical, Public Finance, Transport, Planning, Health, Environment, Water, Agriculture & Fisheries, Energy, Post & Telecom, Other Notices, Competition, Corporate Insolvency, Personal Insolvency, Companies & Financial Regulation, Partnerships, Societies Regulation and Personal Legal information. Further information can be found at www.gazettes-online.co.uk.

These terms and conditions ("Terms and Conditions") govern submission of Notices (as defined below) to the London Gazette. By submitting Notices howsoever communicated, whether at the website www.gazettes-online.co.uk (the "Website") or to www.gazette-submission.co.uk, email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication of the modified Terms and Conditions. By submitting Notices to the London Gazette after the Publisher has published notice of such modifications, the Advertiser agrees to be bound by the revised Terms and Conditions.

1 Definitions**1.1 In these Terms and Conditions:**

"Advertiser" means any company, firm or person who has made an application for and who has been allocated space in the London Gazette, whether acting on their own account or as agent or representative of a principal;

"Charges" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges which can be found in the printed copy or at www.gazettes-online.co.uk;

"Notice" means all advertisements and state, public or legal notices placed in the London Gazette;

"Publisher" means The Stationery Office Limited.

1.2 the singular includes the plural and vice-versa; and**1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.**

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which represent the entire terms agreed between the Publisher and Advertiser in relation to the publication of Notices. These Terms and Conditions shall govern and be incorporated into every Notice, and shall prevail over any terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing, unless otherwise agreed in writing by the Publisher.

3 The Publisher shall make all reasonable efforts to verify the validity of any Notice submitted for publication.

4 The Publisher may edit the Notice, subject to the following restrictions:

- 4.1 the sense of the Notice submitted by the Advertiser must not be altered;
- 4.2 Notices shall be edited for house style only, not for content;
- 4.3 Notices can be edited to remove obvious duplications of information;
- 4.4 Notices can be edited to re-position material for style;
- 4.5 any additions or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and
- 4.6 no amendments to the text (other than those made as a consequence of 4.1–4.5 above) shall be made without written confirmation from the Advertiser.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have discretion whether to accept a Notice for publication. The Advertiser must satisfy itself as to the legislative requirements relating to any Notice. Where the Publisher has accepted a Notice for publication, the Publisher shall have discretion to refuse to publish where the content of the Notice does not comply with legislative or procedural requirements (guidance on both is available from the Publisher). In such instances, the Publisher shall notify the Advertiser of the action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser.

6 The Publisher (including affiliates, officers, directors, agents and employees) shall not be liable for any loss or damage including expenses or costs suffered by the Advertiser or any third party whether arising from the acts or omissions of the Publisher and/or the Advertiser and/or any third party made in connection with the Notice or otherwise except only that nothing in these Terms and Conditions shall limit or exclude the Publisher's

liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's negligence or the negligence of the Publisher's agents or employees.

7 For the avoidance of doubt, subject to clause 4 above, in no circumstances shall the Publisher be liable for any economic losses (including, without limitation, loss of revenues, profits, contracts, business or anticipated savings), any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error which, in the Publisher's reasonable opinion, causes a substantive change to the meaning of a Notice or would affect the legal efficacy of a Notice, upon notification of such error by the Advertiser, the Publisher shall publish the corrected Notice at no charge and at the next suitable opportunity and this shall be the limit of the Publishers liability or responsibility in these circumstances.

9 In the event that the Publisher believes an Advertiser is deliberately submitting Notices in bad faith and in breach of clause 10 below, or has dealings with Advertisers who are in persistent breach of these Terms and Conditions, the Publisher may require further verification of information to be provided by such Advertisers and may at its discretion delay publication of those Notices as far as it is able to, until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in the London Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of the London Gazette.

11 The Advertiser warrants:

- 11.1 that it has the right, power and authority to submit the Notice;
- 11.2 the Notice is not false, inaccurate, misleading nor does it contain fraudulent information;
- 11.3 the Notice is submitted in good faith, does not contravene any Act of Parliament nor is it in any way illegal or defamatory or an infringement of any other party's rights or an infringement of the British Code of Advertising Practice.

12 To the extent permissible by law the Publisher excludes all implied warranties, conditions or other terms, whether implied by statute or otherwise.

13 The Advertiser agrees to indemnify and hold the Publisher and/or (as applicable) the Publisher's affiliates, officers, directors, agents and employees harmless from all losses incurred (including legal costs), in respect of any claim or demand, including threatened claims or demands, made by any third party which constitute, or would if proved constitute, a breach or threatened breach by the Advertiser of these Terms and Conditions or any breach by the Advertiser of any law or an infringement of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such claims are handled but the Publisher retain the final decision on all aspects of the claim, including choice of instructing solicitors, steps taken in litigation and decisions to settle the case. The Advertiser shall provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request, including the provision of witnesses, access to premises and delivery up of documents.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.gazettes-online.co.uk and all other websites controlled by the Publisher containing the Notice. The Publisher may require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim or threatened claim. Any reinstatement of the Notice shall be at the sole discretion of the Publisher.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in the London Gazette, and hereby assigns to the Publisher all rights, including but not limited to, copyright in all Notices, and warrants that any such activity by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party.

16 The Advertiser accepts that the purpose of the London Gazette is to disseminate information of interest to the public as widely as possible and that the information contained in the Notices published in the London Gazette may be used by third parties after publication for any purpose. In such instance, the Publisher accepts no liability whatsoever.

17 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher. The Charges must be paid by the Advertiser in advance of publication unless other requirements of the Publisher (as determined from time to time) are notified to the Advertiser.

18 If the Advertiser wishes to make a Complaint then please refer to the Gazette office.

19 A person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a third party specified in these Terms and Conditions or which exists or is available apart from that Act.

20 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the Laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
