Activity Description

Providing support, friendship, belonging and personal development.

Providing educational, mental health and wellbeing support for the whole community.

Empowering and educating women and young people to deliver positive change.

Providing a vibrant community hub improving wellbeing and reducing social isolation through education and culture.

Promoting wellbeing and reducing loneliness in the Newtownabbey area.

Empowering parent carers to advocate for the rights of their children with additional needs.

Improving lives of people with learning disabilities through artistic inclusion in theatre and arts.

Supporting Fermanagh people affected by cancer, providing social medicine and advocacy.

Rebuilding, restoring, and transforming lives through mental health support.

Enriching Limavady, supporting residents and the wider community.

Developing internationally approved cricket facilities and an inclusive community hub in a rural area.

Engendering community and civic pride by caring for the environment.

Embracing community stakeholders positively, focusing on health and wellbeing.

Developing and maintaining an innovative cross-community multi sports facility.

Providing support, raising aspirations and promoting wellbeing.

Offering innovative and high-quality arts experiences for all.

Providing resources and support for youth and elderly, facilitating community learning and promoting good health.

Supporting and empowering people with Down Syndrome to reach their full potential.

Welcoming drop-in centre for the homeless and vulnerable. Making a difference with a hot meal.

Overcoming isolation and extending welcome through inclusion and events at a polarised interface.

Nurturing peoples' health and wellbeing with life-changing safe space, support and training.

Promoting peace by instilling shared values of mutual respect and understanding in young people.
