### ENVIRONMENT AGENCY

#### 'ISSUED' NOTICE - AGENCY APPLIED FOR DROUGHT ORDER.

#### WATER RESOURCES ACT 1991

#### NOTICE OF GRANT OF A DROUGHT ORDER

TAKE NOTICE that due to the threat of a serious deficiency of supplies of water for compensation flows in Holme Styes Reservoir at Hade Edge, Holmfirth (National Grid Reference: SE 13968 05664) caused by an exceptional shortage of rain, the Environment Agency ("the Agency") applied to the Secretary of State for the Department for Environment, Food and Rural Affairs for a drought order under Section 73 of the Water Resources Act 1991, which was granted on 24th of July 2025 and came into effect on 28th of July 2025.

The proposed drought order, which is intended to apply for up to 6 months, will allow the Agency to reduce the compensation flows required from Holme Styes Reservoir under Licence Serial No. NE/027/0010/010 (dated 14th April 2020) in a staged manner to a flow of 0.99 MI/day to the River Ribble during the period of operation of the order.

The order, as granted, allows the Agency to continue to provide a compensation flow to meet the needs of the respective downstream environments whilst preserving stocks in the reservoirs to support such environmental needs.

The drought order entitled The Environment Agency (Holme Styes Reservoir) Drought Order 2025 is available to view on the Agency's website at, [www.gov.uk/government/collections/abstracting-or-impounding-water-notices-of-applications-made](http://www.gov.uk/government/collections/abstracting-or-impounding-water-notices-of-applications-made) or on the Government Legislation website at, <https://www.legislation.gov.uk/ukxi/2025/926/contents/made>

### YORKSHIRE WATER SERVICES LIMITED

#### NOTICE OF APPLICATION FOR DROUGHT PERMITS

#### SOUTH AREA CATCHMENTS

TAKE NOTICE that due to the threat of a serious water shortage in the Yorkshire area caused by an exceptional shortage of rain, YORKSHIRE WATER SERVICES LIMITED (company number 02366682) whose registered office is at Western House, Halifax Road, Bradford, West Yorkshire, BD6 2SZ is applying to the Environment Agency for a series of drought permits in the South Area catchments under section 79A of the Water Resources Act 1991 (as amended).

The drought permits are intended to be in place for up to six months from date of issue and propose to reduce the compensation releases from Scout Dike Reservoir, Underbank Reservoir, Langsett Reservoir, Damflask Reservoir, Dale Dike Reservoir, More Hall Reservoir and Rivelin Reservoir, and to reduce the maintained flow at Dunford Bridge which is supported by Winscar and Lower Windleden Reservoirs.

#### Scout Dike Reservoir in our Don Valley group (grid reference SE 23 04)

Yorkshire Water releases water from Scout Dike Reservoir under conditions defined by the Ingbirchworth Reservoir abstraction licence (2/27/05/012). The terms of the Ingbirchworth Reservoir abstraction licence state Yorkshire Water must release flow from Scout Dike Reservoir to compensate the downstream receiving watercourses,

Scout Dyke and the River Don. Under the licence conditions, Yorkshire Water must continuously discharge not less than 4.00 megalitres per day when the reservoir level is above the control line defined in the licence, or 2.70 megalitres per day when the reservoir level is below the control line.

The drought permit application for Scout Dike Reservoir is to reduce the compensation release required when the reservoir is at or below 25% of its capacity to 2.70 MI/d then after two weeks to reduce to 1.35 MI/d. If regional reservoir stocks are below the Regional Drought Control Line for more than four consecutive weeks, the compensation flow would reduce further to 0.89 MI/d, as defined in the Yorkshire Water Drought Plan.

