THE A19 DOWNHILL LANE JUNCTION DEVELOPMENT CONSENT ORDER 2020

THE PLANNING ACT 2008 (AS AMENDED) AND THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2009

NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING DEVELOPMENT CONSENT

The Secretary of State for Transport ("the Secretary of State") gives notice under regulation 23 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009, which apply by operation of regulation 37(2)(a)(ii) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017, that a determination has been made on an application by Highways England ("the application") for an order granting development consent under the Planning Act 2008.

The application was for the construction of a new bridge spanning the A19 south of the existing junction bridge; the realignment of the existing northbound and southbound A19 slip roads to tie in with the new roundabout layout; the realignment of the A1290, Downhill Lane (West), Downhill Lane (East) and Washington Road (East) local roads to suit the new junction layout; and the construction of a segregated non-motorised user facility featuring a dedicated overbridge for walkers, cyclists, horse riders and wheelchair users to the south of the junction.

In addition, the order includes compulsory acquisition and temporary possession powers in relation to land and rights required for the purposes of the Development.

The Secretary of State has decided, following consideration of the report of the Examining Authority who conducted an examination into the application, that development consent should be granted and therefore has made an Order under s114, s115, and s120 of the Planning Act 2008.

The statement of reasons for deciding to make an order granting development consent prepared by the Secretary of State under section 116(1) of the Planning Act 2008 and regulation 23(2)(d) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2009 containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main measures to avoid, reduce and offset any major effects of the development, and information regarding the right to challenge the decision and the procedures for doing so, is published on the Planning Inspectorate's website:

HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND DESCRIBED IN THE SCHEDULE HERETO

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.
2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.
3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.
4. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority shall, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a declaration is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.
5. Notice is hereby given pursuant to Section 3A of the 1981 Act⁴ of the Statement of the Effect of Parts 2 and 3 of the 1981 Act which provides an explanation of the process for and the effect of a GVD in respect of the land described in Schedule 1 hereto.

SCHEDULE 1

DISTRICT OF STRATFORD-ON-AVON

(1) Plot No	(2) Description
61018	All interests in 8154.4 square metres, or thereabouts, of grassland, pond and hedgerow (east of Kineton Road, B4451)

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the land described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the land in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to enter on the land and take possession of it. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

3. The "vesting date" for any land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

CORONAVIRUS - TEMPORARY CONTINUITY DIRECTIONS ETC: EDUCATION, TRAINING AND CHILDCARE

CORONAVIRUS ACT 2020 MODIFICATION OF SECTION 3 OF THE EDUCATION ACT 1996 (ENGLAND) (NO.4) NOTICE 2020

The Secretary of State for Education, in exercise of the powers conferred by section 38(1) of, and paragraph 5 of Schedule 17 to, the Coronavirus Act 2020¹, issues the following notice.

Modification of section 3 of the Education Act 1996

1. The Secretary of State for Education by this notice modifies in relation to England section 3 (definition of pupil etc.) of the Education Act 1996² in the manner described in the table in paragraph 5 of Schedule 17 to the Coronavirus Act 2020 so that, for the purposes of the Education Act 1996, a person is not to be treated as a pupil at a school merely because any education is provided for that person at the school on a temporary basis, for reasons relating to the incidence or transmission of coronavirus during the period specified in this notice.

2. The modification in paragraph 1 has effect only for the purposes of section 434 of the Education Act 1996 (registration of pupils) and any regulations made under that section.

3. The Secretary of State for Education considers that the issuing of this notice is an appropriate and proportionate action in all the circumstances relating to the incidence or transmission of coronavirus for the following reasons:

(a) Since 20th March 2020 educational institutions, including schools and further education colleges, and registered childcare settings in England have remained open for vulnerable children and young people and for children of critical workers in order to reduce the spread of coronavirus.

(b) From 1st June 2020 primary schools and registered childcare settings in England have been welcoming back certain groups of children. From 15th June 2020, secondary schools, 16 to 19 and further education settings have been providing some face-to-face support to certain other groups. On 2nd July 2020 the government asked schools to prepare for all pupils to return to school from the beginning of the autumn term (except where public health advice indicates that they should remain at home).

