HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND DESCRIBED IN THE SCHEDULE HERETO

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.
2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.
3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.
4. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.
5. Notice is hereby given pursuant to section 3A of the 1981 Act⁴.
6. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and the effect of a GVD in respect of the land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

SCHEDULE 1

DISTRICT OF NORTH WARWICKSHIRE

(1) Plot No	(2) Description
55331	All interests in 34.74 square metres, or thereabouts, of wooded area (M42, Gilson Drive)
55470	All interests in 779.4 square metres, or thereabouts, of agricultural land and public footpath (M56) (M42)

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the land described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the land in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives

them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

SCHEDULE 2
PART 1
STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION
 1. The Acquiring Authority may acquire any of the land described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the land in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.
NOTICES CONCERNING GENERAL VESTING DECLARATION
 2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of

the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

**HIGH SPEED RAIL (LONDON – WE ST MIDLANDS) ACT 2017
 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND
 DESCRIBED IN THE SCHEDULE HERETO**

1. The High Speed Rail (London – West Midlands) Act 2017 (“the High Speed Rail Act”) received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the “Acquiring Authority”) is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”) applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration (“GVD”) under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto (“Land”) on 29 November 2019.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 29 November 2019 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 10 January 2020 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land (“GVD 357”) and the Land vested in the Acquiring Authority on 17 April 2020. The mines and minerals in the Land were not expressly named in GVD 357, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person’s name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The right of entry will be exercisable at the end of that period. **HIGH SPEED RAIL (LONDON – WE ST MIDLANDS) ACT 2017
COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND
DESCRIBED IN THE SCHEDULE HERETO**

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto ("Land") on 25 November 2019.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 25 November 2019 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 16 January 2020 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land ("GVD 361") and the Land vested in the Acquiring Authority on 24 April 2020. The mines and minerals in the Land were not expressly named in GVD 361, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to

this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the Land and freehold mines and minerals comprised in the land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the Land and freehold mines and minerals comprised in the land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the Land and freehold mines and minerals comprised in the land, specified in the declaration (except land where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the Land and mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the Land and freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the Land and mines and minerals comprised in the land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the land described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the land in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to enter on the land and take possession of it. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory

Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to enter on the land and take possession of it. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

3. The "vesting date" for any land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the land described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”). This has the effect, subject to paragraphs 3 and 5 below, of vesting the land in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to enter on the land and take possession of it. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. 1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. **HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017
COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND
DESCRIBED IN SCHEDULE 1 HERETO**

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration (“GVD”) under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto (“Land”) on 07 January 2020.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 07 January 2020 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 20 February 2020 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land (“GVD 382”) and the Land vested in the Acquiring Authority on 27 May 2020. The mines and minerals in the Land were not expressly named in GVD 382, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person’s name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

SCHEDULE 1

DISTRICT OF LICHFIELD

(1) Plot No.	(2) Description

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of

the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. The mines and minerals in the Land were not expressly named in GVD 175, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁹ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. 7. Notice is hereby given pursuant to section 3A of the 1981 Act⁴.
8. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and the effect of a GVD in respect of the land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.
9. For the avoidance of doubt, the Acquiring Authority intends to purchase the Land and the freehold mines and minerals comprised in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

**SCHEDULE 2
PART 1
STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE
COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
POWER TO EXECUTE A GENERAL VESTING DECLARATION**

1. The Acquiring Authority may acquire any of the Land and freehold mines and minerals comprised in the land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the Land and freehold mines and minerals comprised in the land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the Land and freehold mines and minerals comprised in the land, specified in the declaration (except land where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the Land and mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the Land and freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the Land and mines and minerals comprised in the land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

3. The "vesting date" for any Land and mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the land and mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the

declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the Land and mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the land and freehold mines and minerals comprised in the land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than land and mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such land and mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. **HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017
COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND
DESCRIBED IN SCHEDULE 1 HERETO**

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto ("Land") on 02 August 2018.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 02 August 2018 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 23 August 2018 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land ("GVD 105") and the Land vested in the Acquiring Authority on 04

December 2018. The mines and minerals in the Land were not expressly named in GVD 105, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

**SCHEDULE 2
PART 1
STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE
COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
POWER TO EXECUTE A GENERAL VESTING DECLARATION**

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and

minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. 3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND DESCRIBED IN SCHEDULE 1 HERETO

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto ("Land") on 16 November 2017.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 16 November 2017 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 22 February 2018 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land ("GVD 82") and the Land vested in the Acquiring Authority on 29 May 2018. The mines and minerals in the Land were not expressly named in GVD 82, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to

this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

SCHEDULE 1

DISTRICT OF WARWICK

(1) Plot No.