#### Winscar Reservoir and Lower Windleden Reservoir supporting the maintained flow at Dunford Bridge (grid reference SE 16 02)

Yorkshire Water is licensed to impound water in Winscar Reservoir for supply to customers under the impoundment licence (2/27/05/152). This licence has been revised by the Environment Agency's enforcement letter dated 13 December 2024. The Winscar Flow Trial Local Enforcement Position (LEP) state Yorkshire Water must release flow from Winscar Reservoir and/or Lower Windleden Reservoir to compensate the downstream receiving watercourse, the River Don. Under the LEP conditions, Yorkshire Water must continuously discharge a combined compensation flow of not less than 7.00 MI/d during summer (May – September inclusive), or a flow not less than 9.00 MI/d during winter (November – April inclusive). In October the compensation flow will be 7.00 MI/d if Winscar reservoir group stocks are below the control line, or will be 9.00 MI/d if Winscar group stocks are above the control line. In addition to the combined flow, there is a minimum flow of 1.00 MI/d from Windleden Lower and a minimum flow of 2.00 MI/d from Winscar.

The drought permit application for the Winscar group option is to reduce the flow trial group compensation release and minimum flow requirements by 50% to a combined compensation flow of 3.50 MI/d during summer (May to October) or 4.50 MI/d during winter (November to April) from the date the permit is granted. Under a 50% reduction the minimum flows from Winscar will reduce to 1.00 MI/d and the minimum flow from Windleden Lower will reduce to 0.50 MI/d from the date the permit is granted. A further reduction of the combined compensation flow will be to 2.33 MI/d in summer (May to October) or 3.00 MI/d in winter (November to April) and a reduction in the minimum flow from Winscar to 0.66 MI/d and from Windleden Lower to 0.33 MI/d if regional reservoir stocks are below the regional Drought Control Line, as defined in the Yorkshire Water Drought Plan.

#### Langsett Reservoir (grid reference SE 21 00)

Yorkshire Water releases water from Langsett Reservoir under conditions defined in the Langsett Reservoir abstraction licence (2/27/05/032). The terms of the licence state that Yorkshire Water must release flow from Langsett Reservoir to compensate the downstream receiving watercourse, the Little Don River (or The Porter). Under the licence conditions, Yorkshire Water must continuously discharge not less than 7.00 megalitres per day from November to March, 5.00 megalitres per day in April and October, and 3.50 megalitres per day from May to September when the reservoir stocks are above the upper control line as specified in the Langsett abstraction licence. If the reservoir stocks fall below the lower control line, Yorkshire Water must discharge not less than 4.00 megalitres per day from November to March, 3.00 megalitres per day in April and October, and 2.00 megalitres per day from May to September.

The drought permit application for Langsett Reservoir is to reduce the compensation release required when Langsett reservoir stocks are above the control line by 50% to 3.50 megalitres per day from November to March, 2.5 megalitres per day in April and October, and 1.75 megalitres per day from May to September. Additionally, the application seeks to reduce the compensation release required when the reservoir stocks are below the control line by 50% to 2.00 megalitres per day from November to March, 1.50 megalitres per day in April and October, and 1.00 MI/d from May to September. A further reduction to the compensation release to 2.33 megalitres per day from November to March, 1.66 megalitres per day in April and October, and 1.17 megalitres per day from May to September when stocks are above the control line, or 1.33 megalitres per day from November to March, 1.00 megalitres per day in April and October, and 0.67 megalitres per day from May to September when stocks are below the control line, if regional reservoir stocks fall below the regional Drought Control Line, as defined in the Yorkshire Water Drought Plan.

#### Underbank Reservoir (grid reference SK 25 99)

Yorkshire Water releases water from Underbank Reservoir under coincident conditions defined by the abstraction licence for Langsett Reservoir (2/27/05/032) and the abstraction licence for Midhope Reservoir/Knoll Brook Intake (2/27/05/011). The terms of the licences state that Yorkshire Water must release flow from Underbank Reservoir to compensate the downstream receiving watercourses, the Little Don River and the River Don. Under the licence conditions, Yorkshire Water must continuously discharge not less than 21.7 megalitres per day from Underbank Reservoir when the reservoir level is above the control line as defined in the Langsett and Midhope licences, or 16 megalitres per day when the reservoir level is below the control line.