(c) The Secretary of State for Education has previously issued three notices modifying section 3 of the Education Act 1996 in the manner described in paragraphs 1 and 2. The most recent notice was issued on 29th June 2020. The specified time period of that notice was 1st July 2020 to 31st July 2020³.

(d) Recently the phased return of more students to their school has resulted in the majority of schools making on-site provision for some year groups with smaller classes (in order to implement protective measures). The government expects all pupils to return to school in the autumn term. However, some children will continue to need to attend a school other than the school at which they are registered as a pupil because of smaller class sizes at their usual school or because their year group is still not attending the school. This may also be needed in the event of local restrictions in response to localised rises in the incidence or transmission of coronavirus.

(e) This modification, for the purposes of section 434 of the Education Act 1996, facilitates the temporary attendance of a child at the host school by removing the obligation on the host school to register the child and removing any obligation thereafter to make permanent provision for the child that may otherwise arise as a result of registration.

(f) The limitation to this modification by paragraph 2 preserves other, important, duties and responsibilities that exist with regards to pupils in general that need to and will continue to apply in relation to pupils who are attending a school other than the school at which they are registered as pupils.

(g) The matters above are relevant to all of England. Although most schools will not be in session during August, some schools are expected to begin their autumn terms in August (whether because that is when their school year ordinarily begins or because of a change in response to current circumstances) and therefore will be affected by the issues mentioned above. It is therefore appropriate to make this notice both in relation to the whole of England and for the period specified.

CORONAVIRUS ACT 2020 DISAPPLICATION OF SECTIONS 5(1), 15(3), 17(2), 48(3) AND 49(1) AND (2) OF THE EDUCATION ACT 2005 (ENGLAND) (NO.4) NOTICE 2020

The Secretary of State for Education, in exercise of the powers conferred by section 38(1) of, and paragraph 5 of Schedule 17 to, the Coronavirus Act 2020¹, issues the following notice.

Disapplication of sections 5(1), 15(3), 17(2), 48(3) and 49(1) and (2) of the Education Act 2005

1. The Secretary of State for Education by this notice disapplies:

(a) in relation to England sections 5(1), 15(3), 17(2), 48(3) and 49(1) and

(2) (provisions relating to inspections) of the Education Act 2005² (the 2005 Act) during the period specified in this notice;

(b) any similar Academy arrangement provisions to sections 48(3) and 49(1) and (2) of the 2005 Act during the period specified in this notice.

2. The Secretary of State for Education considers that the issuing of this notice is an appropriate and proportionate action in all the circumstances relating to the incidence or transmission of coronavirus for the following reasons:

(a) Since 20th March 2020 educational institutions, including schools and further education colleges, and registered childcare settings in England have remained open for vulnerable children and young people and for children of critical workers in order to reduce the spread of coronavirus.

(b) From 1st June 2020 primary schools and registered childcare settings in England have been welcoming back certain groups of children. From 15th June 2020, secondary schools, 16 to 19 and further education settings have been providing some face-to-face support to certain other groups. On 2nd July 2020 the government asked schools to prepare for all pupils to return to school from the beginning of the autumn term (except where public health advice indicates that they should remain at home).

(c) The Secretary of State for Education has previously issued three notices disapplying the provisions specified in paragraph 1.³ The most recent notice was issued on 29th June 2020. The specified time period of that notice was 1st July 2020 to 31st July 2020.

(d) The suspension of routine Ofsted inspections was announced on 17th March 2020. Routine inspections are not appropriate at this time while schools are fully engaged in responding to the coronavirus outbreak and are preparing for a return of all pupils to full-time education from the beginning of the autumn term.

(e) Section 5(1) of the 2005 Act puts a duty on Ofsted's Chief Inspector to undertake regular inspections of state-funded schools within prescribed intervals and to report on the result of such inspections. If this section is not disapplied, Ofsted will fall foul of its duty to inspect within the prescribed period (around every 5 years).

