Madrid, May 15, N.S.

N the 2d Inftant in the Morbing the fix Companies of Spanish Foot-Guards, who lately came from Catalonia under the Command of Don Pedro de Caftro Figueroa Major-General, paffed in Review and performed their Exercise before the King and Outen and the Infantes at Araniuez. These Queen and the Infantes at Aranjuez. Companies are to relieve the other fix of the fame Regiment which for some time have kept Guard at the Palace. The King has fent the Collar of the Order of the Golden Fleece to the Duke of Orleans and to the Duke of Bourbon. His Majefty has promoted Don Joseph de los Rios to the Rank of Captain-General of the Gallies of Spain : Collonel Dionyfio Martinez de la Vega is made Gover-nour and Captain-General of the Island of Cuba, and of the Town of St. Christopher at the Havana; and Don Juan Fernandez Sabariego, first Lieutenant of the Regiment of Spanish Guards, the Person who had the good Fortune to bring from France King Lewis's Marriage-Contract, is made Governour of Ayamonte, and also promoted to the Rank of Col-lonel of Foot. 'Tis advised from Cadiz, that a Dutch Man of War, commanded by Baron Reede, was failed from thence for Genoa; and that the reft of the Dutch Squadron was ready to put to Sea again from thence, to continue cruizing against the Algerines. King Philip recovers daily of the Swelling and Lameness he lately had in his Knee, at St. Ildefonso. M. Vander Meer, Ambaffadour from the States General, arrived this Day with his Lady and Family at Hartaleza, a little Village about a League from Madrid, where he defigne to flay fome fhort Time.

Vienna, May 17, N. S. Laft Sunday being the first time of the Empress's appearing in Publick fince her lying in, there was a very fplendid Court upon that Occasion. In the Morning their Imperial Majeftics went to St. Stephen's Church, where a Service of Thankfgiving was folemnly performed with Musick. Yesterday there was an Opera at Court, in which all the Performers of both Sexes were Persons of Quality.

Hague, May 30, N. S. The Deputies of the Province of Zealand having no Inftractions to treat of any thing more with those of Holland, now the Choice of a Prefident of the Great Council is made ; and the Time for which the Squadron was fent into the Mediterranean drawing to an End, it has been judged neceffary to fend an Express to the States of Zealand on that Subject, and the faid Deputies are to continue here till by the Return of that Express they receive the Refolution of their Frincipals upon it. We have Advice, that the King and Queen of Denmark are arrived at Aix la Chapelle to drink the Waters; and 'tis expected that in their Re-turn they will take their Way by the Hague and Amfterdam. Some Days ago Deputies fet out from hence to take a Review of the Troops of this State on the Barrier, in order to make Report to their High Mightineffes of the Condition they are in.

Admiralty-Office, May 19, 1724. His Majesty's Ship the Mermaid, commanded by Cap-tain Joseph Laws, failed from Port-Royal in Jamaica the 5th of March last, in order to return to England; but springing a Leake the same Day, she was obliged to put back, and was the 8th of the same Month at Port-Royal-Point with her Guns out, preparing for the Careen, in order to the Stopping her Leak, and putting ber in a Condition to profecute her bomeward-bound Voyage.

South.