The two drought permit applications are to reduce the compensation release required when Underbank Reservoir is below the compensation control line by 50% to 8 megalitres per day from the date the permit is granted and to reduce further to 5.33 megalitres per day if regional reservoir stocks are below the regional Drought Control Line for more than four consecutive weeks, as defined in the Yorkshire Water Drought Plan.

#### **Damflask Reservoir (grid reference SK 28 90)**

Yorkshire Water releases water from Damflask Reservoir under conditions defined by the Dale Dike Reservoir and Agden Reservoir abstraction licence (2/27/05/030). The terms of the licence state that Yorkshire Water must release flow from Damflask Reservoir to compensate the downstream receiving watercourses, the River Loxley and the River Don. Under the licence conditions, Yorkshire Water must continuously discharge not less than 28 megalitres per day when the reservoir level is above the control line defined in the licence, or 18 megalitres per day when the reservoir level is below the control line.

The drought permit application for Damflask Reservoir is to reduce the compensation release required when the reservoir is below its compensation control line by 50% to 9 megalitres per day from the date the permit is granted and to reduce further to 5.94 megalitres per day if regional reservoir stocks are below the regional Drought Control Line for more than four consecutive weeks, as defined in the Yorkshire Water Drought Plan.

Yorkshire Water also releases water from Dale Dike reservoir under conditions defined by the Dale Dike Flow Trial Local Enforcement Position (LEP). The terms of the LEP require that Yorkshire Water must release flow from Dale Dike reservoir to compensate the downstream receiving watercourse, the Dale Dike. Under the conditions, Yorkshire Water must continuously discharge not less than 3.30 megalitres per day. As of August 2025, this compensation flow regime is yet to be licensed, however a variation application to add the compensation requirement to the Dale Dike Reservoir and Agden abstraction licence (2/27/05/030) was submitted by Yorkshire Water and is currently in the process of being determined.

Therefore, as part of this application, Yorkshire Water is proposing the reduction of Dale Dike's compensation from not less than 3.30 megalitres per day to not less than 1.65 megalitres per day from the date of the grant of the drought permit for Damflask Reservoir and to reduce further to not less than 1.10 megalitres per day if regional reservoir stocks are below the regional Drought Control Line for more than four consecutive weeks, as defined in the Yorkshire Water Drought Plan.

#### **Rivelin Lower Reservoir/Rivelin Depositing Pond (grid reference SK 28 86)**

Yorkshire Water is licensed to impound water in Rivelin Upper and Lower Reservoirs for supply to customers under the Rivelin Reservoirs and Redmires Reservoirs abstraction licence (2/27/05/029). Under the licence conditions, Yorkshire Water must release flow from Rivelin Lower Reservoir to compensate the downstream receiving watercourses, the River Rivelin and the River Don. Under the licence conditions, Yorkshire Water must continuously discharge from Rivelin Depositing Pond to ensure not less than 10.3 megalitres per day flows through Rivelin Gauge to the River Rivelin.

The drought permit application for Rivelin Depositing Pond is to reduce the compensation release by 50% to 5.15 megalitres per day from the date the permit is granted and to reduce further to 3.43 megalitres per day if regional reservoir stocks are below the regional Drought Control Line for more than four consecutive weeks, as defined in the Yorkshire Water Drought Plan.

#### **More Hall Lower reservoir, in our Ewden group (SK 28 95)**

Under conditions defined by the Broomhead Reservoir abstraction licence (2/27/05/031) Yorkshire Water must release flow from More Hall Reservoir to compensate the downstream receiving watercourses, Ewden Beck and the River Don. Under the licence conditions, Yorkshire Water must continuously discharge from More Hall Reservoir to ensure not less than 12 megalitres of flow is released through the More Hall Gauge to the River Ewden when the reservoir level is above the compensation control line defined in the licence and 9.1 megalitres per day is released when the level is below the control line.