(f) In relation to state-funded schools, temporarily lifting the duty on Ofsted to routinely inspect and report is necessary to alleviate pressure on school leaders and their staff. This will enable them to focus on the significant task of preparing for the return of all pupils from the beginning of the autumn term, in order for state-funded schools to continue to deliver an appropriate response to the coronavirus outbreak, following the publication on 2 July of the Government's Guidance for full opening: schools.

(g) While routine Ofsted inspections are not appropriate at this time, Ofsted will retain its power to inspect individual schools, under section 8 of the 2005 Act, if any significant concerns arise.

(h) The suspension of routine inspection is a temporary measure. The Government remains committed to Ofsted inspection. The disapplication of the duty to conduct routine inspection will remain under review and routine inspection will be re-introduced at the appropriate time. It is currently planned that routine inspections will be re-introduced in January 2021, although this will remain under review. During the autumn term, inspectors will visit a sample of schools, under section 8 of the 2005 Act, to discuss how they are managing the return to education of all their pupils.

(i) Sections 15(3) and 17(2) of the 2005 Act put a duty on the local authority (section 15(3)) or, in the case of an Academy, the proprietor (section 17(2)), to prepare a statement of action within a prescribed period following an Ofsted inspection which finds that the school requires special measures or significant improvement. By disapplying the requirements to produce a statement of action, as a temporary measure, we are recognising that local authorities, trusts and schools need to focus on the significant task of preparing for the return of all pupils from the beginning of the autumn term, in order for state-funded schools to continue to deliver an appropriate response to the coronavirus outbreak, following the publication on 2 July of the Government's Guidance for full opening: schools. We expect to follow up with local authorities and proprietors on the need for action plans, sensitively and proportionately, as and when circumstances allow.

(j) Regional Schools Commissioners (RSCs) will also work with schools, including Academies, to put in place suitable support arrangements. RSCs will consider on a case-by-case basis when steps may be taken to implement existing Academy orders issued in relation to inadequate schools.

(k) Sections 48(3) and 49(1) and (2) of the 2005 Act place duties on the governing bodies of voluntary or foundation schools which have been designated as having a religious character, and (through Academy funding arrangements) the proprietors of academies designated as having a religious character, to arrange inspections covering collective worship at the school and denominational education provided by the school within prescribed intervals and for the person conducting such an inspection to inspect and produce a report within prescribed periods. As set out above, routine inspections of state-funded schools are not appropriate while they are focussing on the significant task of preparing for the return of all pupils from the beginning of the autumn term. If these sections are not disapplied, some schools designated as having a religious character may fall foul of their duty to arrange these inspections within the prescribed period (around every 5 years) and to carry out the inspections and prepare a report within the prescribed period.

(l) The matters above are relevant to all of England.

Specified period

CORONAVIRUS ACT 2020 DISAPPLICATION OF SECTION 444(1) AND (1A) OF THE EDUCATION ACT 1996 (ENGLAND) (NO.4) NOTICE 2020

The Secretary of State for Education, in exercise of the powers conferred by section 38(1) of, and paragraph 5 of Schedule 17 to, the Coronavirus Act 2020¹, issues the following notice.

Disapplication of section 444(1) and (1A) of the Education Act 1996

1. The Secretary of State for Education by this notice disapplies in relation to England section 444(1) and (1A) of the Education Act 1996² (the Act), which create offences relating to the failure of parents to secure regular attendance at school of a registered pupil, during the period specified in this notice.

2. The Secretary of State for Education considers the issuing of this notice is an appropriate and proportionate action in all the circumstances relating to the incidence or transmission of coronavirus for the following reasons:

(a) Since 20th March 2020 educational institutions, including schools and further education colleges, and registered childcare settings in England have remained open for vulnerable children and young people and for children of critical workers in order to reduce the spread of coronavirus.

