**W**H E R E A S we have received Information that the Plague, with which the Islands of Zant and Corfu have for some Time past been visited, doth not only continue there, but has spread itself to Veniza, Cephalonia, St. Mauro, and the Ports of the Morea; and that the Plague rages likewise at Smyrna; and whereas divers Goods apt to retain Infection are usually brought from the said Islands and Places, and other Parts of the Levant; and it is of the utmost Importance to prevent the Contagion being brought into our Dominions by Goods or Persons coming from any of the Places so infected; We, out of our
