

(2) In the making of the said silver coin a remedy (that is, a variation from the standard weight, composition or dimensions specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 0.25 grammes for the inner and outer sections;

(b) in relation to those parts of the coin other than the gold plating, a variation from the said standard composition of five parts per thousand fine silver; and

(c) a variation from the said standard diameter of 0.125 millimetres per coin.

(3) The variation from the standard weight will be measured as the average of a sample of not more than one kilogram of the coin.

(4) The approximate diameter of the inner section shall be 20 millimetres.

(5) The said silver coin shall be legal tender for the payment of any amount in any part of Our United Kingdom.

SILVER PIEDFORT COIN

3. (1) A new coin of silver of the denomination of two pounds shall be made, being a coin of a standard weight (including the gold plate) of 24 grammes, a standard diameter of 28.4 millimetres, a standard composition (excluding the gold plate) of 925 parts per thousand fine silver, being circular in shape, and having joined concentric inner and outer sections, the outer section being plated with fine gold.

(2) In the making of the said silver coin a remedy (that is, a variation from the standard weight, composition or dimensions specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 0.35 grammes for the inner and outer sections;

(b) in relation to those parts of the coin other than the gold plating, a variation from the said standard composition of five parts per thousand fine silver; and

(c) a variation from the said standard diameter of 0.125 millimetres per coin.

(3) The variation from the standard weight will be measured as the average of a sample of not more than one kilogram of the coin.

(4) The approximate diameter of the inner section shall be 20 millimetres.

(5) The said silver coin shall be legal tender for the payment of any amount in any part of Our United Kingdom.

CUPRO-NICKEL AND NICKEL-BRASS COIN

4. (1) A new coin of cupro-nickel and nickel-brass of the denomination of two pounds shall be made, being a coin of a standard weight of 12 grammes, a standard diameter of 28.4 millimetres, being circular in shape and having joined concentric inner and outer sections, with a standard composition as to the inner section of seventy-five per centum copper and twenty-five per centum nickel, and as to the outer section of seventy-six per centum copper, four per centum nickel and twenty per centum zinc.

(2) In the making of the said cupro-nickel and nickel-brass coin a remedy (that is, a variation from the standard weight, composition or dimensions specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 0.5 grammes for the inner and outer sections;

(b) a variation from the said standard composition as to the inner section of two per centum copper and two per centum nickel, and as to the outer section of two per centum copper, three-quarters of one per centum nickel and two per centum zinc; and

(c) a variation from the said standard diameter of 0.125 millimetres per coin.

(3) The variation from the standard weight will be measured as the average of a sample of not more than one kilogram of the coin.

(4) The approximate diameter of the inner section shall be 20 millimetres.

(5) The inner and outer sections of the said coin may contain impurities of three-quarters of one per centum.

(6) The said cupro-nickel and nickel-brass coin shall be current and shall be legal tender for the payment of any amount in any part of Our United Kingdom.

(7) The composition of the standard trial plates to be used for determining the justness of the nickel-brass outer section of the said coin shall be pure copper, pure nickel and pure zinc.

DESIGNS OF THE COINS

5. The designs of the said coins shall be as follows:

'For the obverse impression Our effigy with the inscription either "ELIZABETH · II · D · G · REG · F · D · 2 POUNDS ·", or "ELIZABETH II · DEI · GRA · REGINA · FID · DEF", and for the reverse either:

(a) a view across the River Thames of the City of London in flames with boats fleeing the burning city with the inscription "1666 THE GREAT FIRE OF LONDON 2016". The said coin will have graining on the edge and in incuse letters the inscription "THE WHOLE CITY IN DREADFUL FLAMES", save for the gold coin where the incuse letters will be accompanied by a plain edge;

(b) a stylised silhouette of the heads of three soldiers and references the English cubism movement prevalent around the time of the First World War with the inscription "THE FIRST WORLD WAR 1914-1918", and the date of the year. The said coin will have graining on the edge and in incuse letters the inscription "FOR KING AND COUNTRY", save for the gold coin where the incuse letters will be accompanied by a plain edge;

(c) a dagger through a crown accompanied by the inscription "WILLIAM SHAKESPEARE 2016". The said coin will have graining on the edge and in incuse letters the inscription "THE HOLLOW CROWN", save for the gold coin where the incuse letters will be accompanied by a plain edge;

(d) a cap and bells with a jester's stick accompanied by the inscription "WILLIAM SHAKESPEARE 2016". The said coin will have graining on the edge and in incuse letters the inscription "ALL THE WORLD'S A STAGE", save for the gold coin where the incuse letters will be accompanied by a plain edge; or

(e) a skull next to a rose accompanied by the inscription "WILLIAM SHAKESPEARE 2016". The said coin will have graining on the edge and in incuse letters the inscription "WHAT A PIECE OF WORK IS A MAN", save for the gold coin where the incuse letters will be accompanied by a plain edge.'

6. This Proclamation shall come into force on the ninth day of October Two thousand and fifteen.

Given at Our Court at Buckingham Palace, this eighth day of October in the year of our Lord Two thousand and fifteen and in the sixty-fourth year of Our Reign.

GOD SAVE THE QUEEN