The drought permit application for More Hall Reservoir is to reduce the compensation release when the reservoir level is below the lower of its compensation control lines by 50% to 4.55 megalitres per day from the date the permit is granted and to reduce further to 3.03 megalitres per day if regional reservoir stocks are below the regional Drought Control Line for more than four consecutive weeks, as defined in the Yorkshire Water Drought Plan.

The anticipated effect of the proposed drought permits, if granted, will be to reduce the rate of draw down on reservoirs in the South Yorkshire Area. This will aid winter refill and conserve stocks for public water supply. It will result in a reduction in flow in the downstream receiving watercourses. However, it will mean compensation flow from the reservoirs to the watercourses can be provided for longer than if the compensation releases continued at the current rates.

Yorkshire Water, in consultation with the Environment Agency, has carried out an assessment of the potential environmental impacts resulting from each of these drought permits. This includes an environmental monitoring plan and mitigation measures to reduce the impacts on the downstream ecology.

I, Joshua Jones of 201 Haverstock Hill, London, NW3 4QG was a director of the above-named company during the 12 months ending with the day before it went into liquidation.

I give notice that it is my intention to act in all or any of the ways specified in section 216(3) of the Insolvency Act 1986 in connection with, or for the purposes of, the carrying on of the whole or substantially the whole of the business of the insolvent company under the following name: JJ Spaces Ltd.

Rule 22.5 - Statement as to the effect of the notice under rule 22.4(2): "Section 216(3) of the Insolvency Act 1986 lists the activities that a director of a company that has gone into insolvent liquidation may not undertake unless the court gives permission or there is an exception in the Insolvency Rules made under the Insolvency Act 1986. (This includes the exceptions in Part 22 of the Insolvency (England and Wales) Rules 2016). These activities are- (a) acting as a director of another company that is known by a name which is either the same as a name used by the company in insolvent liquidation in the 12 months before it entered liquidation or is so similar as to suggest an association with that company; (b) directly or indirectly being concerned or taking part in the promotion, formation or management of any such company; or (c) directly or indirectly being concerned in the carrying on of a business otherwise than through a company under a name of the kind mentioned in (a) above. This notice is given under rule 22.4 of the Insolvency (England and Wales) Rules 2016 where the business of a company which is in, or may go into, insolvent liquidation is, or is to be, carried on otherwise than by the company in liquidation with the involvement of a director of that company and under the same or a similar name to that of that company. The purpose of the giving of this notice is to permit the director to act in these circumstances where the company enters (or has entered) insolvent liquidation without the director committing a criminal offence and in the case of the carrying on of the business through another company, being personally liable for that company's debts. Notice may be given where the person giving the notice is already the director of a company which proposes to adopt a prohibited name".

# Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

- 1 The Publisher's [privacy policy](#);
- 2 The Publisher's [policies relating to submission of notice](#); and
- 3 [Royal Mail general terms and conditions](#) (applicable to Notices Placers utilising the Forwarding Service)

which (as amended from time to time) together govern the submission of Notices.

Notice Placers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Notice Placers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Notice Placers who place Notices and has the authority to refuse to publish Notices from Notice Placers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at [www.thegazette.co.uk](http://www.thegazette.co.uk).

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website [www.thegazette.co.uk](http://www.thegazette.co.uk) (the "**Website**") or by email, post and/or facsimile, the Notice Placer (as defined below) agrees to be bound by these Terms and Conditions. Where the Notice Placer is acting as an agent or as a representative of a principal, the Notice Placer warrants that the principal agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Notice Placer, including any principal, agrees to be bound by the revised Terms and Conditions. For the avoidance of doubt the Royal Mail's terms and conditions above will be read subject to the terms and conditions of this Agreement and the Publisher's own terms referenced above will take precedence. The Publisher is not liable to the Notice Placer for the availability, access and/or any accuracy of any information placed on any third-party website.

**"Local Newspaper Notice"** means any notice placed in a local newspaper other than The Gazette;

**"Notice"** means all advertisements and state, public, legal or other

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Notice Placer agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Notice Placer or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Notice Placer.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Notice Placer will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Notice Placer; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) – (v) above) shall be made without confirmation from the Notice Placer.