(2) Description

All those mines and minerals beneath village hall, carpark and premises (Hodgetts Lane) land comprising part of HM Land Registry superseded title number WK443286

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprised in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In

calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been

given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND DESCRIBED IN SCHEDULE 1 HERETO

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto ("Land") on 06 November 2019.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 06 November 2019 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 26 February 2020 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land ("GVD 312") and the Land vested in the Acquiring Authority on 04 June 2020. The mines and minerals in the Land were not expressly named in GVD 312, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to

this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

SCHEDULE 2 PART 1 STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND DESCRIBED IN SCHEDULE 1 HERETO

1. The High Speed Rail (London – West Midlands) Act 2017 (“the High Speed Rail Act”) received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the “Acquiring Authority”) is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”) applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration (“GVD”) under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto (“Land”) on 29 November 2019.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 29 November 2019 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 13 January 2020 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land (“GVD 350”) and the Land vested in the Acquiring Authority on 17 April 2020. The mines and minerals in the Land were not expressly named in GVD 350, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person’s name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of

the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. **HIGH SPEED RAIL (LONDON - WEST MIDLANDS) ACT 2017
 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND
 DESCRIBED IN SCHEDULE 1 HERETO**

1. The High Speed Rail (London - West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto ("Land") on 06 November 2019.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 06 November 2019 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 21 November 2019 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land ("GVD 314") and the Land vested in the Acquiring Authority on 04 March 2020. The mines and minerals in the Land were not expressly named in GVD 314, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

**SCHEDULE 1
 DISTRICT OF LICHFIELD**

(1) Plot No.
 09957

(2) Description

All those mines and minerals beneath public footpath (Kings Bromley 0.392), agricultural land and wooded area (Wood End Lane) being part of HM Land Registry title numbers SF258214 and SF591884

SCHEDULE 2

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been

given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND DESCRIBED IN SCHEDULE 1 HERETO

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto ("Land") on 08 April 2019.

8. The mines and minerals in the Land were not expressly named in GVD 152, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to

this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

SCHEDULE 2 PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 (“the 1981 Act”). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of

the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The “vesting date” for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a “minor tenancy”, i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or “a long tenancy which is about to expire”. The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. **HIGH SPEED RAIL (LONDON – WEST MIDLANDS) ACT 2017
 COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981
 TO: PERSONS HAVING A RELEVANT INTEREST IN THE LAND
 DESCRIBED IN SCHEDULE 1 HERETO**

1. The High Speed Rail (London – West Midlands) Act 2017 ("the High Speed Rail Act") received Royal Assent on 23 February 2017.

2. The Secretary of State for Transport (the "Acquiring Authority") is authorised under section 4 of the High Speed Rail Act to exercise powers under section 4(1) of the High Speed Rail Act to acquire compulsorily so much of the land within the limits of the High Speed Rail Act as may be required for Phase One purposes¹.

3. By virtue of section 4(4) of the High Speed Rail Act, the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act") applies as if the High Speed Rail Act were a compulsory purchase order.

4. By virtue of paragraph 4(2) of Schedule 6 to the High Speed Rail Act, Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines or minerals underlying an authorised undertaking) have effect in relation to land to which section 4(1) of the High Speed Rail Act applies as if it were comprised in a compulsory purchase order providing for the incorporation with that order of those Parts of that Schedule.

5. Paragraph 2(1) of Part 2 of Schedule 2 to the Acquisition of Land Act 1981 provides that an acquiring authority shall not be entitled to any mines under the land comprised in the compulsory purchase order unless they have been expressly purchased, and all mines under the land are to be deemed to be excepted out of the conveyance of that land unless expressly named and conveyed. Paragraph 3 of Part 3 of Schedule 2 to the Acquisition of Land Act 1981 makes provision where the owner of any mines or minerals in the land desires to work them.

6. Pursuant to section 3A of the 1981 Act² before making a general vesting declaration ("GVD") under section 4 of the 1981 Act the Acquiring Authority must, in a notice which is (a) given to every person with a relevant interest in the land with respect to which a GVD is to be made (other than a mortgagee who is not in possession); and (b) published in the London Gazette, include the particulars in section 3A(3) of the 1981 Act³.

7. Notice pursuant to section 3A of the 1981 Act was first given and published in respect of the land described in Schedule 1 hereto ("Land") on 29 July 2019.

8. Having given and published notice pursuant to section 3A of the 1981 Act on 29 July 2019 in exercise of the powers conferred on it by section 4 of the 1981 Act, the Acquiring Authority executed a GVD on 15 August 2019 to vest in the Acquiring Authority the Land together with the right to enter upon and take possession of the Land ("GVD 235") and the Land vested in the Acquiring Authority on 24 November 2019. The mines and minerals in the Land were not expressly named in GVD 235, so by virtue of the operation of paragraph 4(2) of Schedule 6 to the High Speed Rail Act and Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 (exception of minerals from compulsory purchase and regulation of working of mines and minerals underlying an authorised undertaking), the mines and minerals did not vest in the Acquiring Authority.