(b) From 1st June 2020 primary schools and registered childcare settings in England have been welcoming back certain groups of children. From 15th June 2020, secondary schools, 16 to 19 and further education settings have been providing some face-to-face support to certain other groups. On 2nd July 2020, the government asked schools to prepare for all pupils to return to school from the beginning of the autumn term (except where public health advice indicates that they should remain at home).

(c) The Secretary of State for Education has previously issued three notices disapplying section 444(1) and (1A) of the Act, in the manner described in paragraph 1. The most recent notice was issued on 29th June 2020. The specified time period of that notice was 1st July 2020 to 31st July 2020³.

(d) Section 444(1) and (1A) of the Act create offences relating to the failure of parents to secure regular attendance at school of a registered pupil. It is therefore appropriate and proportionate to temporarily disapply section 444(1) and (1A) until the beginning of the autumn term, when schools are expected to be able to welcome back all pupils, so that parents can be sure that keeping their children out of school during this period will not expose them to a risk of criminal prosecution and conviction. It remains a parent's duty to ensure that their child of compulsory school age receives a suitable education in whatever way they can under section 7 of the Act.

(e) Sections 444A and 444B of the Act make provision for the issuance of penalty notices where there is reason to believe a person has committed an offence under section 444(1). Based on the latest published 2018/19 figures, around 6,000 penalty notices were issued every week by local authorities. Disapplication of section 444(1) is also thereby appropriate and proportionate in relieving the burden on local authorities with respect to investigation and decision making under sections 444A and 444B, freeing up resources to meet the other needs that arise as a result of the incidence or transmission of coronavirus.

(f) Coronavirus infection rates have decreased and the government has therefore asked schools to prepare for all pupils to return at the beginning of the autumn term. For schools in England this is anticipated to be no earlier than the last week of August. This disapplication will therefore cease at the end of 23rd August. It remains in place until then to ensure that attendance is not mandatory during the remainder of the summer term for any schools whose summer terms run into August and for any schools holding sessions before the beginning of the autumn term.

(g) The matters above are relevant to all of England.

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

1 The Publisher's privacy policy www.thegazette.co.uk/privacy

2 The Publisher's policies relating to submission of notice www.thegazette.co.uk/place-notice/policy which together govern the submission of Notices.

Advertisers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Advertisers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Advertisers who place Notices and has the authority to refuse to publish Notices from Advertisers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

1 Definitions

1.1 In these Terms and Conditions: "**Advertiser**" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at www.thegazette.co.uk/place-notice/pricing, as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; "**Forwarding Service**" means the service provided to use The Gazette's postal box for correspondence in relation to deceased estates Notices; "**Local Newspaper Notice**" means any notice placed in a local newspaper other than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Advertiser, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Publisher**" means The Stationery Office Limited or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) - (v) above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser. Where publication has taken place the Notice placer will be contacted with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice.

6 Save for any liability that cannot be excluded or restricted by law (including fraudulent misrepresentation, or for death or personal injury resulting from the negligence of either party or their agents, subcontractors and/or employees) which shall not be limited or excluded in any way, the Publisher, The National Archives, or any successor organisation's (including affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability (including any liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation (other than fraudulent misrepresentation), equity, breach of statutory duty, strict liability or otherwise at law, and whether arising from the acts and/or omissions of the Publisher or The National Archives or arising out of or made in connection with any Notice or otherwise shall be limited to one hundred and fifty (150) per cent of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Advertiser and/or any third party or in respect of any Notice submitted by any Advertiser for potential publication in

The Gazette, which the Advertiser warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error or has published a Notice in error a, the Publisher shall at no charge to the Advertiser, either remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 . In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled

by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Advertiser, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice - and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Advertiser accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the

Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error including (without limitation), the Publisher, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of the their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, The Gazette will replace the Advertiser or executor's address with The Gazette's postal

box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent on from The Gazette to the Advertiser or executor (if different). The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependents) Act 1975. After the 10 months period has lapsed any correspondence received will be returned to the sender where possible or securely destroyed, and the Advertiser or executor's name and address details will be removed from the Forwarding Service.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

22 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

23 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