For the avoidance of doubt, the Notice Placer agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Notice Placer that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Notice Placer accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final and without liability on the part of the Publisher. The Notice Placer must satisfy itself as to the legal, statutory, procedural, and/or data protection requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall use all reasonable endeavours to notify the Notice Placer of any action required to remedy any deficiency and publication shall not take place until the Publisher is reasonably satisfied that such action has been taken by the Notice Placer. Where publication has taken place the Notice placar will be sent communication with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice. The Notice Placer agrees and accepts that the mutual obligations and undertakings under this Agreement are sufficient consideration for the enforceability of these

terms and conditions which the Notice Placer agrees are fair and reasonable.

6 Save for any liability that cannot be excluded or restricted by law, The National Archives or the Publisher's (including any successor organisations, affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability whether arising from the acts and/or omissions of The National Archives or the Publisher arising out of or made in connection with any Notice or otherwise for any and all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation, equity, breach of statutory duty, strict liability or otherwise incurred shall be limited to one hundred and fifty per cent (150%) of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Notice Placer and/or any third party or in respect of any Notice submitted by any Notice Placer for potential publication in The Gazette, which the Notice Placer warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for a failure to publish, or has published a Notice in error or with an error, the Publisher shall, at no charge to the Notice Placer, either publish the Notice at the next suitable opportunity, or in the event of an error, remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, a Notice Placer is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Notice Placers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Notice Placer and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Notice Placer warrants and undertakes to the Publisher:

11.1 that it has the (legal) right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

The Notice Placer agrees and accepts that the Publisher is reliant upon the services of the Royal Mail in order to deliver the Forwarding Service and accordingly any failure and/or inability of the Royal Mail to deliver the Forwarding Service shall in so far as reasonably possible not put the Publisher to be in breach of this Agreement unless the Publisher was the sole contributory to the breach and/or negligent on its part to properly supervise the Royal Mail in relation to the Services.

13 The Notice Placer agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter

arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Notice Placer (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Notice Placer as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Notice Placer shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Notice Placer shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Notice Placer and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at [www.thegazette.co.uk](http://www.thegazette.co.uk) and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Notice Placer to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Notice Placer, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from [www.thegazette.co.uk](http://www.thegazette.co.uk), but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Notice Placer acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice – and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Notice Placer or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Notice Placer accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Notice Placer accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Notice Placer agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties. The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

17 The Notice Placer acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the

Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Notice Placer's account related to such authorities and the Notice Placer hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Notice Placer hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Notice Placer expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Notice Placer;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Notice Placer. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Notice Placer and/or any third party (including, without limitation, any principal of the Notice Placer) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall

limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, which is subject to Clause 12 (above), The Gazette will replace the Notice Placer or executor's address with The Gazette's postal box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent via Royal Mail from The Gazette to the Notice Placer or executor (if different).

Please be aware that correspondence received by The Gazette's postal box (subject to the final condition of the mail and delivery of the same), will using reasonable endeavours be opened, scanned, and securely stored. The scans will be retained for as long as the service remains (paid for and) in place and for a period of 6 months beyond that time, so that any copies of claims can be requested and communicated to the executor (for example in circumstances where Royal Mail has failed to deliver a claim) and in using this service you are consenting to the provisions of this clause; The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependents) Act 1975. After the 10 months period has lapsed any correspondence received will be posted to the sender where possible and or securely destroyed, and the Notice Placer or executor's name and address details will be removed from the Forwarding Service.

20 The Notice Placer accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Notice Placer in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Notice Placer.

21 Please note that TSO uses Stripe on its eCommerce sites to process credit or debit card transactions. Goods that are out of stock are charged for immediately and despatched when the goods are in stock. By placing an order you agree to this process.

24 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and Wales and the parties hereby submit to the exclusive jurisdiction of the English courts.