9. It is now expedient that such mines and minerals should be vested in the Acquiring Authority and for the avoidance of doubt, further notice is hereby given pursuant to section 3A of the 1981 Act⁴ that the Acquiring Authority intends to execute a GVD to acquire the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights.

10. Pursuant to section 3A(3) of the 1981 Act, a Statement of the Effect of Parts 2 and 3 of the 1981 Act is contained in Part 1 of Schedule 2 to this notice, which provides an explanation of the process for and effect of a GVD in respect of the mines and minerals in the Land described in Schedule 1 hereto. Part 1 of Schedule 2 to this notice also invites any person who would be entitled to claim compensation if a GVD were executed under section 4 of the 1981 Act to give the Acquiring Authority information about the person's name, address and interest in the land using the form set out in Part 2 of Schedule 2.

11. For the avoidance of doubt, the Acquiring Authority intends to purchase the freehold mines and minerals together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights, in the land described in Schedule 1 hereto and, if so, will expressly name them in the GVD.

PART 1

STATEMENT OF EFFECT OF PARTS 2 AND 3 OF THE COMPULSORY PURCHASE (VESTING DECLARATIONS) ACT 1981 POWER TO EXECUTE A GENERAL VESTING DECLARATION

1. The Acquiring Authority may acquire any of the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights described in Schedule 1 above by executing a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 ("the 1981 Act"). This has the effect, subject to paragraphs 3 and 5 below, of vesting the freehold mines and minerals comprised in the Land, together with the right to take possession of the mines and minerals, to win and work them and all related ancillary rights in the Acquiring Authority at the end of the period mentioned in paragraph 2 below.

NOTICES CONCERNING GENERAL VESTING DECLARATION

2. As soon as may be after the Acquiring Authority executes a general vesting declaration, they must serve notice of it on every occupier of any of the freehold mines and minerals comprised in the Land, specified in the declaration (except where there is one of the tenancies described in paragraph 4) and on every person who gives them information relating to the mines and minerals in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a period specified in the declaration, of not less than three months, will begin to run. On the first day after the end of this period the freehold mines and minerals comprising in the Land described in the declaration will, subject to what is said in paragraphs 3 and 5, vest in the Acquiring Authority together with the right to take possession of the mines and minerals, to win and work such mines and minerals and all related ancillary rights. Every person on whom the Acquiring Authority could have served a notice to treat in respect of his interest in the mines and minerals comprised in the Land (other than a tenant under one of the tenancies described in paragraph 4) will be entitled to claim compensation for the acquisition of his interest in the mines and minerals comprised in the Land, with interest on the compensation from the vesting date.

3. The "vesting date" for any mines and minerals comprised in the land specified in a declaration will be the first day after the end of the period mentioned in paragraph 2 above, unless a counter-notice is served under Schedule A1 to the 1981 Act⁵ within that period. In such circumstances, the vesting date for the mines and minerals comprised in the land which is the subject of the counter-notice will be determined in accordance with Schedule A1.

MODIFICATIONS WITH RESPECT TO CERTAIN TENANCIES

4. In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

5. The modifications are that the Acquiring Authority may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 4 unless the Acquiring Authority first serves notice to treat in respect of the tenancy and then serves every occupier of the land with a notice of intention to enter and take possession after the period (not less than 14 days⁶ from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the mines and minerals comprised in the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

PROVISION OF INFORMATION

Every person who, if a general vesting declaration were made in respect of all the freehold mines and minerals comprised in the Land authorised to be acquired by the Acquiring Authority pursuant to the High Speed Rail (London – West Midlands) Act 2017 (other than mines and minerals in respect of which notice to treat has been

given), would be entitled to claim compensation in respect of any such mines and minerals, is invited to give information to the Acquiring Authority in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

**RIVER MEDWAY (FLOOD RELIEF) ACT 1976
RIVER MEDWAY FLOOD RELIEF SCHEME (LEIGH FLOOD STORAGE AREA VARIATION)**

NOTICE IS HEREBY GIVEN that: On 29 September 2021, The Secretary of State for Environment, Food and Rural Affairs confirmed the amendment to vary the Scheme for the operation of the Leigh Flood Storage Area provided by the River Medway (Flood Relief) Act 1976 (the 1976 Act).

