Activity Description

Providing high quality first aid cover and training for the local community.

Enabling free access to the beach and foreshore, previously denied to those with disabilities.

Inspiring pride in Padiham, its community and in the armed forces.

Saving and maintaining the Hall and its heritage, running a communal and inclusive hub for all.

Helping young people enjoy new adventures, experience the outdoors and reach their full potential.

Improving the environment and the wellbeing of residents and volunteers.

Creating a holistic environment for individuals which encourages rebuilding of self-confidence and wellbeing.

Making a difference where we live by delivering skills for life.

Improving the environment, promoting community activity to benefit Ainsdale.

Creating opportunities for friendships, providing leisure activities and fostering learning.

Providing support and education to those affected by breast cancer and promoting public awareness.

Sustaining excellence in enhancing the living environment and community spirit of Bebington.

A charity for young people, run by young people, developing leaders, promoting volunteering.

Empowering survivors and promoting positive change in communities.

Putting the community at the heart of regeneration in New Ferry.

Reaches far beyond the field of play – working with the community, for the community.

Supporting parents and children in an area of high deprivation.

Supporting the people of Merseyside, especially during the worst times of their lives.

Empowering youth, working at the heart of the community, and providing a place for everyone.

Providing support for patients from diagnosis through treatment and beyond.

Transforming wasteland into a therapy garden providing holistic activities for wellbeing.

Providing a safe and enjoyable summer holiday to children who would not otherwise get one.

Providing music tuition, instruments, and wellbeing for anyone of any age, background without financial constraint.