Under the confirmed Revised Scheme, the maximum stored water level in the Leigh Flood Storage Area has been amended from 28.05m Above Ordnance Datum (AOD) to 28.6m AOD. The Revised Scheme is as follows:

RIVER MEDWAY (FLOOD RELIEF) ACT 1976

SCHEME FOR THE OPERATION OF SLUICE GATES IN ACCORDANCE WITH SECTION 17 OF THE ACT

1. Pursuant to Section 17 of the River Medway (Flood Relief) Act 1976 the Southern Water Authority constructed a flood retention embankment near Tonbridge, Kent. This incorporates a control structure with sluice gates to control the flow of the River Medway downstream of the said control structure. The Southern Water Authority, and now the Environment Agency (as statutory successor to the Southern Water Authority) operate the sluice gates to prevent or alleviate or otherwise control floods or inundations caused by the overflow of the river downstream of the control structure or in any other case of emergency. The operation of the sluice gates for these purposes shall be in accordance with the following provisions which the Authority intend to submit to the Minister of Agriculture, Fisheries and Food as a Scheme in accordance with subsection 3 of Section 17 of the said Act.

2 (a) For the purposes of Section 17(1)(a) the sluice gates may be operated at any time when the rate of flow in the river at the inlet to the control structure at Ref. 55639.14610 rises above 35 cubic metres per second.

2 (b) For the purposes of Section 17(1)(b) the sluice gates may be operated at any time regardless of the rate of flow in the river when an emergency arises upstream of the control structure.

3. The level at which water may be retained in the storage area by operation of the sluice gates shall not exceed 28.6 m above Ordnance Datum (Newlyn) measured immediately upstream of the flood retention embankment at Ref. 55640.14630.

4. The rate of flow which may from time to time be discharged into the River Medway downstream of the control structure shall not exceed the maximum rate of flow which will occur naturally in the river upstream of the control structure.

The Secretary of State for Environment, Food and Rural Affairs confirms the above amendment to vary the Scheme for the operation of the Leigh Flood Storage Area provided by the River Medway (Flood Relief) Act 1976 (the 1976 Act).

Signed by authority of the Secretary of State.

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ('TSO' or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

1 The Publisher's privacy policy www.thegazette.co.uk/privacy

2 The Publisher's policies relating to submission of notice www.thegazette.co.uk/place-notice/policy which together govern the submission of Notices.

Advertisers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Advertisers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Advertisers who place Notices and has the authority to refuse to publish Notices from Advertisers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

1 Definitions

1.1 In these Terms and Conditions: "**Advertiser**" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at www.thegazette.co.uk/place-notice/pricing, as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; "**Forwarding Service**" means the service provided to use The Gazette's postal box for correspondence in order to prevent a personal address from being publicly and permanently available on the official public record. "**Local Newspaper Notice**" means any notice placed in a local newspaper other than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Advertiser, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Publisher**" means The Stationery Office Limited or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) – (v) above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser. Where publication has taken place the Notice placer will be contacted with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice.

6 Save for any liability that cannot be excluded or restricted by law, The National Archives or the Publisher's (including any successor organisations, affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability whether arising from the acts and/or omissions of The National Archives or the Publisher arising out of or made in connection with any Notice or otherwise for any and all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation, equity, breach of statutory duty, strict liability or otherwise incurred shall be limited to one hundred and fifty per cent (150%) of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Advertiser and/or any third party or in respect of any Notice submitted by any Advertiser for potential publication in The Gazette, which the Advertiser warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for a failure to publish, or has published a Notice in error or with an error, the Publisher shall, at no charge to the Advertiser, either publish the Notice at the next suitable opportunity, or in the event of an error, remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may (at its sole and

absolute discretion) require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Advertiser, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice – and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Advertiser accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties. The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the

Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, The Gazette will replace the Advertiser or executor's address with The Gazette's postal box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent on from The Gazette to the Advertiser or executor (if different).

Please be aware that correspondence received by The Gazette's postal box may be opened (for example in circumstances where the intended recipient of the correspondence is not clear) and in using this service you are consenting to this, however The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependants) Act 1975. After the 10 months period has lapsed any correspondence received will be returned to the sender where possible or securely destroyed, and the Advertiser or executor's name and address details will be removed from the Forwarding Service.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 Please note that we use PayPage by Verifone on The Gazette to process credit or debit card transactions. This involves a £1.00 pre-authorised transaction by your bank to check that funds are available and that sum is then reserved, although no actual deduction or charge takes place. The reserved funds then become available to the customer after the pre-authorisation expires usually between 3-7 days (as a guideline). We use this process to validate all card orders and this allows us to hold orders for goods that are out of stock or not yet published as we do not charge for these until the goods are in stock. By placing the order, you agree to such pre-authorisation processes.

22 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

23 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

24 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.
